Constitution

PREAMBLE

We, members of Baptist churches in Richmond and Scotland Counties, State of North Carolina, do hereby propose to establish and maintain the order and rules of an Association in conformity to the following plan:

ARTICLE I—NAME

The name of the association shall be the Pee Dee Baptist Association of North Carolina.

ARTICLE II—PURPOSE

The purpose of the Association shall be to promote Christian fellowship and cooperation among the churches affiliated with it; to uphold the doctrines and principles of our Baptist faith and to encourage the churches to be loyal to and practice those doctrines and principles; to promote the preaching and teaching of God's Word; the enlisting and training of all Christians for service; to promote missions, benevolences, stewardship, Christian education, and the winning of all men to Christ to the ends of the earth.

ARTICLE III—MEMBERSHIP

Section 1. The Association shall be composed of the officers of the Association, and pastors and messengers from churches affiliated with it. Affiliated churches shall be those which continue Baptist in faith and practice, and that cooperate with the Association, and that support the Association and the agencies of the State and Southern Baptist Convention.

Section 2. The Association shall be sole judge of its membership and may receive churches into its fellowship, or reject churches, according to its Constitution and By-Laws. Affiliated churches may also withdraw as they desire.

Section 3. Churches desiring to affiliate with this body shall apply to the Committee on Missions. If recommended by this Committee, they shall submit a written request to the Committee on Petitionary Letters including such recommendation, at least sixty days before the meeting of the Annual Meeting of the Association. If recommended by this Committee and accepted by a majority vote of the Association, the church shall agree to come under the watch care of the Association for a sufficient time to satisfy the Association of its intent to continue, through practice and attitude, a cooperating Baptist church. Upon the recommendation of the Committee on Petitionary Letters, acceptance into the full fellowship of the Association shall be confirmed by vote of the Association. During this period, members of such churches shall be entitled to all rights and privileges of the Association, except holding office and voting.

Section 4. The Association shall not maintain fellowship with any church that neglects to maintain a spirit of cooperation with the Association, or fails to support the causes fostered by the Association, or that departs from the principles of the Christian faith as taught in the Bible and believed by Baptists.

Any church failing in cooperative practice shall be visited by the officers of the Association with a view to correcting such failures. In the event of the church refusing to correct failures found, upon the recommendation of the officers of the Association, the Association may by two-thirds majority vote of those present and voting withdraw fellowship from such church.

ARTICLE IV—MEETINGS

Section 1. The association shall meet in annual session the week following the third Sunday in October on the day, or days, and at such hours as the Executive Committee may approve, upon recommendation of the Committee on Order of Business.

Section 2. Special meetings may be called by the Moderator, provided two weeks notice is given to all affiliated churches.

Section 3. Churches of fifty members or less shall be entitled to three messengers. One additional messenger shall be allowed for each additional fifty members or major fraction thereof, provided no church shall be entitled to more than ten messengers. These shall constitute the voting body of the Association. The names of messengers printed in the Minutes shall only include these attending and registering at the sessions of the Association.

ARTICLE V—AUTHORITY

Section 1. The association is an autonomous body and therefore reserves the right to determine its own policies and direct its own business; it may refuse to seat messengers who are not in fellowship or doctrinal agreement with the body, or whose churches are not.

Section 2. The association shall never exercise any authority over, or give direction to, any church or churches which are affiliated with it; but the association will stand ready to lend any assistance or counsel to any church making requests for such help.

ARTICLE VI—OFFICERS AND THEIR ELECTION

Section 1. The officers of this Association shall be Moderator, Vice Moderator, Clerk, Treasurer, Sunday School Director, Church Training Director, Woman's Missionary Union Director, Brotherhood Director, Music Director, Auditor, Historian and Parliamentarian.

MISSIONS COMMITTEE REPORT—1976

The Missions Committee met twice during the year to consider matters of business that had been brought to us.

One was to make a recommendation to the Associational Finance Committee regarding salaries and other benefits for the Director of Missions and his office secretary as required By-Law IV-Section 6. In view of continued inflation, the Committee recommended increases for both the Missionary and his secretary.

The Committee also met to consider a request that the Associational Office Secretary be allowed time off to attend the Southern Baptist Convention, the North Carolina Baptist State Convention and the State Evangelism Conference. The Missions Committee recommended that this request be granted and it was approved by the Associational Executive Committee.

The main thrust of our work during 1976-1977 will be the "Bold Mission Thrust" and an Associational World Missions Conference, scheduled for next October.

The "Bold Mission Thrust" is a part of a State and Southern Baptist Convention emphasis. Its goal is twofold: To witness to every person in our area and give them the opportunity to respond to the gospel of Christ and to provide a New Testament church or mission within reach of every believer so that they may have opportunity to become a part of such a fellowship.

Respectfully submitted,
Wayne Tuttle, Chairman
Assoc. Missions Committee

Report No. 2

SAMARITAN COLONY REPORT

by Eugene McNair, Executive Director

WHAT'S THE DIFFERENCE BETWEEN A DRUNKARD AND AN ALCOHOLIC?

In simple terms, the drunk desires and wants to drink, but he can stop voluntarily when he wants to. The alcoholic is different; he does not desire or want to drink, but he does. "The drunk could stop if he would and the alcoholic would stop if he could."

Alcoholics are those excessive drinkers whose dependence upon alcohol has attained such a degree that it shows a noticable mental disturbance, or an interference with their bodily or mental health, their inter-personal relations and their smooth social and economic functioning, or who show prodromal signs of such developments. They therefore require treatment.

An alcoholic has been defined in the JOURNAL OF THE AMERICAN MEDICAL ASSOCIATION as: "In essence, any individual who relies on alcohol to meet the ordinary demands of living and continues to drink after alcohol has caused him marital or occupational difficulty is an alcoholic; whether he drinks only in the evening, has never taken a drink when alone or has not touched anything but beer for five years."

ADDITIONAL FACTS

A. CAN AN ALCOHOLIC BE CURED?
So far as we know, there is no known cure for alcoholism, but it can be arrested. If an alcoholic takes so much as one drink, he will go back into the condition he was in before this period of sobriety.
Emphasis is not being sober for a year, but for one day—TODAY. It is hard to chew ten sticks of gum at one time, but there is no difficulty in chewing one stick. The same way, an alcoholic looks at being sober—one day at a time.

B. Alcoholism Is Not Inherited.

C. Alcoholism Does Not Attack a Particular Group—No Respector of Persons.

D. ALCOHOL IS NOT A STIMULANT, BUT A DEPRESSANT.
Alcohol cannot "pick you up." A small amount will depress you and it will reduce your judgement and self-control.

E. THE DIFFERENCE BETWEEN BLACKING OUT AND PASSING OUT.
"Blacking out" from alcohol is practically amnesia. You continue to do things but you do not remember them. In "passing out", one is unable to do anything. He just folds up. And if he passes out in a chair, he will be there when he comes to unless someone moves him.

F. ARE ALCOHOLICS A BUNCH OF BUMS?
The average alcoholic is as good a citizen as your neighbor. According to our best reports, they usually live in the same neighborhood for an average of five years and 80% are employed or are employable. They have an illness, a problem, but they are not bums.

SPIRITUAL HELP NEEDED—Many alcoholics lose their contact with God and as they allow God to come into their life, they will recover quicker and live a more consistent life.

Samaritan Colony is available to provide the help needed by the down and out alcoholic. Your contributions make it possible to provide this mission effort.

Report No. 3

1976 ASSOCIATIONAL EVANGELISM REPORT

All churches have already received the booklet: GROWTH EVANGELISM: AN EVANGELISM PLANNING CALENDAR FOR PASTORS OF CHURCHES—1976-1977. It contains suggestions for various evangelism emphases for the local church for the coming new year including C. A. R. E. Revivals for 1977. The pastor and leaders of each church are encouraged to outline definite evangelism plans with adults and youth during 1976-1977.

There was an overflow in attendance of more than 2,600 pastors and lay persons at the 30th Statewide Evangelism Conference at the Civic Center Auditorium, Asheville February 2-4,

1976. The theme was "Freedom in Christ". The response from many persons indicated that this conference was one of the best in several years.

Lay persons and pastors continue to respond to the emphasis on Lay Witness training through Lay Evangelism Schools. During the past 4 1/2 years, 14,284 youth and adults have participated in these schools from 1,150 churches and 62 associations. During the last evenings of the 62 weeks of schools there have been 896 professions of faith made by youth and adults in their homes.

About 525 youth and adults attended the Youth Ministry Week—June 14-18 at the N. C. Baptist Assembly with the emphasis on youth evangelism, vocational guidance, and recreation. Fifty-three different types of decisions for Christ were made by youth.

Over 12,000 youth, pastors, and adult leaders attended the 6th Statewide Youth Evangelism Night—August 13, at the Greensboro Coliseum. Barry Wood of Lubbock, Texas was guest preacher, and Larry McFadden of Gainsville, Florida was guest soloist.

Two summer youth evangelism teams directed youth revivals and youth witness training in eighteen churches across the state for a one week period in each church.

The Division of Evangelism is continuing to cooperate with the Brotherhood Department in Lay Renewal Weekends and Ministry Evangelism Weekends. A new area of work will be Youth Evangelism Strategy with an emphasis on four phases: Leadership Family; Touch Ministry; Dicipleship Groups; and Joy Explosion. W. O. W. (Win Our World) is included in this strategy and involves specific witness training for youth.

The 31st Statewide Evangelism Conference will be February 7-9, 1977 at the War Memorial Auditorium in Greensboro.

The Evangelism Committee's main project for 1975-1976 was promoting an Associational Simultaneous Revival Crusade. The Crusade was preceded by an Associational Evangelistic Rally at the First Baptist Church, Rockingham, on March 22nd. Dr. Lawrence Childs, Director of Missions for the Mecklenburg Baptist Association was the guest speaker. It was well attended.

About 24 churches participated in the simultaneous revival efforts. The Association provided electronic stencils for publicity for those churches that desired them. Several churches used their own methods of newspaper and radio publicity.

During the Revival Crusade, there were two fellowship meetings for pastors and evangelists. The first was held at the First Baptist Church, Hamlet on March 29. The second was at Pine Grove Baptist Church, Rockingham, on April 2nd. Light refreshments were served at both meetings.

1976 BIBLICAL RECORDER REPORT

The Old Testament prophet Hosea declared, "My people are destroyed for lack of knowledge." Because of a great information void concerning truth, Jeremiah also cried out, "Publish and conceal not."

Just as in Old Testament days, communications still remains one of the most sensitive problems in our churches. Think for a moment how many problems has your church had that could be traced to a lack of communication? Too many church members are misled because they are uninformed, poorly informed, or misinformed. Churches must take initiative to provide accurate information if work in the local church, association, and convention continue to show progress.

Each year more churches understand the importance of providing the RECORDER for each family. When this is done, members become more responsive because they are better informed. Baptists have made encouraging progress in recent years through bold mission enterprises and this can be traced to better informed church members. Stewardship gains also go hand in hand with better communications. As an example, 79 of the 80 churches which led their associations in per capita mission gifts last year have a RECORDER club.

Each church needs to look at its budget carefully and then make provision to send the RECORDER to each family. Although nearly 1,100 churches in the state have the RECORDER in the budget, at least 500 more churches should take this step. Such action could be the difference between mediocrity and greatness in your church.

W. A. Criswell, pastor of the First Baptist Church in Dallas, Texas, urges all Baptists to "stay with the state paper. Increase its circulation. Send it to the homes of all people. The reward will be great."

Louis D. Newton of Georgia who has done more than any other person to interpret the value of Baptist state papers, said: "The best investment any church can make in furthering the Kingdom of God is to put the Baptist state paper in the homes of the membership. These papers are the packhorses of every phase of denominational life.

If this "packhorse", meaning the RECORDER, is not going to every family in your church, may this be the year that you take this step.

Respectfully submitted,
J. Marse Grant, Editor
Biblical Recorder

1976 ASSOCIATIONAL SUNDAY SCHOOL REPORT

The need for regular Bible study, involving not only church members, but also the lost and unchurched, has never been greater. Baptists acknowledge the Bible, and especially the New Testament, to be their ultimate guide in all matters of doctrine and practice, so we have all the more reason to know what it teaches. The fact that Mormons and Jehovah's Witnesses win many converts from Baptists each year illustrates our need for better indoctrination of our people. The Sunday School is our chief means for doing this.

This past year, the Associational Sunday School Department had three activities:

The January Bible Study, January 4-9, was on the Book of Hosea. Some pastors went to Wingate in November for the teacher preparation study offered there. The Study itself was done in a variety of ways in our churches. Some preferred to study it on several successive Wednesday nights, others covered it in a night or two.

We offered two Vacation Bible School Clinics April 27 & 28, 1976 for the benefit of the church Vacation Bible School faculties. The majority of our churches conducted a Vacation Bible School during the summer.

An Associational Sunday School Leadership Workshop was conducted at the Second Baptist Church, Hamlet, Tuesday, September 21, 1976. Separate conferences were offered for general officers and for leaders of each of the four major age groups. It was well attended.

We urge our churches to continue to use their churches as their main means of outreach seeking to involve more and more lost and unchurched men and women, boys and girls, in Bible Study. We commend the ACTION Program of Sunday School enrollment to the churches, believing that it has great potential as a tool in enrolling new members in Bible Study.

1976 ASSOCIATIONAL CHURCH TRAINING REPORT

There were two Associational programs presented by Church Training during the year. They were:

Associational "M" Night, Monday, November 17, 1975 at the Second Baptist Church, Hamlet, N. C. The program included special music by an associational choir, directed by Richard Stanford, pastor of the Beverly Hills Baptist Church; a drama presented by the youth of First Baptist Church, Laurinburg and directed by Mrs. Sylvia Stewart; and a message by Dr. Lamar Brooks, pastor of the First Baptist Church, Laurinburg. This was well attended and there was a good time of fellowship and refreshments following the service.

An Associational Church Committee Training Conference was conducted Monday, May 17, 1976 at the First Baptist Church, Hamlet, N. C.

There were seven simultaneous training conferences for deacons, Baptism and Lord's Supper committees, church council, church constitution, social concerns and youth committees. Mr. Irvin Adcock led a conference which previewed the wide range of printed materials and resources available for church training.

Eighteen of our thirty-eight churches reported some form of church training in 1974-1975. We encourage the rest of our churches to begin offering church training, adapted to meet the needs of the churches, during the year.

Baptists, because we are democratic and depend so heavily upon volunteers for getting our work done, have an ongoing need to provide training for those who are willing to serve.

Mormons and Jehovah's Witnesses boast that 40% of their converts are former Baptists. This points up a need for more effective communication of what Baptists believe and why we believe them.

Printed materials are available for orientation of new members, the training of regular members in Training Union and Leadership training. The curriculum is so varied and flexible that it offers something for every church. We encourage pastors and other church leaders to examine these materials and see if they cannot meet their needs.

An effective training program may not be easy, but it is an essential for effective church work.

Respectfully submitted,
Mrs. Grace Wilson, Director
Assoc. Church Training

1976 WOMAN'S MISSIONARY UNION REPORT

This year has been outstanding for we know "The Spirit of the Lord has been with us leading in teaching missions, engaging in mission action, directing evangelism and supporting missions."

An Associational Acteen meeting was held at the First Baptist Church, Hamlet on November 11, 1975. The theme was "Explain me a Missionary" and Mrs. John Hill, Missionary to Nigeria, made it come alive for the large group of girls present.

The Baptist Women observed the Day of Prayer on November 11th—the same day the Baptist Women's World Day of Prayer was being observed.

December 1st through 7th was the Week of Prayer for Foreign Missions. Dr. C. F. Clark, Medical missionary to Japan, taught the Associational Foreign Mission Studies in Richmond and Scotland Counties.

WMU Focus Week was observed in the Pee Dee Association during the week of February 8-14th, 1976.

During the week of prayer for Home Missions (March 7-13), Missionary Austin Lovin taught the study book TOMORROW BEGINS TODAY in both counties.

A bus load of women from the Association attended the State WMU Convention in Greensboro, March 16 and 17 at which time our Associational WMU organization was presented the Distinguished Recognition Award.

Our Annual meeting was held April 13th at the Calvary Baptist Church. The Theme "Let Christ's Freedom Ring" was woven throughout the meeting in song, praise, prayer and many of the women wore colonial style dresses to celebrate the Bicentennial of our country. Miss Nancy Curtis, State BYW Director, delivered the inspirational address.

Plans are underway to have a ministry at the CARE INN Nursing Home in Rockingham. Training programs are being developed and WMU organizations as well as other church groups will be asked to assist in performing a much needed ministry there.

The Heck Jones Offering for State WMU work was promoted during June.

Five women from the Association took advantage of the Bicentennial Tour to Glorieta in July. This was a bus tour of various mission points in the south and southwest enroute to the WMU week at Glorieta and back home. This was promoted by the State WMU.

State Missions Offering for State Missions was promoted during September.

Six Associational leaders took advantage of the WMU week at Ridgecrest during August with their expenses largely paid for from the Associational budget. Two Associational leaders attended the Leadership Workshop at Mundo Vista early in September and about thirty leaders went via bus to the Regional WMU Leadership Workshop at Wadesboro on September 28th.

The Associational WMU Leaders held Assoc. Leadership Workshop at First Baptist, Hamlet on September 13, and it was well attended.

I am grateful for all who have had a part in the success of WMU work in the Pee Dee Baptist Association during my two years as WMU Director. Thank you one and all!

Mrs. A. A. Williams,
Assoc. WMU Director

ASSOCIATIONAL BROTHERHOOD REPORT FOR 1975-1976

The Associational Brotherhood Department held a Baptist Men's Rally in February at the Pine Grove Baptist Church. Josea Miranda, well-known Lay Witness Leader, was the guest speaker. There was a good attendance and Josea blessed us all with his message.

Your Associational Brotherhood Department challenges the men in our churches to begin, or re-activate a Brotherhood organization. You do not have to have all of the Brotherhood organizations to have a Brotherhood. All it takes is one or more of them.

The Baptist Men's organization is for those men who are 18 years old or more. The Royal Ambassadors include boys from the first through the 12th grades. The Crusaders are for boys in grades one through six and the Pioneers are for grades seven through twelve.

The organization can be as simple as possible and still get the work done. Please call on us if we can help any church begin or improve their church Brotherhood.

Respectfully submitted,
Bill Dennis, Director
Assoc. Brotherhood

Gentlemen:

I have examined the balance sheet of the Pee Dee Baptist Association as of September 30, 1976, and the related statements of income and expenditures for the year then ended.

The examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records as I considered necessary.

In my opinion, the accompanying balance sheet and statement of income and expenditures present fairly the financial position of the Pee Dee Baptist Association at September 30, 1976.

1976 SEMINARY EXTENSION REPORT

The Seminary Extension Department is a joint project of our six seminaries. It provides a wide variety of courses in Bible study, Christian History, Homeletics, Pastoral counseling, Christian Missions and Evangelism, etc.

These courses are available on three levels: THE BASIC CURRICULUM is for pastors and lay preachers with limited reading skills. The subject matter is adult, but each course is written on the sixth grade level. THE COLLEGE-LEVEL CURRICULUM is for pastors and Christian lay persons who are interested in study on a college level and for seminary graduates interested in refresher study. THE PERSONAL-CAREER DEVELOPMENT CURRICULUM is for seminary graduates and others who have special interests in these resources.

All of these courses are available for study through Seminary Extension Centers and many of them are available for independent home study. The goal is to make all of the courses in the Basic and College-Level Curriculums available for home study, complete with cassette tapes of outstanding teachers.

The Seminary Extension Department also offers an information and consultation service on how to plan self-directed learning, how to earn a high school equivalency certificate, how to establish a learning cluster for seminary-trained pastors, what continuing education projects are being offered this year by our seminaries, how to locate a basic adult education program in your area, and how a person without a college degree can enroll for study at any one of the six Southern Baptist seminaries.

Seminary Extension continues to grow. At the latest report, there were 265 extension centers in operation during this associational year. This is an increase of 22.8% . Enrollment in extension centers is up at least a third and correspondence study has increased 27% . More than 400 persons are now enrolled in the Seminary Extension PASS program (Planned Automatic Supply Sequence) study program. This is a sixteen-course program which automatically sends the student the next course as soon as he has completed the one he is working on.

There was one Seminary Extension course offered in the Pee Dee Baptist Association during this associational year. It was a course in the Technics of Pastoral Counseling. It was taught by Chaplain Carlyle Franks, of the Moore Memorial Hospital at the Richmond Technical Institute.

The need for continuing education for all pastors and Christian leaders is urgent. An Associational Extension Center, with a long-range program of subject materials to be offered could help meet this need. For many others, the increasing variety of courses available for home study offers unlimited possibilities for personal growth and enrichment without leaving your own home, for those who will accept the necessary discipline that home study requires.

We believe that our pastors and other leaders are the losers when the resources of the Seminary Extension Department continues to be largely ignored in our association.

Respectfully submitted,
Robert Rea, Chairman
Seminary Extension Committee

1976 NORTH CAROLINA BAPTIST CHILDREN'S HOMES REPORT

North Carolina Baptists began their child care ministry 91 years ago. It has grown steadily, especially in the last 20 years, and today Baptists provide a varied ministry to children that is recognized as one of the best in the nation.

The purpose of the Baptist Children's Homes of N. C. is to help make up for the loss that children experience through family tragedy or breakdown or weakness, by providing a Christian ministry of quality child care.

Emergency Care is offered the child who needs immediate short-term help, while a more permanent plan is being developed.

Group Care is offered the child who needs the multiple relationships which a group of his peers and a staff of Christian professionals can provide.

Foster Care is offered the preschooler and the older child who needs the closer relationships of a family setting.

Maternity Care is offered the unwed mother and her child.

Preschool Care and education are offered a select group of younger children.

Consultation in child development and family life education is offered to churches concerned for families and children in their communities.

Varied planning and counselling services are offered to families in stress.

In all of this, the focus is on the whole family; the motivation is Christian love; the aim is wholeness and health for those served.

These services are provided through a statewide network of facilities, in Indian Beach, Kinston, Pembroke, Fayetteville, Raleigh, Burlington, Wallburg, Thomasville, Charlotte, Forest City, Asheville and Waynesville. Each site is a base of operations from which families in need can secure assistance. The staff is also prepared to call on the additional resources of religious, educational, medical, psychological, recreational and social service personnel as needed and available.

No greater investment can be made in the future of God's Kingdom or of America than to invest in children. Your support of missions through the Cooperative Program is the lifeline of the Baptist Children's Homes. Your special gifts at Thanksgiving further guarantees the continuance of Christian Child care. The staff and children of the Baptist Children's Homes pledge ourselves to make the most of the opportunity your investment provides.

Respectfully submitted,
Dr. W. R. Wagoner, President
Baptist Children's Homes of N. C.

1976 REPORT OF THE CHRISTIAN LIFE COUNCIL

The emphasis of the Christian Life Council in 1976 has been twofold: citizenship and family relationships.

In January a bicentennial packet was mailed to every North Carolina Baptist pastor. In addition, a number of sermons and conferences have dealt with Christian Citizenship. Six tracts on citizenship were written and printed and are available for local church use.

A major concern for the Christian home has prompted the Council to distribute over 150,000 pieces of literature relative to the family. Over a hundred sermons on the home were preached and a number of conferences were conducted.

A Workshop for Youth Ministers was co-sponsored with the Youth Ministries Section.

A Single Adult Conference is scheduled for October 29-31 in Charlotte.

One of the most exciting developments is the creation of the Department of Christian Family Life. W. Douglas Cole will head this Department which will be a part of the Christian Life Council.

The Council continues to serve as a research, resource and referral agency for North Carolina Baptists regarding applied Christianity. Dozens of requests are received and answered from Baptists pertaining to everyday life situations.

The Christian Life Council's reason for existence centers on the concept of helping those who call Him "Lord, Lord" to know and do His commandments.

Respectfully submitted,
Kenneth Rickett, Representative
Christian Life Council

Report No. 20

THE 1976 ASSOCIATIONAL ANNUITY BOARD REPORT

The Southern Baptist Convention's Annuity Board offers three retirement plans. Pastors and other staff members may participate in either the basic plan, or in that, plus one or both of the others.

Plan A is the basic plan. It calls for the church to contribute 10% of the first $4,000 of the pastor's salary. This is matched by 5% from the State Convention. This was set up 30 years ago when $4,000 was a fairly good income for a pastor, but it isn't today.

Plan B (the Age Security Plan) calls for a church to supplement Plan A, by adding 10% of the staff member's salary above $4,000, plus housing and utilities allowances. This is invested and has averaged about 6% interest, compounded monthly. Most of the funds for this plan are invested in common stocks, which gives a built-in hedge against inflation.

Plan C, (the Variable Benefit Plan) allows contributions in any amounts, by the church or the staff member. These are invested in selected common stocks. Benefits under this plan are not guaranteed. They depend entirely upon the investment experience of the common stock fund. Over the long run, it has equaled or exceeded the decreased purchasing power of the dollar.

Less than 20,000 of the nearly 35,000 churches in the SBC participate in even the basic plan. In the Pee Dee Baptist Association, 19 of the 38 churches are involved. This means that pastors and other staff members of the other 19 have no retirement coverage provided by their churches. Most laymen employed by large business firms or institutions, or who belong to labor unions, expect and receive well-planned retirement programs. Too frequently, we fail to provide sufficient security for our ministers old age.

We recommend:

1. That every church in the association participate in at least the basic annuity plan.
2. That those churches who are providing full support for their pastors and other staff members, move as quickly as possible to 10% of salaries, housing and utilities allowances invested in a combination of two or more of the Board's plans.
3. That churches keep in mind that most pastors will come to retirement without owning a house, or even having an equity in one, because they have lived in parsonages. This will add to their retirement needs.

Respectfully submitted,
Robert Rollins,
Representative of
Annuity Board

Report No. 21

1976 NORTH CAROLINA BAPTIST HOSPITAL REPORT

"Christian stewardship" is a phrase frequently heard in staff meetings at Baptist Hospital. The hospital's leadership holds to a philosophy of administration based on stewardship and tries to pass this on to all employees. A continuing effort is made to help each employee, whatever his particular job, to realize that he is part of a team involved in a Christian ministry of healing. The difference this makes in the whole atmosphere of the hospital is evident to patients and visitors.

This sense of stewardship demands a continual updating and upgrading of medical procedures to assure patients the highest quality care. One of the most significent recent developments is the creation of a department of Family Medicine. This department provides primary health care for a limited number of families, that is, the kind of all-round, ongoing health care normally provided by a family physician. At the same time the department offers training in family medicine for physicians who will enter this field of practice. This will help to balance the trend of recent years toward increased specialization in the practice of medicine.

Many of the physicians training in family medicine are receiving part of their clinical experience in small towns and rural communities under the auspices of the Area Health Education Centers (AHEC), created by the State legislature. It is believed and hoped that some of them will choose to remain in these areas for their permanent practice.

Improvement of physical facilities is another expression of the hospital's sense of stewardship. In recent months renovation of the west and south wings of the hospital has been completed; construction has been completed on an addition to the water-chilling facilities; construction has begun on a 4-level parking deck in front of Reynolds Tower which will provide approximately 800 parking spaces for visitors; and construction has begun on a new building to house the new department of Family Medicine.

The Pastoral Care Department continues to make its contributions toward the fulfillment of our stewardship. A chaplain is assigned to each area of the hospital and is responsible for providing a pastoral ministry to patients, staff and visitors in that area. There are capacity enrollments in all phases of the Clinical Pastoral Education programs. A third satellite has opened in Morganton during the past year.

Mother's Day gifts for the fiscal year ending June 30 were $405,946.52, compared to a total of $390,000 for the preceding fiscal year.

Doran Cook, Representative
Baptist Hospital of N. C.

THE 1976 ASSOCIATIONAL CHRISTIAN HIGHER EDUCATION REPORT

A primary reason for organizing the Baptist State Convention in 1830 was to establish a Baptist college. When Wake Forest institute was established in 1834, the only college in the state was the University of North Carolina in Chapel Hill and Baptists wanted their own school. It became Wake Forest College in 1839 and in recent years became a university.

Six other colleges are not supported by North Carolina Baptists: Campbell, Wingate, Chowan, Gardner-Webb, Mars Hill and Meredith. Since 1944, these schools have been guided in their development by the Council on Christian Higher Education of the Baptist State Convention. The Council is the only organization of its kind in the Southern Baptist Convention, and is one of the oldest educational cooperatives in America.

The 1975-1976 State Convention Budget included $2,783,000 for the support of our university and six colleges. While this is by no means sufficient to pay for the total cost of operation, it is a significant and urgently needed part of that cost, and it represents about 25% of the State Convention's Cooperative Program receipts.

In a secular world with its materialistic priorities, Baptist colleges are committed to the guidance of Christian values in the search for truth. Believing that God is the source of all knowledge and wisdom, Baptist colleges can urge students to search for truth in all areas of knowledge without fear.

Baptist Colleges reaffirm their gratitude for the support given by Baptists through the Cooperative Program. We further reaffirm our faith in and our support of the local church, and the broad programs of our denomination.

It is not enough that we support our colleges. There needs to be a warm, vital relationship between the colleges and the churches. To this end, cooperation in the following areas is encouraged:

1. Continue to support their colleges through the Cooperative Program and the Baptist College Day offering on Father's Day.
2. The colleges continue to provide training for pastors and other church staff members who lead North Carolina churches.
3. Pastors continue to help our colleges recruit Baptist young people by furnishing them with the names of prospective students for contact by the colleges.
4. The colleges pledge that no qualified student will be turned away because of finances, but that financial aid is available for them.
5. Baptist colleges are anxious to be invited to serve the churches and associations by sending students and faculty to speak upon request.

Respectfully submitted,
John Nicely, Representative
Christian Higher Education

1976 NORTH CAROLINA BAPTIST HOMES FOR THE AGING REPORT

It has been 25 years since North Carolina Baptists began its ministry of homes for the aging. God has blessed this ministry and we now have five homes, plus a nursing care unit, ministering to 230 residents and patients. Hundreds of others have been ministered to over the years and lives have been blessed and families helped.

The main emphasis during this past year, in addition to our ongoing program, has been an effort to raise a million dollars for the construction of the Western North Carolina Baptist Home. Rev. Ralph Cannon left the pastorate in September, 1975 to become Director of development and denominational relations and he reports that the response from pastors and people in Western North Carolina has been most encouraging, and that there is indication that the goal will be reached. We are grateful to those throughout the state who have responded to this need.

One of the most beautiful sites in the Ashville area has been purchased and when the new home is completed, it will accomodate 50 people and will bring our total capacity to 280 for the six homes and the nursing care unit. We now operate two homes and a nursing care unit in Winston-Salem and other homes in Albemarle, Yancyville and Hamilton, N. C.

The best of care in all of these is made possible through the Cooperative Program and the special offering that is received on the third Sunday in February each year. These provide more than 35% of the homes' total income and enables us to suppliment what the majority of our residents are able to pay. We thank every North Carolina Baptist who makes this possible!

As we look to the future, the need for increased facilities and support is abundantly evident and if we are to meet these needs, we must double and even triple our efforts.

Another project in the immediate future is the building of apartments on the site of the Hayes Home property in Winston-Salem. The first of these units is to be completed by the fall of 1977. Those interested in one of these apartments, contact Dr. William Poole, the Executive Director of the Homes, for information.

We are grateful for what God has done for us through North Carolina Baptists in these 25 years and we look to the future with the conviction that great things are in store for us. We convet the prayers and continued support of North Carolina Baptists in the years ahead.

Respectfully submitted,
W. E. Brown, Representative

1976 NORTH CAROLINA BAPTIST FOUNDATION REPORT

The famous financier, J. P. Morgan, began his will with, "I commit my soul to the hands of my Savior, full of confidence that, having redeemed it and washed it with His most precious blood, He will present it faultless before the throne of my Heavenly Father. I entreat my children to defend, at all hazard . . . the blessed doctrine of complete atonement for sin through the blood of Jesus Christ once offered, and through that alone".

What a testimony! This wealthy man valued the priceless gift of salvation through Jesus Christ more that everything he owned. Many have continued to bear a witness for Christ through gifts made to the North Carolina Baptist Foundation for the purpose of carrying on the Lord's work.

During 1975-1976, the North Carolina Baptist Foundation received $210,147.17 in new assets, bringing the total to $2,946,044.49 The income from Foundation trust funds paid to beneficiaries during the year was $157,069.28. The total amount paid to beneficiaries since the Foundation was set up is now $1,175,48.04.

A person who had received financial help from our Baptist Hospital years ago, left $29,950 to a trust fund to provide income for needy patients at the hospital. The income for one year will repay what the hospital provided to this person.

The children of one family, when their father's estate was settled, gave the family home to the Foundation for a trust in memory of their parents for foreign mission support. Their mother and dad had long been interested in foreign missions.

A widow tithed the estate of her recently deceased husband to provide an educational scholarship for a student in one of our Baptist colleges.

Another husband and wife began a trust "To the glory of God and in honor of our Pastor" This was but the beginning of a BOOK OF HONOR FOR NORTH CAROLINA PASTORS AND MISSIONARIES with income to go toward all mission efforts of our denomination through the Cooperative Program. The principal has increased 60 times in value since that first gift and several pastors and missionaries have been remembered in this expression of love.

A widow has established a living trust, turning over all her property and financial assets to the Foundation, but reserving the right to income as long as she lives. When she dies, it will then be divided among several institutions and mission causes, one of which will be associational missions.

Wills continue to account for a major portion of the assets of the Foundation, but at present the annuity trust funds amount ot $480,270.73 of the total assets of the Foundation.

Respectfully submitted,
Mrs. Lucy McInnis,
Representative

Report No. 25

1976 ASSOCIATIONAL STEWARDSHIP AND COOPERATIVE PROGRAM REPORT

Why should our churches have an annual stewardship emphasis? The most obvious reason is in order to raise the money to meet the budget, but there is an even better reason than that! The most important reason for emphasizing stewardship in a church is to help develop more Christian stewards.

Even if a church is more than meeting its budget, it still has no obligation to its members to keep before them the Scriptural principles relating to Christian stewardship of what we are and have. It is an integral part of the Gospel and Christians are still lacking in a vital area of their lives until they know and respond to the implications of God's ownership and man's stewardship.

Churches are stewards too. They must demonstrate, through their budgets, a commitment to the support of World Missions in proportion to their ability, if they are to be true to the command of Jesus.

The Cooperative Program undergirds everything that Southern Baptists are doing in World Missions, education and ministries, except the association. The suggested goal for churches in North Carolina is an increase of 15% through the Cooperative Program in 1977.

During 1974-1975, Thirty-One of our thirty-eight churches gave through the Cooperative Program a total of $146,314.00, which is about 13% of the undesignated offerings for all the churches in the association.

We recommend:

1. That every church conduct a stewardship emphasis this year.
2. That every church in the association contribute through the Cooperative Program each month.
3. Every church in the Association increase the percentage given through the Cooperative Program.
4. Every church in the association adopt a goal of 3% for support of associational missions and, beginning where they are now, increase their contribution each year until they reach this goal.
5. Have special prayer for some Cooperative Program ministry during every service in each church during the month of October.

Assoc. Stewardship and
Cooperative Program

Pastor and Members
Stewartsville Baptist Church
P. O. Box 948
Laurinburg, N. C. 28352

Dear Friends in Christ:

The Executive Committee of the Pee Dee Baptist Association voted at its meeting on October 11th, to ask me to express by letter their sympathy and concern over the loss your church suffered recently in the destruction of your sanctuary by a tornado. Special prayer was offered at the meeting for the Stewartsville Church and we wll continue to remember you in prayer as you make your plans for rebuilding.

Also, a motion was passed, asking that a special love offering be taken at the Annual Associational Meeting for the benefit of the Stewartsville Church. This was done and the enclosed check for $377.00 represents the total amount received.

We are aware the cost of repairing the damage done will run into the tens of thousands of dollars, but this love offering is a token of the love and concern of your sister churches in the association. Be assured that your missionary, his office and the officers of the association, stand ready to assist you in any way they can. All you need to do is call upon us.

We will pray with you that God will fulfill His promise and cause the destruction of your building to work out for some good and glorious purpose in His own way and time.

May God richly bless you and multiply your witness.

Sincerely yours,
Austin Lovin

Mr. Claude Smith
Tri-City Shopping Center
Rockingham, N. C. 28379

Dear Claude:

The Pee Dee Baptist Association, at its Annual Meeting October 19, 1976, voted to express its appreciation again to you for your generous provision of office space in the Richmond Plaza Shopping Center for the missionary and his secretary.

The move to the Shopping Center, which was made in June, 1972, has proven to be very helpful in the conduct of associational business, due to its accessability to our membership as they come to the Shopping Center for other purposes as well as to see the missionary.

The new quarters, which we moved into this past June, have proven to be better for our purposes than even the original location. We want you to know that we are quite happy with the present arrangement and are grateful to you for it.

We also appreciate your fine spirit and attitude in all of our relationships. We want to do all we can to keep it that way.

Thank you so much for all you have done for the Pee Dee Baptist Assoc.

Sincerely yours,
Austin Lovin

ARTICLE I - NAME

The name of the association shall be the Pee Dee Baptist Association of North Carolina.

ARTICLE II - PURPOSE

The purpose of the Association shall be to promote Christian fellowship and cooperation among the churches affiliated with it; to uphold the doctrines and principles of our Baptist faith and to encourage the churches to be loyal to and practice those doctrines and principles; to promote the preaching and teaching of God's Word; the enlisting and training of all Christians for service; to promote missions, benevolences, stewardship, Christian education, and the winning of all men to Christ to the ends of the earth.

ARTICLE III - MEMBERSHIP

Section 1. The Association shall be composed of the officers of the Association, and pastors and messengers from churches affiliated with it. Affiliated churches shall be those which continue Baptist in faith and practice, and that cooperate with the Association, and that support the Associaion and the agencies of the State and Southern Baptist Convention.

Section 2. The Association shall be sole judge of its membership and may receive churches into its fellowship, or reject churches, according to its Constitution and By-Laws. Affiliated churches may also withdraw as they desire.

Section 3. Churches desiring to affiliate with this body shall apply to the Committee on Missions. If recommended by this Committee, they shall submit a written request to the Committee on Petitionary Letters including such recommendation, at least sixty days before the meeting of the Annual Meeting of the Association. If recommended by this Committee and accepted by a majority vote of the Association, the church shall agree to come under the watch care of the Association for a sufficient time to satisfy the Association of its intent to continue, through practice and attitude, a cooperating Baptist church. Upon the recommendation of the Committee on Petitionary Letters, acceptance into the full fellowship of the Association shall be confirmed by vote of the Association. During this period, members of such churches shall be entitled to all rights and privileges of the Association, except holding office and voting.

Section 4. The Association shall not maintain fellowship with any church that neglects to maintain a spirit of cooperation with the Association, or fails to support the causes fostered by the Association, or that departs from the principles of the Christian faith as taught in the Bible and believed by Baptists.

Any church failing in cooperative practice shall be visited by the officers of the Association with a view to correcting such failures. The motion was seconded and carried.

5. The Moderator recognized the Chairman of the Order of Business Committee, Lamar Brooks, who made a motion that we proceed with the program as printed with whatever changes and/or adjustments may be necessary. Motion was seconded and carried.

6. The Associational Director of Missions, Austin Lovin, also a member of the Second Baptist Church, Hamlet, recognized the following new pastors, church workers and their wives:

Clinton Bailey
Michael Stirk
Lee Duncan
John Freeman
Bill Caudle
Lester English

7. Wayne Tuttle, pastor of the Pine Grove Baptist Church, introduced Roy Guenin, who then brought the Moderator's Message. His subject was "Don't Let It Slip" and he urged that all live committed lives so that the world will know that we are Christians.

8. The Adult Choir of the First Baptist Church of Laurinburg, directed by Lee Duncan, sang a most beautiful and meaningful anthem - "Jesus Christ is King" - which was a spiritual uplift to all.

9. THE CONSTITUTION COMMITTEE REPORT was read by the Director of Missions, as required by the Constitution. No action was taken at this first reading. (See Report No. 1)

10. THE MISSIONS COMMITTEE REPORT was given by the Chairman, Wayne Tuttle, who submitted the report as a matter of information and asked to speak to the report. Mr. Tuttle informed the messengers and visitors that a Prison Ministry was already underway in the area and the Missions Committee believes

the churches should be involved in a ministry to the probationers and parolees living in Richmond and Scotland Counties. The Committee offers their services to come to any church or group to discuss ways in which they can assist in this vital ministry. (See Report No. 2)

10-A. Eugene McNair, a member of the Beverly Hills Baptist Church, and Director of the Samaritan Colony, was unable to be present, but the SAMARITAN COLONY REPORT is printed as information. (See Report No. 3). This ministry is not an official part of the work of the Association, but it is a Christian ministry to alcoholics that helps all of us indirectly.

11. THE EVANGELISM COMMITTEE REPORT was given by Austin Lovin and received as information. (See Report No. 4)

12. THE ORDINATION ADVISORY COMMITTEE REPORT was submitted by the Chairman, Scott Turner and received as information. He requested churches not to schedule ordination services until after the committee gives their recommendation. (See Report No. 5)

18. Mrs. Harold Bell, a member of the Calvary Baptist Church and the associational WMU Director, introduced Miss Sara Ann Hobbs, Associate Secretary of the NORTH CAROLINA BAPTIST FOUNDATION. She spoke forcefully about Bold Missions, it's implications for individual Christians and the denomination as a whole if we are to reach the goal we have set for ourselves to carry the message of Christ to the world by 2,000 a.d. and doubling the number of our foreign missionaries to 5,000 by the same year. She emphasized the importance of supporting the cooperative program so that these goals may be reached. She also reported on the work of the Foundation in estate planning, which she directs. Because many have given through the Foundation, the message of Christ has reached thousands and will continue to bless in the years ahead.

FIRST BAPTIST CHURCH, HAMLET

37. Under the order of miscellaneous business, the host pastor invited all to stay for lunch.

Pastor Brooks called attention to the day set aside by Governor Hunt as GOOD NEWS CELEBRATION DAY - the celebration of the Bible. At this time the new Good News Bible recently published by the American Bible Society will be promoted. This will be Sunday, November 20th. An all out effort will be made to make these Bibles available in churches to be sold for $2.50. Churches are encouraged to buy the Bibles and place them in jails and other places where they may be an instrument to change lives.

Horace Barefoot, Representative of the Children's Homes, spoke to us concerning the needs of the children. He emphasized that money was needed and excellent but more important was visiting the homes, seeing the children and sharing time with them.

Allen Burris, Academic Dean of Meredith College, briefly reported on the efforts of Meredith College to uphold Christian principles on the campus. He expressed deep appreciation for the assistance they get through our gifts. Meredith is carrying out the mission of the church in higher education. They could not operate without the support of Baptist people.

Robert Rea moved that the travel allowance for the Director of Missions be increased by $600.00 in January, 1978, if the money is available. This would make the total annual travel allowance $2,400.00, instead of the $1,800.00 provided in the budget. The Missions Committee was asked to be responsible for making the decision on this. Seconded and carried.

38. The Assistant Clerk, Mrs. Austin Lovin, member of the Second Baptist Church, Hamlet, gave the Digest of Church Letters. Since no action was needed, she presented the Digest as information.
39. THE SEMINARY EXTENSION REPORT was presented by Robert Rea, Chairman, Seminary Extension Committee. It was received as information. (See Report No. 19)

42. THE BIBLICAL RECORDER REPORT was given as information. (See Report No. 21)
43. Glenn Moree, Pastor of East Laurinburg Baptist Church, gave the report on THE CHILDREN'S HOME and submitted it as information. Pastor Moree made

the suggestion that next year's report give the number of children being ministered to and what it costs. Billy Rivers spoke to the report by announcing the opportunity for questions and information at a supper on October 27th at 7:00 P.M., Choice Sizzler, Rockingham, when the Pastor and his wife and a key lay person and his wife from each church will be guests of the Children's Home. (See Report No. 22)

47. THE STEWARDSHIP AND COOPERATIVE PROGRAM REPORT was submitted by Mrs. E. D. Creech, a member of the First Baptist Church, Laurinburg, and Representative of the Stewardship and Cooperative Program Commission. She spoke very forcefully to the report concerning the need for commitment to boldness in witnessing and to missions and missions support. Several recommendations were included in the report. Mrs. Creech moved the adoption of these recommendations and the motion was seconded and passed. (See Report No. 26)

48. THE NORTH CAROLINA BAPTIST HOMES FOR THE AGING REPORT was presented by Billy Rivers for information. (See Report No. 27)

Pastor Rivers introduced William Poole, Executive Director of the North Carolina Baptist Homes for the Aging. Dr. Poole very vividly told of the efforts of the Agency to make it possible to care for the ever increasing numbers of older persons. He referred to the homes now in existence, the construction underway for more facilities and appreciation of gifts from Baptist people that make it all possible. Plans for a larger ministry in the Baptist Homes are being made so that those who have grown older in years will be more adequately sustained in a pleasant environment. . . living to the fullest during their twilight years.

49. "When I Survey the Wondrous Cross" was sung by those present and directed by the Moderator.

50. Mrs. Wayne Tuttle, a member of the Pine Grove Baptist Church, lifted our hearts as she sang "My Tribute", making all who heard aware of His Presence. She was accompanied by Lee Duncan, whose playing has been inspiring.

51. Roy Guenin introduced Wayne Tuttle who brought the Annual Sermon after Don Malpass read the Scripture from Luke 6:20-36. His message was on discipleship and the need for all of us to be committed, to get personally involved in witnessing, to show real love for those not lovable and to demonstrate our love through actions. He encouraged the listeners to become a vital part of the BOLD MISSIONS thrust that the message of the Risen Saviour may be carried to the uttermost parts of the world. He closed the message by asking that we sing the hymn "Whiter than Snow" as a prayer of commitment that we will be counted for Christ wherever we are and whatever we do.

Robert Thurkill led in the closing prayer that we would commit ourselves to the enormous task and privileges that are ours to Go and Tell. He also offered thanks for the luncheon.

Tuesday - October 18, 1977, 7:30 p.m. - Evening Session
Pine Grove Baptist, Rockingham, N.C.

52. The third session was opened with the singing of "Amazing Grace", led by Bill Caudle.

56. ELECTION OF OFFICERS

The Moderator entertained a motion for the election of a Moderator. Lamar Brooks nominated Wayne Tuttle and expressed deep confidence in his ability to lead the Association in this office. There were no other nominations and Mr. Brooks made the motion that the nominations cease and Wayne be elected by acclamation. Nominations for Vice Moderator were requested. Mrs. Dillard Richardson, member of Beverly Hills Baptist Church, nominated Jerry Townsend, Pastor of Beverly Hills Baptist Church. There were no other nominations and Billy Rivers moved that the nominations cease and Jerry be elected by acclamation. Motion seconded and carried.

57. REGISTRATION REPORT:

	Total Messengers	148
	Total Non-Messengers	104
	Total	252

58. MISCELLANEOUS BUSINESS

Wayne Tuttle made a motion that the 1977 Annual Minutes be dedicated in honor of Roy Guenin. Bob Thurkill seconded the motion and it was carried.

Brother Guenin recognized Austin Lovin who gave the second reading of the REPORT OF THE CONSTITUTION COMMITTEE and moved its adoption. The motion was seconded and passed after a brief explanation of the changes by Mr. Lovin.

59. Bill Caudle led in the singing of "Blessed Assurance".
60. The Pine Grove Choir, directed by Elwin Eaddy, sang with such fervor "Let Thy Mantle Fall on Me." The message of this rendition was truly a challenge to commitment.
61. L. A. Faulkenbury, Pastor of the Roberdel Baptist Church, and the Representative of the Christian Higher Education Commission submitted the REPORT ON CHRISTIAN HIGHER EDUCATION as information. He spoke to the report and challenged messengers and visitors to be careful not to listen to rumors about our schools without getting facts. He urged that we get correct and accurate information. (See Report No. 29)

Brother Faulkenbury introduced Dr. Craven Williams, President of Gardner Webb College who spoke to the report. He emphasized that the spiritual life of the student was extremely important at Gardner Webb. Revivals are being held and many students have been convicted that they want to serve the Lord in full time ministry. Others have come to a closer walk with the Lord. Chapel is held on a regular basis. While students are getting a sound academic education, they are also coming under the influence of administration and faculty that care what happens to them in the future. Dr. Williams' message was not only informative but heart warming when we know that there are schools of higher learning who are committed to preparing the student for the world they must face when school days are over. Academically and spiritually, students from Gardner Webb are blessed by such concern.

62. The retiring Moderator requested the newly elected officers to come to the platform. Mr. Guenin challenged Messrs. Tuttle and Townsend to press on toward making the next year one of the best for the Association as they lead the churches in promoting programs, training and offering assistance. The gavel was passed to Brother Wayne and Moderator Guenin asked that Clinton Bailey, pastor of Cartledge Creek Baptist Church, ask God's blessings upon these His Servants.

The One Hundred and Sixty-Second Annual Meeting of the Pee Dee Baptist Association closed with expectant, joyful hearts as opportunities for serving Him in this Portion of His Vineyard become realities in the days ahead. The sense of commitment to live for Him has been kindled anew. To God be the Glory for it all!

Report No. 1 CONSTITUTION COMMITTEE REPORT

We recommend the following changes in the Constitution and By-Laws:

1. ARTICLE X, Section 1, b (11)
   Omit the words "Christian Life Committee", and, in their place, insert the words "Committee on Prison Ministries".

Note of explanation: In 1975 the association voted to drop the Christian Life Committee from its list of standing committees. In its place, we now have a Christian Life Commission Representative. This change will bring the constitution in line with the action of the association and will also add a new committee.

2. BY-LAWS, By-Law IV - Duties of Committees
   Add a Section 14 which shall read as follows:
   Section 14. The Committee on Prison Ministries, composed of three members, plus the Moderator and the Director of Missions, shall develop and direct a comprehensive ministry to persons in jails and correctional institutions, probationers and parolees in Richmond and Scotland Counties.
3. BY-LAWS, By-Law III - Duties of Officers, Section 4
   Change the wording to read as follows:
   Section 4. The Treasurer, assisted by the associational office secretary, shall receive and handle all funds in the name of the Association, disburse the same upon instructions from the Association, it's Executive Committee, or as designated in the budget; render an accurate report of receipts and disbursements and distribute same at the Annual Meeting and at each regular meeting of the Executive Committee, and keep books available and up-to-date for examination.

Note of explanation: This change in the wording will bring the constitution in line with what has been done for years. The associational office secretary has actually written the checks, deposited the funds and maintained the treasurer's books. The reason for this is that it would require too much time for the elected treasurer to actually do all of the bookwork involved. The same is also true of the work of the Associational Clerk. Much of the work of preparing the annual minutes for printing is done in the associational office.

The Constitution Committee

Report No. 2 ASSOCIATIONAL MISSIONS COMMITTEE REPORT

The Missions Committee met June 29, 1977. We recommended proposed salary changes to the Finance Committee. We made the following recommendations to the Executive Committee at it's July meeting:

- * That the Association adopt a goal of $14,000 for the State Missions Offering.
- * That Sunday, Oct. 9, be designated as BOLD MISSION COMMITMENT SUNDAY and that each church accept the challenge of the BOLD MISSION THRUST.
- * That each church increase it's financial support to the work of the Association.
- * That the Executive Committee establish a Committee on Prison Ministry, composed of three persons, plus the Moderator and the Director of Missions, with the three members being chosen in the same way as other standing committees on the association.

Duties of the Committee on Prison Ministries

1. Enlist volunteers to work with persons on parole and on probation.
2. Keep records of those contacted and the results.
3. Keep the Associational Brotherhood and WMU informed on this ministry.
4. Seek to inform and enlist other denominations in helping in this ministry.
5. Keep a list of lay persons who are willing to minister to other persons needing help.
6. Lead in the development of additional prison ministries as the need arises.

We also presented the following recommendations to the October meeting of the Executive Committee:

- * In view of the fact that Brother Dennis Lovin, Mr. Lovin's only child, will be ordained into the Gospel Ministry on Dec. 18th in Portland, Oregon, we, the Missions Committee, recommend that Mr. Lovin be given the last two weeks of December to go and participate in his son's ordination. We recommend that this be given with pay and not count against his vacation time.
- * The Missions Committee recommends that the Association spend $300.00 for the purchase of 30 folding chairs and 3 folding tables to furnish the new conference room at the Associational Office.

All of the above recommendations were approved by the Executive Committee.

Wayne Tuttle, Chairman
Associational Missions Committee

Report No. 3

SAMARITAN COLONY
REPORT FOR YEAR 1976 - 1977

Samaritan Colony is well into it's third year of operation and is a mission ministry to the down and out alcoholic. Any male alcoholic who desires help seeking a life style free of alcohol can enter the colony for eight weeks of training. If a longer period of time is needed he is welcome to stay.

There is no charge for this service although all patients are encouraged to remember the colony after they return to their homes. This work is a faith work depending on gifts from local government, churches, civic organizations, and concerned individuals. For about thirteen months we have had some Federal funds but this will soon end. This means that more funds will be needed from local sources if the case load is to continue at the present rate. Each year around 100 patients enter the colony for help. Even though Samaritan Colony does not keep female patients we do counsel with them. The colony also helps place female alcoholics in similar programs in other cities.

The treatment plan is a Spiritual centered one. Realizing that Christ is the answer to our problems. The training at Samaritan Colony includes Bible study, A A meetings, work therapy, individual and group counseling.

From the staff and patients at the colony we say thank you for the help received through our local churches, church organizations, and individual Christians. We do appreciate not only your gifts, prayers, and many other ways you help us, but also for allowing us to be a part of this associational meeting.

Please call us at any time we can be of service to you. Our telephones are manned 24 hours per day. The numbers are 895-3243, if this line is busy then try 997-9119.

Administrative Officer

Report No. 4 ASSOCIATIONAL EVANGELISM REPORT - 1977

The Pastor's Evangelism Planbook 1977-79: EVANGELIZING AND CONGREGATIONALIZING has already been sent to all churches. It includes various emphases on The Evangelistic Church on Bold Mission. Additional information on this theme will be shared with pastors and church leaders.

"Bold in Creative Witness" was the theme of the 31st Statewide Evangelism Conference at the War Memorial Auditorium, Greensboro, during February 7-9, 1977. About 2,400 pastors and lay persons were present to hear the challenging messages of the evangelistic speakers.

Over 500 youth and adults came to the North Carolina Baptist Assembly for the Youth Ministry Week - June 13-17, and many different types of decisions for Christ were made public by youth. The emphasis was on youth evangelism, vocational guidance, and recreation.

About 12,000 youth, pastors, and adult leaders attended the 7th Statewide Youth Evangelism Night - August 19 - at the Greensboro Coliseum. Jim Wilson and Larry McFadden of Orlando, Florida were the guest preacher and soloist. Several bus loads from the Pee Dee Association attended.

Thirty-six churches across the state held one week youth revivals and youth witness training under the direction of four Summer Youth Evangelism Teams. Let us rejoice in all the decisions for Christ made by youth.

Excellent reports have been received on Lay Renewal Weekends and Ministry Evangelism Weekends in various churches. The Division of Evangelism cooperates with the Brotherhood Department in this phase of the work.

Associations and churches are now involved in the Youth Evangelism Strategy which includes these four areas: Leadership Family; Touch Ministry; Discipleship Groups; and Joy Explosion. W.O.W. - Win Our World - has to do with specific witness training for youth in the local churches.

65 associations have participated in one week Lay Evangelism Schools in recent years with over 14,400 youth and adults receiving lay witness training from 1,175 churches. More lay persons need to become involved in consistent witnessing to unsaved individuals.

Several thousands persons have attended evangelism clinics and conferences held in associations across the state. Good reports on revival meetings and city-wide crusades have been received.

The 32nd Statewide Evangelism Conference will be held at War Memorial Auditorium, Greensboro, on February 6-7, 1978.

Billy Rivers, Chairman
Associational Evangelism Committee

Rport No. 5 ORDINATION ADVISORY COMMITTEE REPORT

The Ordination Advisory Committee of Pee Dee Baptist Association was asked to meet on two occasions during the past year.

We met on Saturday, May 7, 1977 at the request of the First Baptist Church of Hamlet. John Manley (Hap) Jernigan was examined as a candidate for the Gospel Ministry. After this examination, the committee recommended that the First Baptist Church proceed to ordain Mr. Jernigan.

On Tuesday, July 7, 1977, we met to examine Michael Douglas Stirk as a candidate for the Gospel Ministry. The request came from the Cordova Baptist Church. After Mr. Stirk was carefully examined, the committee recommended that the Cordova church proceed with his ordination.

Because of the difficulty of finding a time to get the committee together, it is requested that churches give the committee at least a month to make arrangements for examination of a candidate.

May I suggest that churches refrain from scheduling ordination services until the report of the committee has been presented.

Scott Turner, Jr., Chairman
Ordination Advisory Committee

* Approved the quarterly financial statements, presented by the Finance

Committee, and heard that the Associational Finances were now keeping current with expenses, after the transfer of $1,600.00 from the Associational Savings in February. This was done to make up for a shortage in income from the churches.

- Approved a recommendation by the Order of Business Committee that the time for the 1977 Associational Annual Meeting be on Monday evening, Oct. 17 and the morning and evening of Tuesday, Oct. 18, 1977.

July 19, 1977, Second Baptist Church, Hamlet, N.C.

- Approved the following associational officers for next year: Sunday School Director-Don Malpass, Jr., Church Training Director-Robert Rea, WMU Director-Mrs. Dorothy Bell, Treasurer-B. M. Thompson, Assistant Clerk-Mrs. Ruth Lovin.

This Committee should consist of 3 people selected by the Com. on Committees, plus the Associtional Missionary and the Associational Moderator. The Committee on Committees will select the Chairman. An amendment to this fourth recommendation by Scott Turner, Jr. was approved. It was "This Committee will lead in the development of additional prison ministries as the need arises."
- Approved the 1977-1978 Associational Budget as presented in mimeographed form by the Finance Committee.

October 11, 1977, Second Baptist Church, Hamlet, N.C. 7:30 p.m.

- Heard a progress report from Billy Rivers, Chairman of the Evangelism Committee, regarding a request that he inquire into the possibility of getting Evangelist James Robertson to come to the Pee Dee Association area for a Crusade. Billy reported that after failing to receive a reply from two separate letters, he has received a call from the James Robertson Association, stating that they preferred to come to Richmond County in November and discuss what would be involved in such a crusade. There would be no obligation on the part of either us or them to follow through.

No action was taken, but it is the intention to invite a representative of this organization to come and discuss the matter before any further action is taken.

*Approved a recommendation by Lamar Brooks, pastor of the First Baptist Church, "That we add a new standing committee to be called The Committee on Campus Ministries, composed of six members, which shall work with the churches and State Convention resource persons in providing ministries to college age young people."

* The Missions Committee presented two recommendations for approval. They were:

1. "In view of the fact that Brother Dennis Lovin, Mr. Lovin's only child, will be ordained into the Gospel Ministry on December 18th in Portland, Oregon, we, the Missions Committee, recommend that Mr. Lovin be given the last two weeks of December to go and participate in his son's ordination. We recommend that this be given with pay and not count against his vacation time."
2. "The Missions Committee also recommends that the Association spend $300.00 for the purchase of 30 folding chairs and 3 folding tables to furnish the new conference room at the Associational Office.

Both of the above recommendations were approved unanimously after discussion.

Report No. 7 1977 NORTH CAROLINA BAPTIST FOUNDATION REPORT

The North Carolina Baptist Foundation was established in 1920. Its purpose is to promote the making of gifts for causes and objects operated by North Carolina Baptists, and to administer such gifts as are received according to the terms of the gifts, whether for a specific cause or for the work of our State Convention in general. In this sense, it acts more as a trustee than as a foundation, since the donor makes decisions relative to who will receive the income from the gift.

The assets of the Foundation grew very slowly until 1962 due to the fact that there was no employed staff working on it. In that year, the Convention was able to employ C. Gordon Maddrey as the first full-time staff member. By 1970, its assets had increased from $264,861 in 1960 to $1,046,654 and it has continued to grow until it now totals $3,696,612 (as of May 5, 1977). Through the years, it has paid a total of $1,175,484 to beneficiaries.

The Foundation is the only agency or institution receiving its total operating budget from the Cooperative Program. It has a 15 member Board of Directors and a staff of four persons, plus a retainer for a lawyer. They are: Executive Secretary, Edwin S. Coates; Director of Estate Planning, Sara Ann Hobbs; Staff Assistant, Dianne Babb; Treasurer, Leon Spencer; Legal Counsel, Tom Kimmock, a Raleigh Attorney.

Each staff member has specific tasks to perform, but they are all responsible for knowing the needs of the causes supported by the Foundation and be able to interpret these needs to persons using the services of the Foundation.

The emphasis of the Foundation is Stewardship. We seek to create an increased awareness of and interest in a total Christian commitment of life and possessions. We emphasize God's ownership and our trusteeship of His gifts. We are prepared to guide prospective donors through the legal work involved in estate planning and distribution of assets.

As the individual Christian is to be a responsible trustee, so the Foundation is to be responsible as trustee of these gifts entrusted to it. We seek to be both efficient and prudent in the investment of assets in order to achieve maximum returns on them for the support of all Baptist institutions and causes.

Persons can give financial assistance for all Southern Baptist ministries perpetually by naming the Cooperative Program as the beneficiary. Or, they can name a specific cause or institution, or any combination of these.

There are three prime methods of giving through the Foundation. The most frequently used method is the testimony gift. This is simply the transfer from an estate to the charitable cause by statement in a will. A second method is the charitable remainder trust, and the third is the living charitable trust. A person can give assets to the Foundation and be the beneficiary of its income during his or her lifetime.

We invite and encourage North Carolina Baptists to give serious thought to their obligations as stewards of their estates by including the cause of Christ as a beneficiary of a portion of their assets in their wills. In this way, we can become a part of the Cooperative Program.

Gary Williams, Representative
N.C. Baptist Foundation

Report No. 8 - 1977 ASSOCIATIONAL SUNDAY SCHOOL REPORT

The continuing goal of the Baptist Sunday Shool is to establish God's people in the teachings of His Word and to be a strong arm of evangelism for the Church. Each church has this responsibility and as an association we are trying to aid churches in fulfilling this responsibility.

This past year the January Bible Study was the Book of Romans. Many helps were offered through the State Convention to aid in the teaching of this book.

In March we were again led by the State Sunday School Department in a Teaching-Learning Workshop. This conference included help for all phases of Sunday School work and provided teacher improvement seminars for all ages of the S.S.

Baptist Doctrine Week was promoted in April. The Theme for the Adult study was the Doctrine of God.

In keeping with our concern for strong Vacation Bible Schools in the churches two V.B.S. Clinics were offered in May. Workers from the Association led in the teaching of these clinics.

Don Malpass, Jr., Director
Associational Sunday School

Report No. 9 - 1977 ASSOCIATIONAL CHURCH TRAINING REPORT

Calvary Baptist Church was the host church for Associational "M" Night, November 22, 1976. The program included a challenging message on the Bold Mission Thrust Program by Wayne Tuttle; special music was a "mini-concert" by the associational choir; and the inspirational message was delivered by Dr. Leroy

A. Parker, pastor, Friendly Avenue Baptist Church, Greensboro, North Carolina. Following the service, refreshments were served and we enjoyed fellowship there.

Church Training is not just another meeting to attend. Church Training is a program designed to teach, train, and motivate those who volunteer for service as Sunday School Teachers; Church Training leaders; WMU or Baptist Men workers; work on some church committee or personal soul winning.

Less than one-half of our churches practice some form of Church Training, these churches will have well informed responsible people to fill places of leadership later on.

Most of our churches show a significant increase in enrollment by Baptist; this indicates a real opportunity for a new church member orientation class in each of these churches.

Let's look forward to a good new year with every church offering its' members training in new church member orientation, church member training, and church leader training.

"Jesus thought training was important."

A. E. Wilcox, Director
Assoc. Church Training

Mrs. Harold (Dorothy) Bell,
Association WMU Director

Report No. 11 1977 ASSOCIATIONAL BROTHERHOOD REPORT

The Brotherhood is for men and boys what the WMU is for Women and girls. It is the missionary education and action organizations for our Baptist churches. As such, it promotes a program of mission studies, mission action and mission support for the Southern Baptist World Missions Program.

The Baptist Men is the organization for men, and the Royal Ambassadors is the organization for boys. The boys RA organization is divided into two age groups. The Crusaders is for boys in grades one through six and the Pioneers is for boys in grades seven through twelve.

The organization can be as simple or as complex as the needs may require.

The main associational activity for the Brotherhood during 1976-1977 was a Brotherhood "How-To" Clinic at the Calvary Baptist Church, Hamlet, on Monday, April 18, 1977. Separate conferences for Baptist Men, Pioneer and Crusaders were offered, with State Convention Brotherhood leaders in charge. There was a good attendance at this Clinic.

The Brotherhood also supported the associational mission studies, but was not responsible for them. The Foreign Mission Study was taught Nov. 29 and 30th at the Roberdel and North Laurinburg Baptist Churches. Dr. Alan Neely, missionary to Colombia, South American, was the teacher. The Home Mission Study was on Southern Baptist work in the Pacific Northwest. Austin Lovin, our Associational Missionary spent 18 years in that area and he taught this study March 7 and 8 at the Pine Grove and First Baptist Church, Laurinburg.

The Brotherhood also supported the drive to increase gifts to the State Missions Offering in September, 1977.

Bill Dennis, Director
Associational Brotherhood

Report No. 12 ASSOCIATIONAL MUSIC MINISTRY REPORT

The Associational Music Ministry is designed to be a link in a chain of programs provided to the churches by the Association. This link should be dedicated to the task of providing training, materials, and inspiration to guide the churches in their music programs and to strengthen the work of other program organizations through meaningful music.

This associational year has seen the complexion of our associational music ministry in rapid change. Several churches have added new Ministers of Music, others have upgraded and strengthened their existing programs. New and innovative ideas are being tried and for this we are grateful to God.

This year an Associational Adult Choir was formed from the churches of our association to sing for "M" Night on November 22, 1976 at the Calvary Baptist Church in Hamlet. Mr. Roy Guenin of the Stewartsville Baptist Church led the choir. On May 17, 1977 there was an Associational Youth Night held at First Baptist Church of Rockingham featuring the Youth Choirs of the Association. Choirs or groups from seven churches participated after which there was a period of fellowship sponsored by First Baptist.

Brighter horizons exist for our Associational Music Ministry. Our prayer and goal is that each church will reach out to take hold of these horizons and give their very best in service to Jesus Christ through the ministry of music.

James B. Staples,
Associational Music Director

Gentlemen:

I have examined the balance sheet of the Pee Dee Baptist Association as of September 30, 1977, and the related statements of income and expenditures for the year then ended.

The examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records as I considered necessary.

In my opinion, the accompanying balance sheet and statement of income and expenditures present fairly the financial position of the Pee Dee Baptist Association at September 30, 1977.

Report No. 19 1977 SEMINARY EXTENSION REPORT

The need for continuing education for pastors and other church leaders will always be present. We never graduate from the school of Christian discipleship! The Seminary Extension Department, a joint project of all six of our seminars, is attempting to provide a wide variety of courses and methods of study to help meet this need.

Courses are available on three levels:

THE BASIC CURRICULUM is for pastors and lay preachers with limited reading skills. The subject matter is adult, but courses are written on the sixth-grade level.

THE COLLEGE-LEVEL CURRICULUM is for pastors and Christian lay leaders with college and/or seminary training. It offers refresher courses for them.

THE PERSONAL-CAREER DEVELOPMENT CURRICULUM is for seminary graduates and others who have special interest in these resources.

All of these courses are available for teaching in Seminary Extension Centers and many of them are available also for independent home study. The goal is to make all of the courses in the Basis and College level Curriculum, available for home study, complete with cassette tapes of outstanding teachers.

It is our hope that we can establish a Seminary Extension Center here in the Pee Dee Baptist Association. We ask for your prayers and support to that end.

Report No. 21 - 1977 BIBLICAL RECORDER TO THE ASSOCIATIONS

What is perhaps the greatest challenge faced in all the history of Southern Baptists is before our people for the remaining 23 years of the 20th century. It has been called "Bold Missions Thrust," and the success of the venture is yet to be determined. There is no doubt concerning the importance or the motivation for the undertaking, but there is uncertainty as to whether the motivating message will be successfully communicated to some 13 million Southern Baptists, and to our more than 34,000 churches. Without adequate communication channels, the program cannot succeed.

The heart of the program is to evangelize and congregationalize the world's population, and the thrust is confronting all human beings everywhere with the gospel, and affording them the opportunity of knowing and trusting Christ as Saviour, and then leading them to understanding of His lordship.

The program is so big, and the challenge so great, that every Baptist must be involved to make it successful. Not since Jesus presented his disciples the goal of going into all the world has such boldness been demonstrated.

The most difficult problems faced in our churches are related to communications. When people are uninformed, poorly informed, or misinformed, they get into trouble. When they know what is taking place in their local congregation and in the denomination, interest is generated and cooperation results. Openness is therefore important, and the purpose of the BIBLICAL RECORDER is to keep Baptist church memebers informed concerning involvement in their denomination, and in the Christian world.

In light of developments presently underway in our denomination, it is important that every Baptist church member in N.C. receive the BIBLICAL RECORDER weekly. Already more than 1100 churches in our state are providing through their budgets for the RECORDER to go to all resident families. The Southern Baptist Convention has adopted a circulation goal of eight million for state papers by 1980. The SBC believes that every Baptist family ought to be receiving its state Baptist paper. RECORDER circulation approaches 120,000 but should be increased in the immediate future to 150,000.

If your church is not sending the RECORDER to resident families at the present time, arrangements should be made immediately to do so by incorporating it in your church budget. Costing less than half the price of a postage stamp per issue, it is delivered by U.S. mail directly to your home address.

The RECORDER doesn't cost; it pays! Your church will be a healthier congregation if you provide the RECORDER for your resident families. It is the most widely read piece of literature received by North carolina Baptists. No investment pays greater dividends.

J. W. O'Neal, Representative
Biblical Recorder

Report No. 22 - 1977 REPORT OF THE BAPTIST CHILDREN'S HOMES OF N. C., INCORPORATED

Baptists of N.C. provide a ministry of love and care to children, young people and their families. The program is more than rooms and meals, activities and recreation, buildings and grounds. The care of children is a ministry in the name of Christ. It involves missions, evangelism, education and restoration.

Our campuses at Mills Home, Thomasville; Kennedy Home, Kinston; Odum Home, Pembroke; and Broyhill Home, Waynesville-Clyde continue to serve as centers of service and operation in their respective areas of the state.

We also have a statewide program of Foster Home Care. Additional foster homes are needed and we welcome opportunities to talk with prospective foster parents about this area of service.

We have Emergency Shelters at Forest City, Charlotte, Burlington and Henderson to meet a critical need for providing a place for children who need help immediately. A child can stay in one of these shelters from one to ninety days while long-range plans are being worked out.

The Maternity Home in Asheville has provided a much-needed service to over three hundred girls since it was opened in 1970. It is recognized for its quality of care and Christian concern.

Social Work and Family Resource Centers enable us to work with families in providing services to children, family rehabiliation, family education and preventive services. These Centers are located at Waynesville, Asheville, Charlotte, Thomasville, Burlington, Raleigh, Kinston, Fayetteville and Pembroke.

The Child Development Center on the Mills Campus at Thomasville provides a demonstration program for churches who are interested in establishing services for preschool age children in nursery school education, day care and kindergarten. We welcome opportunities to assist churches any place in the state who want to develop this type of program.

Members of our staff are anxious to have you and members of your churches visit any of our campuses. To see, observe and tell in person what it is like to live in a children's home is to appreciate our child care ministry. Thank you for your dependable support in numerous ways. It shall be our purpose to keep this a dynamic ministry and to meet the needs of those whom we serve.

Glenn Moree, Representative
Baptist Children's Homes of N.C., Inc.

Report No. 23 1977 ASSOCIATIONAL REPORT OF THE DIVISION ON CHRISTIAN LIFE AND PUBLIC AFFAIRS

The Christian Life Council majored on two aspects in 1977 - the family and legislative issues. W. Douglas Cole became director of the Christian Family Life Department January 1, 1977. Under his leadership, the Council sponsored marriage enrichment retreats, minister-wife retreats, parenting workshops, conference for engaged couples, sex-education conference and promoted the National Single Adult Conference at Ridgecrest. In addition, many tracts on the family were printed and distributed among North Carolina Baptists.

Since the General Assembly was in session during 1977, the Council was involved on a number of issues. Some of the issues were assigned to the Council by the

Convention. Other issues were suggested by the twenty persons who comprise the Council. Some of the legislative concerns were pronography, liquor-by-the-drink, capital punishment, Equal Rights Amendment, chaplains for prisons, etc.

The Council also sponsored a state-wide workshop on death and dying, particularly as it related to euthsnasia (easy death) or, as it is commonly called, "mercy killing."

Numerous calls from Baptists for help on social issues keep being received and responded to. The Council attempts to provide information on how to apply one's Christian faith to everyday life.

America suffers from a crisis in morality and integrity. Only as Christians live out their faith will a lost world be improved and changed. To that and the Christian Life Council is dedicated.

Report No. 24 ·1977 ANNUITY BOARD REPORT

The Annuity Board administers retirement, health and life insurance programs for pastors and other staff members and denominational workers in the Southern Baptist Convention and its churches.

In 1977, there were 27,598 persons participating in Plan A of the Retirement Program, 25,412 in Plan B and 5,987 in Plan C. $285,504 was distributed to 425 persons as relief benefits.

Under the Insurance programs, there were 17,029 persons in the Health Insurance Program, 22,751 persons in the group life plan and 3,111 in the Life Benefit Plan.

In North Carolina, there are 2,787 staff members of 2,196 churches and associations in the Retirement Program and 2,491 in the Family Benefit Section, 1,275 in the Age Security Section and 240 in the Variable Benefit Section. (Plans A, B, and C, above).

In the Pee Dee Baptist Association, 22 persons from 20 churches and the association are in some part of the retirement program.

The Board paid $17,138,343 in benefits to 11,925 widows, retired or disabled members in 1976. During its 59 years of service, the Board has paid more than $158,000,000 in retirement and protection benefits.

For almost 45,000 members, the Board held in trust funds totaling $472,218,669 for retirement benefits for the year ending 1976.

An increase in the interest rate used for figuring retirement benefits resulted in most members receiving larger checks beginning January 1, 1977. A 13th check, amounting to one month's income, was mailed for the eleventh time to annuitants. The combined amount of this extra benefit was $830,525.

A new retirement program will go into effect January 1, 1978. Pastors and Churches are urged to look into this new plan and compare it with what their present program offers. Generally speaking, it will be more to the benefit of those under 35 years of age to enter the new program.

In today's economy, pastors and other staff members need all the retirement coverage they and the churches can afford. Nearly half of our churches offer no retirement protection for their pastors and staff members and several of the others offer only the minimum protection. We call upon the leaders of our churches to become concerned about providing more adequate protection for their pastors against the day when either age or disability will force them to retire from the active ministry.

Report No. 25 1977 BAPTIST HOSPITAL REPORT

The beautiful stained glass window in the front of Davis Chapel at Baptist Hospital has three large panels, each depicting an aspect of Christ's ministry: healing, teaching, and preaching. The window serves as a reminder to the staff that Baptist Hospital has also been commissioned to this threefold task.

The hospital's primary task, obviously, is healing and it attempts to obtain and use the best personnel and equipment available for the healing task. The medical staff consists of competent, dedicated men and women in all the various specialties of medicine. Persons with rare and complicated medical problems are referred to Baptist Hospital by their family physicians for treatment. Last year 158,863 visits were made in the hospital's Outpatient Department and the Bowman Gray Deparment of Clinics. There were 22,365 admissions to the hospital for a total of 193,942 patient days. These patients came from 90 counties in North Carolina, from 29 other states and from 3 foreign countries.

Baptist Hospital is also involved in teaching. In cooperation with the Bowman Gray School of Medicine of Wake Forest University, it helped to train 1,188 students last year for careers in medicine and allied health fields. In addition, there were 87 graduate students in the basic sciences. The hospital also provided clinical facilities for 483 student nurses from 3 nearby schools of nursing and for 120 students in other allied schools. The School of Pastoral Care last year enrolled a total of 75 students in various levels of Clinical Pastoral Education.

The hospital also has a preaching ministry. There is preaching in the formal sense at least four times a week in the worship services held in Davis Chapel. In a less formal sense, the Christian Gospel is proclaimed daily by staff, students, patients and others who witness to their faith in word and deed.

In all of these ministries, Baptist Hospital is mindful of its Christian heritage and its strong tie with the Baptist State Convention. This tie is maintained and strengthened through the services of capable, dedicated trustees who are elected by and are responsible to the Convention. The tie is also strengthened through the financial support from the churches; last year $294,324 was received through the Cooperative Program and $405,947 through the Mother's Day Offering.

Several members of the hospital staff have assumed active roles in denominational life at the association level and the state convention level, as well as in their local churches. For the past five years hospital personnel have assisted in Cooperative Program promotion in at least two associations each year. Staff members are pleased to do everything possible to strengthen the denominational tie, believing that this tie adds a dimension to the ministry of healing, teaching, and preaching.

Mother's Day gifts for the fiscal year ending June 30, 1977, were $411,225.56

compared to a total of $405,946.52 for the preceding fiscal year. Mother's Day gifts from churches in the Pee Dee Association increased to $3,689.23 from $2,327.09 last year.

Mrs. D. T. Memory, Representative
N. C. Baptist Hospital

Report No. 26 1977 STEWARDSHIP AND COOPERATIVE REPORT

The Bold Missions Thrust, which will be the major emphasis for both the Southern Baptist and the N.C. State Conventions for the next few years, calls for every member and every church to make a fresh commitment to the Lord and to the support of His work through our churches and around the world. Giving a Christian witness to every person in North Carolina and providing a New Testament church within reach of everyone will not be possible is we continue "business as usual".

Jesus said, "But you shall receive power when the Holy Spirit has come upon you; and you shall be my witnesses in Jerusalem and in all Judea and Samaria and to the end of the earth. This command of Jesus in Acts 1:8 clearly calls for boldness on the part of His followers. These words emphasize our commitment to missions and mission support.

II Corinthians 3:9, the apostle Paul says, "...We are laborers together for God". We must continually challenge one another as Baptists to minister in Christ's name through the Church, through the association, and through the Cooperative Program in Bold Mission Support of missions at home and around the world.

WE RECOMMEND THESE GOALS:

1. That every church challenge its members to give at least a tithe of their income through the church for the support of the local ministry and around the world.
2. That those churches that do not now give through the Cooperative Program, begin giving at least a tenth of the undesignated offering through the Cooperative Program.
3. That every church increase the amount given to the Pee Dee Baptist Association to 3% or more, or its equivalent in fixed dollar amounts.
4. That every church conduct a stewardship emphasis this year.
5. That an associational stewardship conference be held in order to assist churches in planning and conducting their stewardship programs.
6. That every church double Cooperative Program giving and associational missions support by 1982.

Mrs. E. D. Creech, Representative
Stewardship and Cooperative Program

Report No. 27 1977 NORTH CAROLINA BAPTIST HOMES FOR THE AGING REPORT

This past year has been one of the fullest and most exciting in the 26 year history of our Homes for the Aging. Some of the events that have made it so are:

* A ground-breaking service for the new Western North Carolina Baptist Home on the Pearson Estate, on Richmond Hill, in northwest Asheville, was held last October. More than a thousand people from our western North Carolina churches, plus many others from throughout the state, were present. It was a thrilling moment when trustees, staff and residents of the homes, pastors and other church leaders, took hold on a rope attached to a huge bulldozer, pulled together and helped to move the first dirt at the site, thus symbolizing the beginning of construction of your sixth Baptist Home for the Aging. Construction is now underway for this lovely Western North Carolina Baptist Home, which will initially accommodate 50 people.

* Another exciting venture is the construction of four duplex apartments at the site of the Hayes Home in Winston-Salem. These apartments will care for 16 additional persons and will be ready for occupancy in the fall of 1977. Sixty -six more people will be served in our Baptist Homes ministry in the next two years.

* Gifts from our Baptist people have been very encouraging during the past year through the Cooperative Program and through the February offering. These sources supply 35% of the total budget of the Homes and are used continually to supplement the care of the majority of the residents who cannot pay their full cost of their care. They are love gifts indeed and are a life-line for those whose needs could not be met without them.

The needs of older persons in our society today are great and are increasing year by year. Plans are in the making for an accelerated ministry in our North Carolina Baptist Homes that will touch an ever increasing number of older persons.

These plans will call for a greater concern and commitment on the part of North Carolina Baptists than ever before. The future of North Carolina Baptist Homes for the Aging is as bright as the promises of God, and, in that future, the Lord, and these older people in our midst, will be looking to you to share in meeting the needs as we reach out and serve more of these dear ones who desperately need our help.

Billy Rivers, Representative
North Carolina Baptist Homes for the Aging

Report No. 28 REPORT OF THE RESOLUTIONS COMMITTEE

Be it resolved that we, the Messengers present at the One Hundred Sixty-Second Annual meeting of the Pee Dee Baptist Association, express our appreciation and gratitude to the following persons who have helped make this one of the best annual meetings we have had.

To the Pastor, Wayne Tuttle, and people of the Pine Grove Baptist Church, Rockingham, for permitting us to use their facilities; the choir so ably directed by Elwin Eaddy, accompanied by Mrs. Bobby Butler, organist and Mrs. Elwin Eaddy, pianist; and to those who served so efficiently on the Enrollment Committee.

To the guest speakers, Miss Sara Ann Hobbs, Director of Estate Planning, Baptist State Convention of N.C.; Dr. William Poole, President N.C. Baptist Homes, and Dr. Craven Williams, President of Gardner-Webb College.

Report No. 29 THE 1977 ASSOCIATIONAL CHRISTIAN HIGHER EDUCATION REPORT

Baptists of North Carolina are deeply involved in the ministry of Christian Higher Education through the support of six colleges and one university: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wingate and Wake Forest University. During the 1976-77 academic year, 13,733 persons were enrolled in the seven schools. The number graduating in May, 1977 was 2,493.

Many pastors, missionaries and other church vocation volunteers have received training at our Baptist colleges. A total of 846 persons preparing for church-related vocations were enrolled in North Carolina Baptist colleges in the fall of 1976.

A continuing concern of the colleges is the enrollment of more Baptist young people. Church workers are requested to encourage the youth from our Baptist churches to attend a Baptist college. During 1977, the pastors have given the names of more than 6,000 prospective students to the colleges through the Council on Christian Higher Education. Appropriate information has been given to these students by the colleges and by the Council office.

The majority of students attending one of our Baptist Colleges in North Carolina are dependent upon some form of financial help. All of our colleges stand ready to assist needy students. It is their desire to make available to them the educational experience at a Christian college. The purpose of the Father's Day offering each year is to provide aid for North Carolina Baptist young people. Students who need to apply for financial aid should make application to college early in the junior year of high school. Grants, loans and work scholarships are available for those who need them.

Our colleges wish to reaffirm their support and partnership in missions with the churches, and offer the services of faculty, students and otehr campus resources to make the Bold Mission emphasis of Southern Baptist a vital and successful ministry. In addition, North Carolina Bapitst Colleges continue to be appreciative for generous financial support through the Cooperative Program.

L. A. Faulkenbury, Representative

PASTORAL MANUAL ON PROCEDURES

1. PROCEDURES FOR SELECTING CHURCH MESSENGERS.

A. ASSOCIATIONAL Churches of 50 members or less shall be entitled to 3 messengers. One additional messenger shall be allowed for each additional 50 members or major fraction thereof, provided no church shall be entitled to more than 10 messengers. These shall constitute the voting body of the Association. Each church is entitled to have it's pastor and two lay representatives (elected by the church) on the Associational Executive Committee.

B. BAPTIST STATE CONVENTION Each cooperating church is entitled to be represented at the North Carolina Baptist State Convention by 2 messengers. For each 100 members or major fraction thereof beyond 100 members the church can have an additional messenger. No church shall have more than 10 messengers. A church with a membership of 150 can have 3 messengers, etc. Each messenger must have a registration card signed by the church moderator stating he is a messenger. These cards can be obtained either from the Associational office or from the Baptist State Convention office in Raleigh.

C. SOUTHERN BAPTIST CONVENTION Each cooperating church is entitled to one messenger to the Southern Baptist Convention. For every 250 members or for each $250.00 paid to the work of the Convention during the fiscal year preceding the annual meeting the church can add one member. No church can have more than ten (10) messengers. Each messenger must have a messenger Registration Card signed by the church moderator or clerk to register. These cards can be obtained from the Associational office or from the Baptist State Convention office in Raleigh.

2. PROCEDURE FOR ADMISSION TO THE CHILDREN'S HOME

The piedmont area of the state is in the process of being redivided along different lines than at present. For information as to who will handle our applications, call the Thomasville office of the Children's Home (476-6183).

When either a pastor, relative, friend or social service agency contacts the Home, a professionally trained caseworker will make a thorough study of each situation to determine the extent of need and the best possible plan for the child and his family.

* Pre-school children are normally cared for in Foster Homes.

* School age children are cared for through one of a variety of services according to need. Usually this will be either the use of a Foster Home or placement in one of the Children's Homes.

* Children are accepted from pre-school age up to and including (special cases) high school seniors.

* The stay at the home is for as long as necessary; usually until the development of some other plan; or to the completion of high school. In cases of special need, even beyond high school.

* At the present time the program is not able to care for the physically handicapped, the mentally retarded, or the severely emotionally disturbed.

3. PROCEDURE FOR ADMISSION TO THE HOME FOR THE AGING.

(1) The pastor should write: Dr. William A. Poole, Supt., N. C. Baptist Homes, Inc., Reynolds Park Rd., Winston-Salem, N. C. 27107, for application forms, giving as much information on the applicant as possible. An applicant must be at least 65 years of age, in reasonably good mental and physical health. The homes lack the staff and equipment to take persons directly into the nursing care facility, but once they are admitted to one of the homes, they will be given nursing care for the rest of their life, if it becomes needful.

(2) Mail the completed application to Dr. Poole. The applicant will then be contacted and a visit arranged with Dr. Poole and with the Head Nurse in Winston-Salem. Mr. Poole explains the ministry of the homes and the Head Nurse reviews the applicant's medical history. If the applicant's health permits, the applicant is approved very shortly.

(3) The applicant is notified of approval and he or she is received into one of the homes as soon as there is a vacancy, to receive tender loving care for the rest of life.

(4) During the applicant's visit to Dr. Poole's office in Winston-Salem, financial arrangements are discussed and counsel is given concerning any assistance program that is available and how the homes are supported in part through the love gifts from Baptist churches. Before the arrival of teh resident, a letter will be sent explaining in detail the financial arrangements. No one is ever excluded from a Baptist Home for lack of funds!

4. PROCEDURE FOR ADMISSION TO THE MATERNITY HOME

Contact Dr. W. R. Wagoner, Children's Home, in Thomasville (1-476-6183). He will put you in touch with a professionally trained caseworker who will call upon the girl and her parents to determine the needs of a particular case.

The average stay in the Home is 3½ months. Exceptions are made to this - both longer and shorter periods of time.

There is some cost involved. Some are able to cover the entire cose of their stay, others are not. Money is not the important concern - the girl is.

State Maternity Home Funds are available through the Dept. of Social Services for every girl who uses the services of a maternity home. These funds are requested through the Dept. of Social Services.

The girls, if they are in school, have a special program whereby they are able to continue their studies while at the home. Grades are transferred through the Asheville school system without reference to the Maternity Home.

5. PROCEDURE FOR ADMISSION TO THE BAPTIST HOSPITAL

(1) The patient's local physicial contacts one of the Baptist Hospital's physicians or clinics to make an appointment for medical referral. If you have a question about scheduling an appointment, call the Outpatient Dept. Appointment Section (1-727-5375).
(2) If the Baptist Hospital physicial considers it necessary or advisable to admit the patient to the hospital, he contacts the pre-admitting office and requests a bed. On the basis of the physician's diagnosis and prescribed treatment, the length and cost of hospitalization are estimated.
(3) The pre-admitting office contacts the patient, or patient's family to obtain necessary date, including financial data. This information indicates patient's hospital insurance and/or personal resources; eligibility for third party sponsorship.
(4) The patient is told the estimated hospital bill, how much is expected from insurance or sponsoring agency, and the "out-of-pocket" difference, if any, for which he is responsible. This difference is due upon admission. (Exceptions to the pre-payment plan are made for emergency and continuing care patients).

Our business office has trained, sympathetic financial counselors whose services are available to any patient who needs them and desires them. They are familiar with various sources of financial aid, the qualifications for obtaining them, and the procedures to follow in making application. Almost any patient who will cooperate with them can find financial help with hospital expenses, if his need is genuine.

6. LOANS FOR BAPTIST COLLEGE STUDENTS

Many of our Baptist Colleges make scholarships available to Baptist students. Write directly to the college for information on these scholarships.

There is a fund available through which loans are made available to Baptist Students whose residence is Virginia or North Carolina and the student is attending a Baptist college in Virginia. Write: The Charles B. Keesee Fund, Martainsville, Va., for information and loan forms.

7. PASTORS LIBRARY SERVICES

John Louis Kesler Library

A special service is offered to Rural Ministers. The John Louis Kesler Circulating Library makes available 50,000 volumes on a lending basis to ministers.

Who May Borrow? - Any minister in the South, irrespective of denominational affiliations, who signs the application card is eligible for this service. Annotated book lists are mailed regularly to all ministers who are active borrowers. This service is not available to students in colleges or seminaries. It is expressly designed to benefit ministers who cannot find needed material in the local library.

How to Borrow - Each borrower is asked to submit a list of several books he desires, arranged in order of his preference. He will be sent the first book (or books) available from the list. When these are returned others will be mailed.

Books may be kept for three weeks and are subject to one renewal upon request, if not in demand elsewhere. The only expense to the borrower is return postage. This is a nominal fee since the books are sent by library rate.

To Obtain Service:
Write: Kesler Circulating Library, Joint University Library Building, Nashville, Tennessee 37203.

REV. AUSTIN LOVIN

BIOGRAPHICAL DATA

Mr. Lovin is a native of Georgia, but his family moved to Greensboro, N.C. when he was 10 years old. He is a graduate of Mars Hill Junior College, Wake Forest College and Southern Baptist Theological Seminary. He studied church administration and religious education at Southwestern Baptist Theological Seminary for a year and completed a six weeks' pastoral counseling course at Immanuel Hospital, Portland, Oregon. He pastored in Virginia, North Carolina and Tacoma, Washington, before becoming an Area Missionary in Oregon under the SBC Home Mission Board in 1959. He remained there until coming to the Pee Dee Association May 1, 1970. He has been a director of SCRCOSOP, Inc. (a volunteer organization working on behalf of older adults) since its beginning in 1972. He was treasurer of the State Directors of Missions Conference this past year.

Mrs. Lovin is a graduate of Mars Hill Junior College and the WMU Training School, Louisville, Ky. (now Carver School of Missions).

Their son, Dennis Austin, is associate pastor and minister of music for the College Park Baptist Church, Mesa, Ariz., where he lives with his wife and their two children.

Constitution

PREAMBLE

We, members of Baptist churches in Richmond and Scotland Counties, State of North Carolina, do hereby propose to establish and maintain the order and rules of an Association in conformity to the following plan:

ARTICLE I - NAME

The name of the association shall be the Pee Dee Baptist Association of North Carolina.

ARTICLE II - PURPOSE

The purpose of the Association shall be to promote Christian fellowship and cooperation among the churches affiliated with it; to uphold the doctrines and principles of our Baptist faith and to encourage the churches to be loyal to and practice those doctrines and principles; to promote the preaching and teaching of God's Word; the enlisting and training of all Christians for service; to promote missions, benevolences, stewardship, Christian education, and the winning of all men to Christ to the ends of the earth.

ARTICLE III - MEMBERSHIP

Section 1. The Association shall be composed of the officers of the Association, and pastors and messengers from churches affiliated with it. Affiliated churches shall be those which continue Baptist in faith and practice, and that cooperate with the Association, and that support the Association and the agencies of the State and Southern Baptist Convention.

Proceedings

OF THE 163RD ANNUAL MEETING OF THE PEE DEE BAPTIST ASSOCIATION OF NORTH CAROLINA

Monday Evening - October 16, 1978
Stewartsville Baptist Church, Laurinburg, N.C.

The One Hundred Sixty-Third Annual Meeting of the Pee Dee Baptist Association convened at the Stewartsville Baptist Church, Laurinburg, Monday evening, October 16th, 1978. The first session was called to order by the Moderator, Rev. Wayne Tuttle, pastor of the Pine Grove Baptist Church, Rockingham, N.C.

Mr. William S. Caudle, Jr., Minister of Music and Education of the Second Baptist Church, Hamlet, N.C., led the congregation in the singing of the hymn "O For a Thousand Tongues." Mrs. Clarence Collier, organist for the host church accompanied.

The Moderator called upon George Hollifield, pastor of the North Laurinburg Baptist Church to lead in prayer.

The host pastor, Robert Rea, welcomed those present as guests of the Stewartsville Church - the first group to use the facilities of the new and beautiful sanctuary recently dedicated.

The Enrollment Chairman, Mrs. A. E. Wilcox, reported that the present registration figures were 73 messengers, 28 non-messengers and 8 visitors for a total of 109 at that time.

Dr. Billy Rivers, pastor of the First Baptist Church, Hamlet, N.C., made a motion that the present messengers plus those who will register as messengers in the next sessions constitute the governing body of the Associational annual meeting. Motion was seconded by Gary Williams, pastor of the McDonald Baptist Church, Rockingham, N.C. and carried.

The order of business report was given by Dr. Lamar Brooks, pastor of the First Baptist Church, Laurinburg, N.C., and parliamentarian for the Association. He noted that the program had been planned as in previous years to include reports of the various agencies of the convention, in written form, and in accordance with pattern established several years ago, there will be representatives of three of the agencies of the Baptist State Convention to give inspirational, informative messages.

Dr. Brooks made the motion that the printed order of business as it appears constitute the order of business for this annual session. Mrs. Ed Creech, member of the First Baptist Church, Laurinburg, N.C., seconded the motion and the motion carried.

Mr. Tuttle recognized the following new pastors who have come to this area since the last annual meeting:

William Davis	East Rockingham
Wayne VunCannon	Cordova
George Hollifield	North Laurinburg
John Jernigan	Hoffman-Marston

Gary Williams	McDonald
David Chriscoe	Pleasant Hill
J. C. McQueen	Saron

The Moderator welcomed these pastors to the association and pledged the support of their ministry as God has called them to do His Work.

Mr. Tuttle recognized the visitors present, including Rev. Calvin Knight, Director of Church and Community Relations, North Carolina Baptist Hospital, Winston Salem, N.C.

The Moderator announced the passing of the father of Rev. Bill Kearse, pastor of the Crestview Baptist Church on Sunday October 15th. Mr. W. S. Kearse was a member of the Cordova Baptist Church and Mr. Tuttle asked the pastor of this church, Wayne VunCannon to pray for the family after a period of silent prayer.

Mr. Tuttle asked the Vice Moderator, Rev. Jerry Townsend, pastor of the Beverly Hills Church, to assume his role as Moderator. The session was blessed by the beautiful rendition of the anthem "God So Loved the World," led by their choir director, Mr. Roy Guenin, of the host church.

Mr. Townsend introduced Mr. Tuttle who brought the Moderator's message. His text was Exodus, Chapter 36 and he challenged the churches to reach out in the areas where they are to minister to the lost and unchurched in Richmond and Scotland Counties. He related the experience of Moses and the Israelites who built the Tabernacle. The people gave so much that Moses had to call a halt to their giving for they had more than they needed. Everyone gave - everyone gave what they had - everyone gave their best and gave in response to the Grace of God.

The Moderator asked that we get on fire for the Lord to win the two counties for Christ - to give more to mission programs that the work of the association could be extended to meet the many needs so urgent in this area.

Reports were submitted at this time as follows:

THE CONSTITUTION COMMITTEE REPORT was read by Mr. Tuttle. The report was received as information to be voted upon by the messengers during the third session.

THE MISSIONS COMMITTEE REPORT was shared by Mr. Townsend and read as information only. He called attention to the items concerning the Director of Missions, Austin Lovin and the recommendation of calling Rev. Cass Vincent as the new Director of Missions.

In June 1978, the Missions Committee met and recommended proposed salary changes to the Finance Committee for the Director of Missions and the Secretary.

On July 18, 1978, at the Executive Committee meeting, Mr. Austin Lovin submitted his resignation as the Director of Missions, effective December 31, 1978. There was a called meeting of the Missions Committee immediately after the Executive Committee meeting, for the purpose to initiate plans for securing a new Director of Missions.

The Missions Committee members were invited to meet with Dr. Howard Ford, Director of Missions of the North Carolina Baptist State Convention on July 25, 1978, as suggested by the Guidelines for the Director of Missions of the Pee Dee Baptist Association.

At the Executive Committee meeting on July 18, 1978, the Missions Committee was instructed to arrange an appropriate recognition for Mr. Austin Lovin for his helpful services to the Pee Dee Baptist Association.

The Missions Committee recommended, at the Executive Committee meeting on September 26, 1978 that the association pay Mr. Austin Lovin's medical insurance until he reaches 65 years old, which would amount to approximately $800.00 to $1,000.00 dollars. The recommendation was seconded by Rev. Robert Thurkill, and it carried.

Also, the Missions Committee recommended that the churches of the association be encouraged to take a "love offering" for Mr. Lovin, and it be sent to the associational office by December 1, 1978. The recommendation was seconded by Mr. D. D. Brown, and it carried.

The Missions Committee met numerous times and considered many prospective candidates for our new Director of Missions. After much prayer, the Missions Committee felt that two men were very knowledgeable and capable for the position. It was agreed that a personal interview with each would be helpful in determining God's will.

After interviewing both men, the Missions Committee felt so impressed with Rev. Cass Vincent, that he was God's man for our Director of Missions, a motion was made by Mr. Clarence Collier that we extend a call to Rev. Cass Vincent to become our Director of Missions, effective December 1, 1978. The motion was seconded by Mr. Robert Sanford. After much favorable discussion, the vote was unanimous.

The Missions Committee, at the one hundred sixty-third Annual Meeting of the Pee Dee Baptist Association, on October 16, 1978, recommends to the messengers of the Pee Dee Baptist Association that we employ Rev. Cass Vincent to be our Director of Missions, effective December 1, 1978.

Mr. Townsend stated that the Missions Committee recommended the calling of Mr. Vincent and so moved. Mr. Roy Guenin seconded the motion and the motion carried. Mr. Vincent will assume duties December 1, 1978.

SAMARITAN COLONY REPORT is printed as information. The Director, Mr. Eugene McNair stated that the Colony is open 24 hours a day and expressed sincere disire that churches bring those who need help to the Colony for assistance in overcoming this problem through counselling, rehabilitation services along with coming to know the greatest healer, Jesus Christ. The ministry is not an official part of the work of the Association, but it is a Christian Ministry to alcoholics that helps all of us indirectly.

REPORT FOR 1978

This past year was a year of increasing prices on essential items used at Samaritan Colony. It was also a year when our elected officials opened a way for greater alcohol consumption in our State. We are now seeing money being poured into the wet movement by big liquor industry, to assure a victory at the expense of man's very soul.

Even though prices have increased, and the evil forces are hard at work, there is also another power at work, and this power is seen through the lives of Christians as they stand for God. This stand is evident by the financial support given to the Samaritan Colony and others who reach out to the down and out with love and compassion. This past year Samaritan Colony spent $68,488.00 in rehabilitation services. This money was given out of Christian love from agencies, churches, and individuals. Eighty nine men went through the Colony this year while many others received counseling and other services. Many of these men today now belong to God, and are living a life style free of alcohol. This new life was made possible through your gifts, and at this time we say **thank you, thank you, thank you.**

We are closing our report with a copy of a letter from a Son to his Father. This father was a patient at Samaritan Colony when this letter was received, and is as it was written.

Dear Daddy,

Me and Grandaddy made it back home safe we got to the house about seven thirty I forgot all about mama's cake plate, We'll get it the next time we come up. And I hope you get better and stop drinking. I know that place is helping you a lot because I can tell by the way you have been acting. I know you can stop drinking if you just tried hard enough. You have been a good father to me and all the rest of us except when you were drinking, we just couldn't take it when you were getting drunk because you would do things you didn't even know you were doing, but now you look better than you ever looked in a lot of years, and I just hope you will change your life and get straight and get you a good job because we know you can do that if you tried hard enough you could do it. We all love you very much and we just hope you stop drinking and get better and then we can start all over again and do the things we like to do like go hunting, fishing and a lot of other things. We could all have a good time together because we are a family and thats the way we want it to stay.

Love
I love you very much!

PRISON MINISTRIES REPORT

Mr. Elwin Eaddy, Chairman of the Prison Ministries Committee, offered his report as information expressing appreciation for all that had been done to assist at the Prison Unit. He introduced Luther Garner, Chaplain at the Prison since June, who reported increased attendance at services being held with several men being won to the Lord. Mr. Eugene McNair had been serving as Chaplain through the month of May.

Mr. Tuttle noted that a work at the Cameron Morrison Prison Unit is being conducted among women prisoners by women of our churches. As far as can be determined, the first Baptist Young Womens organization has been estabished there - the only such group in a prison unit in the history of Southern Baptist work.

The Associational Prison Ministry began on January 3, 1978 with Rev. Eugene McNair as Chaplain. Rev. McNair served until May. He established a very successful program. Mr. Luke Garner became Chaplain on August 1, 1978. This has become a very successful program of counseling. Mr. Garner has set up religious services on Tuesday with Pine Grove, Bethel, Faith and Temple Baptist churches conducting a worship service at night. On Thursday night Beverly Hills, Full Gospel, Maple Street are leading in a worship service. Sunday Morning Sunday School and Worship Services are held and a Sunday Afternoon Bible Study is being held.

Devotional services are being held by local Gideons for the men at Cameron Morrison. On August 18, 1978 at the request of Rev. Luther Pike, Chaplain at Cameron Morrison Youth Complex, Juanita McGowan, Associational WMU Director, and Inell Allen, Associational BYW Director, met with him, the superintendent, activities director and volunteer coordinator to discuss WMU involvement at the minimum security unit.

There are presently 25 girls at the unit. 100 are expected by the end of the year. The girls between ages 18 and 21 have been picked for their rehabilitation potential and will soon be released into society.

The aim of WMU is to show them love and to help them to adjust to the community. The WMU will help the girls through Bible Study and Mission

Action. The girls will also have the opportunity to contribute to others through mission action involvement. For the first time, many will experience, "it is more blessed to give than to receive." Acts 20:35.

Ladies from Beverly Hills Church and Rockingham First Baptist Church are teaching Sunday School at the unit on Sunday mornings.

Inell Allen is organizing a Baptist Young Women Group. Contempo, the BYW magazine, has been ordered to be distributed each month at the complex. The women will use the Bible Study program each month. The girls will be engaged in mission action for the community. A woman from Crestview, one from Cordova and two from Pine Grove have expressed interest in this ministry.

Some music programs are being organized to start soon.

Women at Hamlet Second Baptist Church are making plans to do several types of mission action at the minimum security unit.

September 19 at the Associational WMU Leadership Conference, Cassandra Lanier, volunteer coordinator at Cameron Morrison told WMU directors and Baptist Women about the girls. Bea McRae, State WMU exectuive and Associational director, told the women how they could minister to the girls. Mrs. McRae is experienced in prison mission action.

More volunteers are needed for the prison ministry. Any BW or BYW called to this field (Matt. 25:31-46) should call Cassandra Lanier at 281-3123 Ext. 56 for an appointment. She shoudl have a plan of action to be approved by the unit officials.

Inell Allen has started an associational clothes closet for the young women at the youth complex.

CAMPUS MINISTRY REPORT

Dr. Lamar Brooks reported that the Campus Ministry committee would be elected at the second session.

He introduced Mr. Winston Hardman, who is now serving as Baptist Campus Minister at Pembroke State University. Mr. Hardman spoke of the need to serve and witness to all students, many of whom forget about religion when they go from home. He stated he would be visiting pastors during the months ahead so that he can make his ministry more effective to young people from our churches while they are in college.

The following appointments were made by the Moderator:

A. ENROLLMENT (REGISTRATION) COMMITTEE
Mrs. A. E. Wilcox, Chairman
Mr . John Strickland
Mrs. Vivian Cavazos

B. TIME, PLACE AND PREACHER COMMITTEE
Fred Nordan, Chairman
Don Malpass
Lester English

C. COMMITTEE ON COMMITTEES
Clinton, Bailey, Chairman
Madison Gammons
Glen Moree
A. C. Corder
Mrs. Gary Williams
Mrs. A. A. Williams

THE EXECUTIVE COMMITTEE REPORT was given by the Associational Clerk, Mrs. Austin Lovin of the Second Baptist Church. Dr. Brooks called attention to the change to be effective next year concerning the annual sessions. The Sessions will be two afternoon-evening meetings from 4:30 - 6:00 p.m., followed by an hour for supper and evening sessions from 7:00 - 9:00 p.m. in lieu of morning meetings.

Mr. Tuttle asked for better attendance at the Executive Committee meetings stating that each church was entitled to three people on the committee - the Pastor and two lay persons.

The Executive Committee had it's four regularly scheduled meetings during the year and approved the following motions:

JANUARY 17, 1978

Approved a motion by Billy Rivers requesting the Missions Committee to bring another report concerning an increase in Mr. Lovin's travel allowance to the April meeting. (The Missions Committee had reported that there was not enough money available in January to permit such an increase.)

Heard a report from Elwin Eaddy, Chairman of the Prison Ministry Committee, stating that Rev. Eugene McNair had been secured as part-time chaplain to the Richmond County Prison Unit. He would be paid $300.00 a month, with the State Convention giving $2,400.00 of this, with the balance of $1,200.00 coming from the churches of the association. The Moderator then asked the pastors to go back to their churches and tell of the work being done at the prison unit and see if 12 of our churches would contribute $100.00 each toward this year's cost.

APRIL 18, 1978

The Missions Committee reported that the associational finances did not yet allow room for an increase in Mr. Lovin's travel allowance. Mr. Lovin (who had not asked for the increase) agreed and asked that the matter be dropped, thanking the committee for the spirit behind the proposal.

The Seminary Extension Committee reported that Rev. Carl Lewis had agreed to be Director of the Associational Seminary Extension Center and that they were seeking Dr. Byrns Coleman, of Wingate College, as teacher for a study of the 1979 January Bible Study Book (the Gospel of Mark) to be offered this fall.

The Moderator emphasized the importance of the Special Offering for Prison Ministry, May 14-19 and asked the churches to support it. Envelopes and bulletin inserts are being prepared for use by the churches. (Explanation: a special offering during the Week of Prayer for Associational Missions had been chosen as the best way to raise the $1,200.00 needed for prison ministries).

JULY 18, 1978

The Seminary Extension Committee reported that plans were now completed for a study of the Gospel of Mark this fall. The Teacher will be Dr. Byrns Coleman. The study will be for 9 Tuesday nights, beginning Sept. 12, from 7-9 p.m. The approximate cost will be $22.00, including a copy of the Broadman Commentary on Matthew and Mark. Some scholarships will be available through the State Convention for those unable to pay the full cost.

The Nominating Committee submitted the following persons for approval:

Church Training Director	Robert Rea
Brotherhood Director	John Freeman
Historian	L. H. Williamson

Clerk .... Mrs. Ruth Lovin
WMU Director .... Mrs. Juanita McGowan
Parliamentarian .... Lamar Brooks
Treasurer .... Bill Thompson
Auditor .... T. Glenn Long
(nominees for Sunday School and Church Music Directors were not presented)

Accepted Mr. Lovin's letter of resignation as Director of Missions, effective December 31, 1978. (Mr. Lovin explained in his letter that he was retiring early because of helath reasons and this advance notice was to give the association more time to secure a successor). The Missions Committee was asked to begin its search right away.

Approved a motion that the Missions Committee be empowered to arrange for an appropriate recognition of Mr. Lovin during the Annual Meeting for his services these past eight years.

Moderator Tuttle reported that Mr. Lovin had used up his sick leave and vacation time during his illness and asked for directions about continuing his pay until he returns to work. A motion was made and seconded that he be paid for this week. This motion was amended to pay him in any event until his retirement. The amended motion was seconded and approved.

Approved the 1978-1979 Associational Budget, recommended by the Finance Committee as printed. (copies had been given to all present). This authorizes it to be printed in the September Newsletter and then be voted upon at the Annual Meeting in October.

Approved the following recommendations of the Order of Business Committee:

1. That the 1978 Annual Meeting be held Monday evening, October 16, from 7-9 p.m.; Tuesday morning, October 17, from 9 a.m. until 12 noon and Tuesday evening, October 17, from 7-9 p.m.

2. That the 1979 Annual Meeting be held on Monday and Tuesday, October 22 and 23, 4:30-6:00 p.m., followed by an hour for supper and an evening session from 7-9 p.m., instead of having a morning session.

SEPTEMBER 26, 1978

The Nominating Committee submitted the following persons for approval: Alton Coble, Assoc. Sunday School Director and Bill Caudle, Assoc. Music Director.

Approved a motion by the Missions Committee that the Association pay Mr. Austin Lovin's medical insurance until he reaches 65 years of age. The amount will be about $800 for the 17 months involved.

The Committee voted to encourage the churches to take a love offering for Mr. Lovin and send it to the Associational office by Dec. 1, 1978. It was suggested that a Lovin Appreciation Day be designated.

After the Executive Committee Report, Mr. Caudle led in singing "I Stand Amazed". Mrs. D. T. Memory, N. C. Baptist Hospital Representative then submitted the Baptist Hospital Report, which was received as information.

Baptist Hospital continues to find ways of enlarging and improving its care of patients. During the past year, the Dept. of Family Medicine moved into new quarters. It is anticipated that with the larger area, they will provide primary helath care for over 5,000 families by 1980. Also, the teaching program for resident physicians in Family Medicine will increase to 36 positions by 1980. Many of these doctors are expected to enter family practice in North Carolina.

Other improvements in patient care include installing a whole-body scanner and the opening of new and larger facilities for intensive care and intermediate nurseries. The body scanner helps greatly in locating and defining problems like tumors in chest, abdomen and pelvic areas; determining the spread of disease from one organ to another and visualizing aneurysms in the abdomen. The new nurseries have already helped reduce the infant death rate and improving the chances of premature babies growing up without lasting effects from earlier medical problems.

A new Department of Patient Relations, with a full-time director, has also helped improve the quality of patient care. The primary function of this department is to respond to specific needs of patients regarding their hospital care and to seek to resolve problems and meet the needs of patients and their families. A closed-circuit TV system will soon carry the hospital chapel services and other devotional and educational programs to patient's rooms. This system will also be used in staff education programs. It was made possible by a gift from the estate of Miss Olivia Hall, who worked for Baptist Hospital for nearly half a century.

The Department of Pastoral Care continues to make a significant contribution to patient care as well as in clinical pastoral education, counseling and enrichment. Recently, the Department has begun a fourth Satellite Center in Charlotte, in cooperation with the Mecklenburg Baptist Association. In April, the Counseling Center received accreditation by the American Association of Pastoral Counselors.

In recent months, the Medical Center Challenge Program succeeded in oversubscribing its $18 million dollar campaign goal. The final project in this program will be replacing the original hospital building, opened in 1923, with a new Focus Building by 1980.

Following another beautiful selection by the Stewartsville Baptist Church Choir, Mrs. Memory introduced Rev. Calvin Knight, Director of Church and Community Relations for the Baptist Hospital, who spoke the three ways individuals and institutions can bear a Christian witness - by who we are, what we do and what we say. He emphasized that Baptist Hospital employees try to do all three.

The first session of the Annual Meeting was closed with prayer by Rev. Mike Stirk, pastor of the Faith Baptist Church, Rockingham.

TUESDAY, OCTOBER 17, 1978, MORNING SESSION AT THE STEWARTSVILLE BAPTIST CHURCH

The second session was opened with the singing of "Ask Ye What Great Thing I Know", led by Mr. William Caudle. Dr. William Leathers, pastor of the First Baptist Church, Rockingham, then led in prayer.

Rev. Wayne Tuttle, Moderator, called for the SUNDAY SCHOOL, VACATION BIBLE SCHOOL, CHURCH TRAINING, WMU and BROTHERHOOD reports, which were received as information. The reports are printed below:

1978 ASSOCIATIONAL SUNDAY SCHOOL REPORT
BY DON MALPASS, JR., ASSOC. S.S. DIR.

The continuing goal of the Baptist Sunday School is to establish God's people in the teachings of His Word and to be evangelistic arm of the church. Each church is responsible, under God, for this and the Associational Sunday School organization seeks to aid them in carrying it out.

The 1978 January Bible Study was on Exodus. Many helps were offered through the State Convention for training teachers for this Study.

Baptist Doctrine Week was promoted in April. The Theme for the Adult Study was the Doctrine of Man.

Eleven or more leaders from our Association attended a special Key Leadership Conference at Ridgecrest on May 15-17, 1978. The Conference offered training for leaders in the how and why of our Bold Mission Thrust, which is the major emphasis throughout the SBC. Sunday Schools will be involved in this too!

The Associational Sunday School Leadership Workshops were held at the First Baptist Church, Rockingham, Sunday, Sept. 10, 1978, from 2:30 - 7:00 p.m. A snack supper was served for those attending.

1978 ASSOCIATIONAL CHURCH TRAINING REPORT BY ROBERT REA, C. T. DIRECTOR

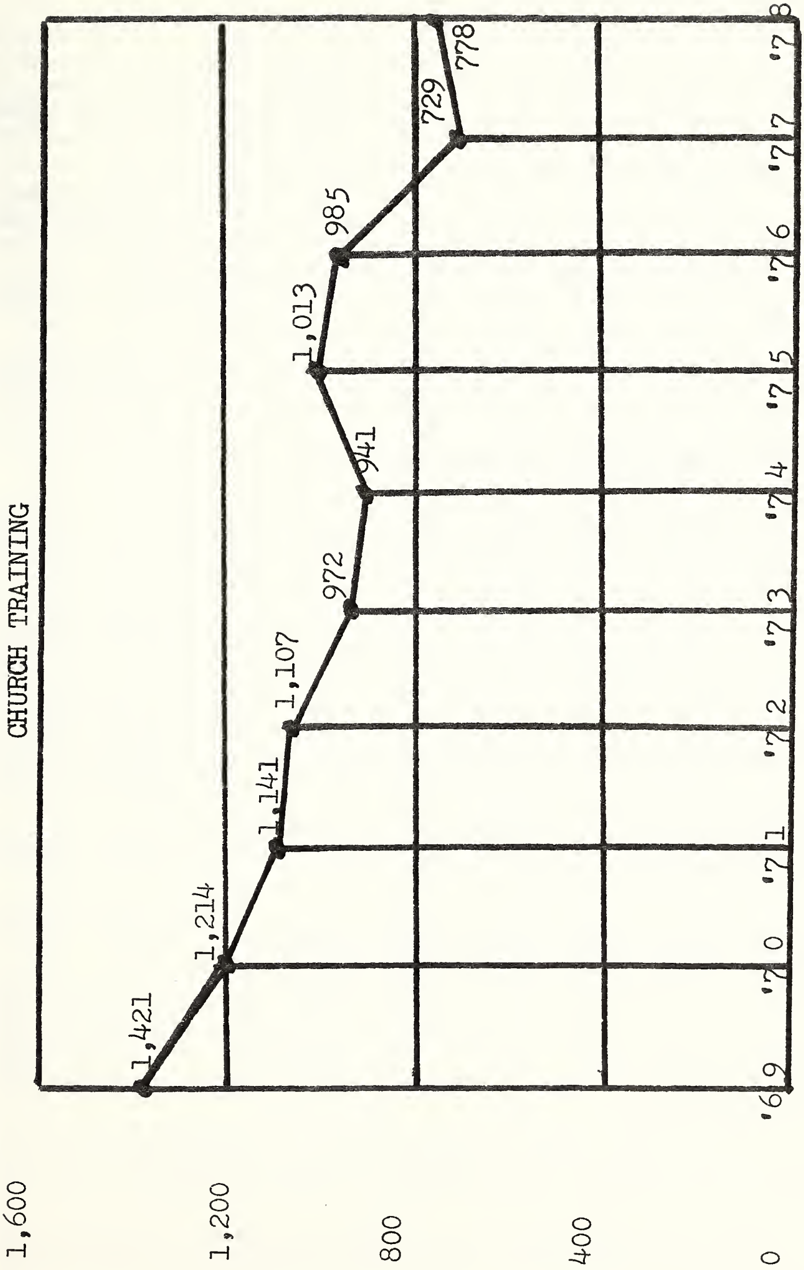
Church Training is a program designed to teach and motivate those who volunteer for service as teachers and leaders in our local churches. Since most Baptist churches depend heavily upon volunteers for getting our work done, there is a continuing need for an ongoing training program for those wish to serve.

The Association and State Church Training Department have a variety of materials that are available to help the local church in this vital area. We urge you to train the people of God and to let us assist in this effort.

East Rockingham Baptist Church was the host for Associational "M" Night, November 22, 1977. The guest speaker was Rev. Ron Prevost, professor in the religion department of Gardner-Webb College. He spoke on the challenge of the Bold Missions Thrust.

With our Bold Mission Program in full swing this new year provided a great opportunity to reach the world for Jesus Christ. Remember the Apostle Paul's challenge, "Do your best to win full approval in God's sight, as a worker who is not ashamed of his work, one who correctly teaches the message of God's truth" (II Timothy 2:15 TEV).

If we are to change the world for our Lord the training programs of our churches are essential. Train now to make yours the very best!



CHURCH TRAINING

1978 ASSOCIATIONAL WMU REPORT

The Associational WMU appreciates the opportunity to serve God and man through missions leadership. Five council members trained to lead and teach missions at Ridgecrest and 8 at Mundo Vista. The present director also attended the State WMU Conference, State Key Leadership Conference and State Baptist Convention. Many churches groups and lives were touched through the WMU Council.

1. Juanita McGowan, WMU Director, and Mattie Hudson, Assistant Acteens Director, were volunteer missionaries in Indiana. They taught Vacation Bible School, gave tracts witnessed, spoke to WMU from 10 counties about Bold Missions and helped at an educational building construction.

2. The director held a WMU Conference at the Associational Key Leadership Bold Missions Rally, June 24.

3. The council provided studies for the churches. BYW had a mission study at Crestview. Acteen directors Judy Richardson and Mattie Hudson taught studies at Calvary for Mt. Olive, Midway, Ellerbe and Beverly Hills. Pat Peele and Vivan Cavazos taught the G.A. Home Mission Study at Pine Grove. Juanita McGowan taught the BW manual at Pine Grove and was on the Home Mission program at Laurel Hill and Pine Grove.

4. The Annual Associational WMU Meeting was at Hamlet First Baptist, April 11 with Dr. Marian Hume speaking about Bold Missions. The Annual Acteens meeting was Nov. 8 at Calvary. Sara Ann Hobbs was speaker at Roberdel Feb. 16 for BYW meeting.

5. Juanita McGowan planned bus trip for BW to a State Baptist Women Retreat at Caswell. She also went with BW from several churches on a bus to State WMU Conference.

6. Beth McDonald, BYW Director and Wanda Garris planned on all day BYW Prayer Retreat at Cordova. Missionary Charles Stephens was the speaker. Mattie Hudson and Judy Richardson planned an Acteen Day Camp; Pat Peele and Vivan Cavazos planned a GA Day Camp. Louise Shaw, Joyce Leach and Juanita McGowan worked with Missions Friends during the retreat. Abner Garris had planned activities for the RA boys.

7. Annual Leadership Conference was held Sept. 19 at Mt. Olive, Age-level conferences were held. A prison official and State WMU executive helped with WMU and BYW Conferences.

8. The WMU Director and BYW Director met with prison officials at Cameron Morrison Youth Complex to set up mission action for female inmates. Several projects were planned and started (See prison report).

9. Council assisted churches. Beth McDonald, Inell Allen and Betty Stirk helped with organization at Faith and Hamlet First Baptist. Louise Shaw helped with Missions Friends at Faith, Cordova and with Helen Ward. The council also provided churches with literature and tracts. Royal service was provided to Faith for several months.

10. Vivian Cavazos and Pat Peele attended G.A. Recognition Service at Beverly Hills, Juanita McGowan participated in a G.A. Recognition Service at Rockingham First Baptist. Beth McDonald presented a BYW Merit Award at Cordova.

11. The director visited Samaritan Colony, Care Inn and Glenwood Boarding Home with mission action projects and to inquire about needs and possible mission action.

12. She provided information and interpretation to WMU leaders and churches through a monthly column in the associational newsletter. She wrote 250 letters to leaders challenging them to make a Bold Missions Commitment. Inell Allen, Beth McDonald and Frances Caudle sent letters of information.

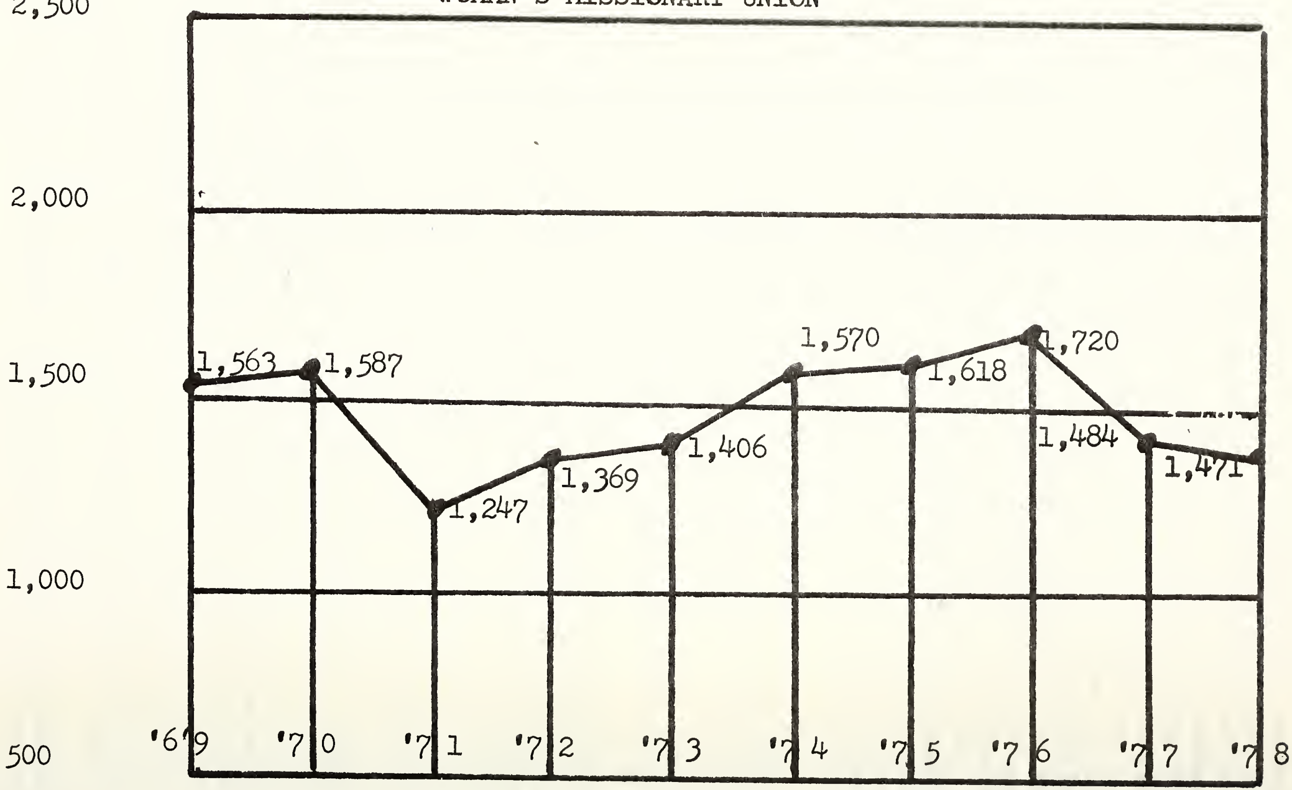
13. The director and Mattie Hudson told about Bold Missions to Midway, Hamlet First, Faith, Rockingham, First Churches. She and Inell Allen visited a BW meeting with a foreign missionary at Gibson. Counceil members heard missionaries from Rhodesia and Peru at Beverly Hills.

14. The director served as Assoc. State Missions Interpreter, and demonstrated lay witnessing and evangelism by leading four people to the Lord and witnessing to hundreds of others.

15. The Pee Dee Assoc. WMU has completed enough achievements to be recognized as a Distinguished WMU. The Recognition will be at State WMU Annual Meeting in March.

Note: Mrs. Dorothy Bell served as WMU Director from Oct. 1 to Feb. 2. She resigned to go to Panama with her husband who accepted the call to a church in the Canal Zone.

WOMAN'S MISSIONARY UNION



1978 ASSOCIATIONAL BROTHERHOOD REPORT

The Brotherhood is the missions organization for men and boys in Southern Baptist churches. Like the Woman's Missionary Union, it is made up of several age level groups. These are Baptist Men (for all men age 18 and over), and the Royal Ambassadors (for boys ages 6 through 17). The Crusaders is the RA organization for boys in the first through the sixth grade. The Pioneers is the RA organization for boys in the seventh through the twelfth grades. If a church has any one of these age level organizations, it has a Brotherhood.

The purpose of the Brotherhood is to teach men and boys about the World Missions program of Southern Baptist, to encourage them to support missions financially through their church as they give to the Pee Dee Baptist Association, the Cooperative Program and the various special missions Offerings promoted each year. A strong emphasis is also being made on involvement of lay volunteers in missions, in the association, in other parts of the nation and even foreign countries.

This has been a busy year for the Brotherhood, both in the association and in the churches. We participated in an Associational World Missions Conference, involving 22 of our churches, in October of 1977. Men have served as volunteer helpers in various phases of the prison ministry promoted by the Association. Men attended the Associational Foreign Mission Studies held in December of 1977 and the Associational Home Mission Studies conducted this past March.

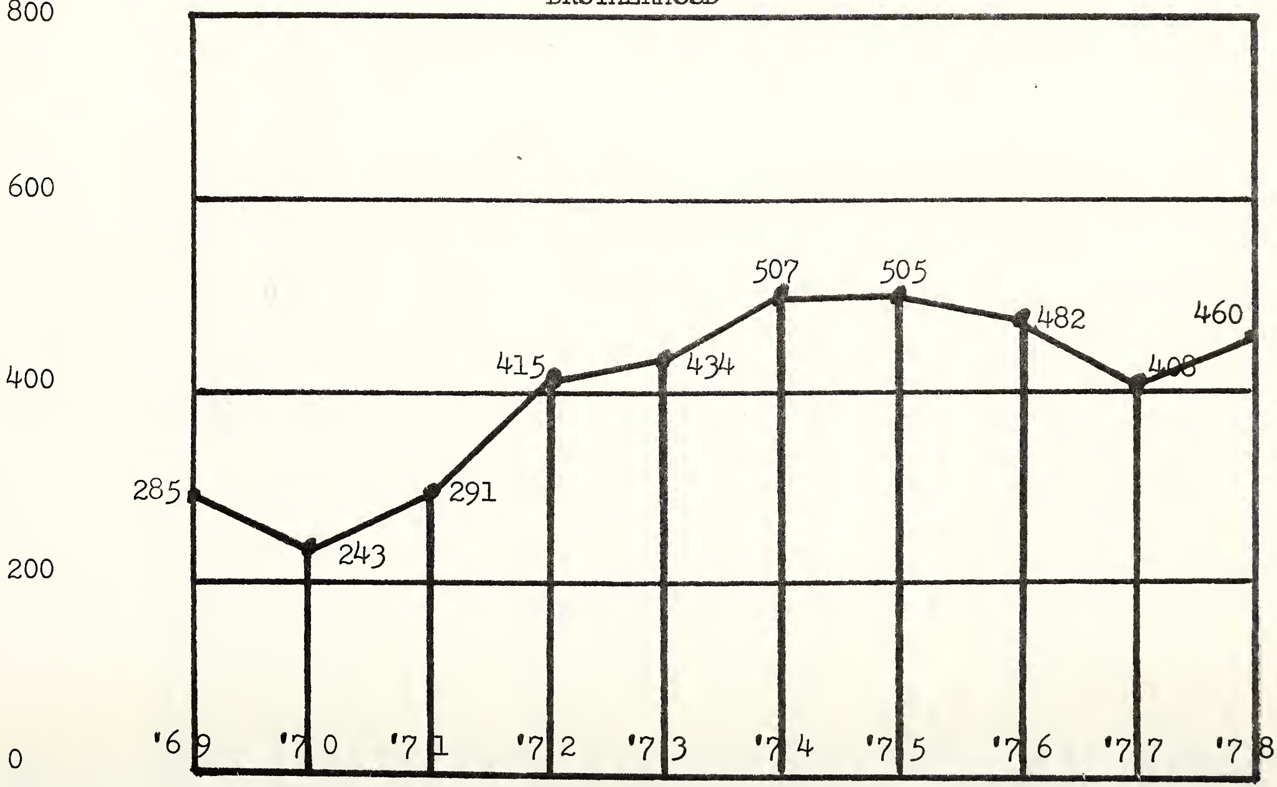
The BIG event for every Southern Baptist, both for the present and for the next several years, is our Bold Missions Thurst, involving goals of carrying the Good News of the Gospel to every person in the United States by 1982 and a mighty effort to extend that Christian witness to every person on this earth by the year 2,000. To meet the needs of such goals, we are being challenged to double our gifts to our churhces, the association and the Cooperative Program by 1982. Such an effort will also call for thousands of volunteers who will go at their own expense for a week, a month, or maybe even for a year or more, to work in some area where the Gospel witness is still weak.

Here in the Association, the Brotherhood has been involved, along with other church and associational leaders, in preparing for Bold Missions Thrust. We attended the Key Leadership Conference at Ridgecrest in May and Participated in an Associational Bold Missions Rally on June 24th. Several of our men were among those who went to Lafayette, Indiana in July to help build a church building and conduct Vacation Bible Schools. We also had as Associational Brotherhood Leadership Conference September 27th.

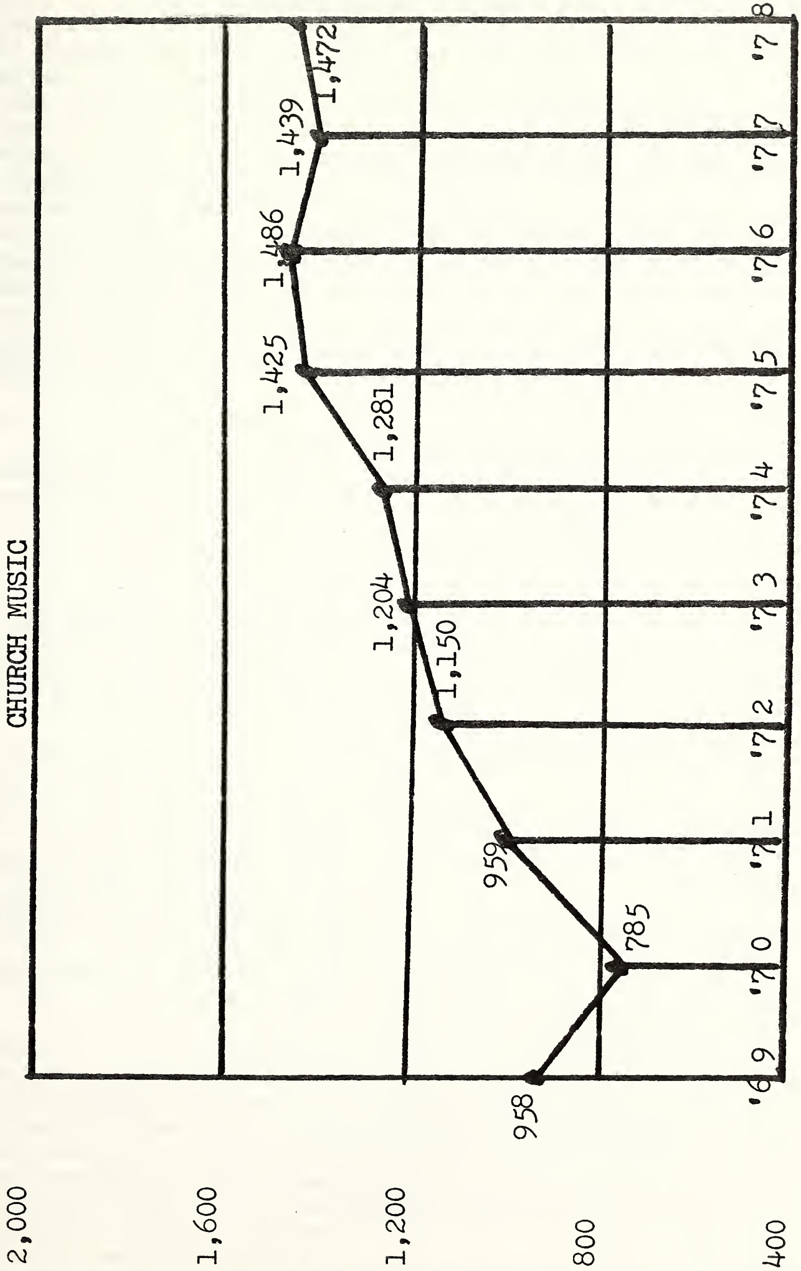
The Brotherhood shared in the promoting of the 1978 State Missions Offering. A team of State Missions Interpreters were trained and every church was offered the opportunity of having one come and explain the offering. Most of the churches accepted and the response has been good.

Our Associational Goal was $13,000 and a total of $9,000.00 has been reported.

This has been a good year for our Brotherhood work, but we look forward to an even better year in 1978-1979.



BROTHERHOOD



CHURCH MUSIC

After singing the hymn "He Keeps Me Singing" Mr. Tuttle introduced Rev. Austin Lovin, Director of Missions for the missionary message.

Mr. Lovin, recuperating from open heart surgery, was given a standing vote of appreciation for the work he has done during his years as Missionary. He expressed appreciation for the prayers of Christian friends during the past several months stating he believed he had been borne along by the prayers of Christians, especially those in the Association.

He spoke from 1 Corinthians the 3rd chapter particularly emphasizing Paul's statement. . . "I have planted, Apollos has watered but God gives the increase. . ." The message spoke of magnifying Christ - not ourselves; the role of missionaries and ministers as being instruments through who God works and labors together with God. Each has his God - given task to do. The field of service is the church - it is God's field, Christ founded it, died for it, loved it and the church is more important than any of us. He challenged the Association to accept the Bold Mission Thrust as God's plan to win the world to Christ. He asked that the Association give the new Director of Missions the same love and support as he had been given.

Mr. Lovin thanked everyone for the support they have given, are giving and will give to him during the closing days of his work as Missionary.

Mr. Tuttle announced to those present that Mr. Vincent had been notified he had been called unanimously as DOM effective December 1, 1978 and responsed with "Praise the Lord."

1978 ANNUAL REPORT
ASSOCIATIONAL DIRECTOR OF MISSIONS, AUSTIN LOVIN

We directed the Associational World Missions Conference, involving 22 churches in October 1977. We attended the October meeting of the Associational Executive Committee and the Annual Meeting.

Other meeting attended were: Pee Dee Baptist Pastor's Conference, Associational Children's Home Supper, State General Board meeting and State Convention, Associational Acteens meeting, Associational "M" Night, Associational Foreign Missions Studies. Pastors and Wives Christmas Banquet, WMU Christmas Banquet, January Bible Study Teacher Training, Wingate, State Directors of Missions Meeting at Southeastern Seminary, Civitan meeting honoring local ministers, State Chaplaincy meeting, State Evangelism Conference, Yokefellow meeting at Cameron - Morrison, Associational VBS Clinics, Associational WMU Annual mtg., Nat. Conference on Preaching and Associational Bold Missions Stewardship Conference for pastors and other key leaders from the churches.

I met with several pulpit committees and worked closely with the South Laurinburg Church while they were pastorless. I attended various associational committee meetings, had over 550 conferences and traveled over 10,000 miles on business. I attended regular and special services in 27 of our 38 churches and preached 11 times in 5 of them. I taught the January Bible Study for the North Laurinburg Baptist Church and the Associational Home Mission Studies in March.

I was a director and treasurer for SCRCOSOP, Inc. (a volunteer organization serving older adults); was secretary - treasurer for the Richmond County Ministerial Association; Secretary - Treasurer for the N. C. Directors of Missions Conference and the county committee seeking a hospital chaplain. I had the WAYN morning devotions one week, wrote numerous letters for associational work, helped prepare and distributed the Associational Directory and the Annual Minutes, as well as distributing the VBS church packets before the Associational VBS Clinics. The monthly Associational Newsletter is sent to over 950 homes. The Association graciously allowed us an extra two weeks' leave to fly to Portland, Oregon for our son's ordination in December.

Our work was cut short by a heart attack May 12, 1978. Hospitalization and surgery followed. Because of our deteriorating health, we submitted our resignation as your missionary, effective December 31, 1978, to the July meeting of the Executive Committee. Your very generous response and the love and concern for our well - being you have shown has endeared you to us forever!

Special thanks are due to Moderator, Wayne Tuttle, Jerry Townsend, Chairman of the Missions Committee, my secretary, Mrs. Joyce Rivers, and others who have willingly carried an extra load that the work of the association might continue despite my being incapacitated. Thanks also to pastors and churches for your prayers and encouragement during these days of uncertainty. God bless you!

The business session of the program included the following reports:

Auditor's	T. Glenn Long
Treasurer's	Bill Thompson

They were presented by Mr. Thompson and received as information.

The budget for 1978-1979 was submitted by Mr. Thompson who moved its adoption. Motion was seconded by Mr. George Hollifield and carried.

The Moderator reminded the messengers that additional funds would be required to move the new DOM and pay double salary through December. He appealed to the churches to give over and above to make this possible.

October 10, 1978

Gentlemen:

We have examined the balance sheet of the Pee Dee Baptist Association as of September 30, 1978, and the related statements of income and expenditures for the year then ended.

The examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records as were considered necessary consistent with previous years.

In our opinion, the accompanying balance sheet and statement of income and expenditures present fairly the financial position of the Pee Dee Baptist Association at September 30, 1978.

Bob Rea submitted the SEMINARY EXTENSION COMMITTEE REPORT which was received as information. Rev. Carl Lewis, Director of the Associational Seminary Extension Center, stated that there were twelve enrolled and twelve with nearly perfect record of attendance.

Seminary Extension courses are designed to help pastors and lay persons with any and all levels of educational background. It is a joint project of our six seminaries. The three course levels available are:

THE BASIS CURRICULUM is for pastors and lay preachers with limited reading skills. The subject matter is adult, but courses are written on the sixth-grade level.

THE COLLEGE LEVEL CURRICULUM is for pastors and Christian lay leaders with college and/or seminary training.

THE PERSONAL-CAREER DEVELOPMENT CURRICULUM is for seminary Extension Centers and many of them are available also for independent home study. The goal is to make all of the courses in the Basic and College level Curriculums available for home study, complete with cassette tapes of outstanding teachers.

Your Seminary Extension Committee has been busy this past year. We have met several times and we are happy to be able to report the following results:

1. G. Carl Lewis, retired former pastor of the First Baptist Church, Rockingham, has accepted the post of Director of the Associational Seminary Extension Center.

2. The Committee has worked with Mr. Lewis and the Director of Missions and has succeeded in getting the first course underway. A Study of the Gospel of Mark is being offered this fall, with the first of nine two hour sessions beginning Tuesday, September 12th. Dr. Byrns Coleman, Professor of Religion at Wingate College, is the teacher. The course is open to both pastors and lay persons. Mark will be the book studied for the 1979 January Bible Study. The Committee plans to offer such a study annually.

3. Future plans call for a variety of courses to be offered in coming years, including teaching, improvement, church administration, pastoral counseling, courses designed to help deacons and other church leaders do their jobs better. We hope to offer courses each spring and fall. Please pray for us as we seek to make the Associational Seminary Extension Center an effective tool in improving leadership skills in our churches!

The congregation sang the hymn "He Leadeth Me" and

Dr. Billy Rivers gave the MEMORIAL REPORT and reminded us that even though they have gone on before they are still remembered by those left here to carry on the work. He read the names of all those members of our churches who went home to be with the Lord this past year and closed with prayer.

REPORTS OF REPRESENTATIVES:

Rev. Carl Lewis offered as information the report on the BIBLICAL RECORDER and urged the churches to provided the State Baptist paper for all their membership.

Think about it for a minute. What if there were no BIBLICAL RECORDER? What means of communication would keep our Baptist people together in the state? What if we had to depend entirely on the secular news media?

These are questions that should not be taken lightly. Thanks to the wisdom and foresight of Baptist leaders back in 1833, the BIBLICAL RECORDER has been on the scene for 145 years serving North Carolina Baptists.

One of the most important jobs of the BIBLICAL RECORDER is to keep members of Baptist churches informed about what's going on in our denomination, not only here in North Carolina but around the world. When people know, they respond more quickly and in a more cooperative and generous manner.

In that connection, there's one more question: Does the RECORDER pay? Recently the RECORDER published a list of 50 churches which has the best per-capita giving to the Cooperative Program. Forty nine of the 50 has a good RECORDER club, many of them sending the RECORDER to every resident family. The BIBLICAL RECORDER had a part in helping these congregations see the importance of supporting Baptist causes.

More than 1,100 churches provide their families with the RECORDER through the church budget at a cost of only 6 cents a week. Everyone benefits when the RECORDER goes into every home.

The price of the RECORDER remains reasonable, despite tremendous increases in postage, paper and printing. If your church plans to put the RECORDER in the budget, it should do so this year and thus save money because a price increase is likely.

With the dripping wet news media in North Carolina, our Baptist people must depend on the RECORDER for information about such matters as liquor by the drink. This is only one reason for every church to have a good RECORDER club or put it in the budget.

Woodrow W. Hill, assistant editor and field representative for the past seven years, reached retirement age this past year but has agreed to continue to help the RECORDER in associations and churches. He is loved by people all over the state and we are glad that he will continue to be identified with the RECORDER when needed for special assignments.

Mrs. Robert Thurkill offered the Children's Home report as information. She urged the churches to find a key person who would keep aware of the needs of the Children's Home. She introduced Rev. Clyde Morris who spoke on the need for additional staff, house parents with special emphasis on foster home programs.

The programs, services and facilities of the Baptist Children's Homes of North Carolina are being utilized well for the care of children and in providing assistance to families that need our help. North Carolina Baptists and other friends continue to support this ministry through personal involvement, prayer and financial support. It is the purpose of the Homes to provide quality care and to be worthy of the faith and confidence of our many friends and supporters.

Requests are coming to the Homes from various sections of the state for additional community-based services (such as, emergency care and group homes). This is a wholesome trend in child care. Children can best be served and families strengthened when care can be provided reasonable close to a child's home. Our homes have been moving in that direction for several years. We will respond to additional requests for programs and services as financial resources permit.

North Carolina Baptists have reason to be pleased with work that is currently in progress throughout North Carolina. In the piedmont area, Mills home, foster home services, emergency care at Burlington and Charlotte, the high adventure program at Wall Home, the Child Development Center on the Mills Home campus, programs of crisis intervention, counseling, and family education fill a particular need in this area of the State.

We are in constant need of well qualified staff. This is particularly true of cottage parents and foster home parents. Join us in prayer that God will impress upon sufficient numbers of prospective workers that child care is a Christian vocation and that it affords wonderful opportunities for service.

We are deeply grateful for support of the Children's Homes which comes from our churches through the Cooperative Program, special gifts and the traditional Thanksgiving offering.

The forthcoming Thanksgiving offering is extremely important. This will be the last time that our people will have the challenge of making an over and above offering to the Children's Homes at Thanksgiving time. As a part of the Bold Missions thrust, the Thanksgiving offering for the Children's Homes in 1979 will become a part of the North Carolina Baptist State Missions offering to be received each September thereafter.

To bridge the transitional gap next year, our trustees have set a goal of $1,000,000 (one million dollars) through the 1978 Thanksgiving offering. We are dependent upon our friends for financial support sufficient to carry on this ministry.

Mr. Jerry Townsend presented the CHRISTIAN LIFE COUNCIL REPORT as information.

The SBC Christian Life Commission, with offices in Nashville, Tenn., and the State Convention Christian Life Council work together to help Southern Baptists be aware of major moral problems in our state and nation. They also print and distribute a variety of leaflets, tracts, etc. as resource materials on these subjects.

In North Carolina, the Christian Life Council conducted marriage enrichment retreats, a workshop on parenting, single adult emphasis, and minister-wife retreats. Various materials dealing with family life were produced and distributed.

A strong, but unsuccessful effort was made to defeat the liquor by the drink bill. Over 125,000 flyers were distributed to North Carolina Baptists. We at least succeeded in getting a better bill passed than was originally proposed.

Both the State and SBC are concerned about the impact of television upon the morals of our people. Over 60,000 copies of "The Grabber", a pamphlet dealing with the use and abuse of TV, were distributed upon request. We must learn to control TV, or it will control us by occupying our thoughts and our time!

World Hunger is an issue which haunts all of us. The Council has printed and is distributing thousands of tracts which offer practical suggestions for Baptists on how to respond to world hunger. Both the SBC and the State Convention promoted August 2 as World Hunger Day among Southern Baptists. A national Convocation on Hunger will be sponsored by the Christian Life Commission this fall to make us aware of the needs and how to meet them.

The Christian Life Commission has prepared a packet, "Help for Television Viewers", and distributed it to nearly 50,000 church leaders. This has received wide publicity and use, being mentioned by several of the nations largest newspapers.

A national seminar held in Nashville, Tenn., considered current lifestyle issues in Christian perspective. Two consultations were held to aid Southern Baptists in their efforts to deal with moral problems related to alcohol and family life.

It is becoming clearer every day that the energy crisis has moral implications. We urgently need to search the Scriptures and develop a Biblical theology on the use of energy and natural resources. The Christian Life Commission has a specialized conference to help church leaders come to grips with their moral responsibility in the energy crisis. It also provided posters and literature to many Southern Baptist churches that observed Race Relations Sunday and Christian Citizenship Sunday.

Mr. D. P. McFarland, Executive Director of the N. C. CHRISTIAN ACTION LEAGUE, brought to our attention the need to stand up and be counted against liquor by the drink when the referendum is brought to our area. He asked for continued prayers and support as his committee and others continue their efforts to oppose this throughout the state.

Mrs. E. D. Creech, Representative, presented the HOMES FOR AGING report as information.

She enthusiastically expressed the hope that this Association would encourage churches and others to pray toward the end that God would enable us to build a home in this area to meet the needs of the ever growing senior citizenry. Mrs. Creech asked that we begin now to pray that this much needed facility become a reality.

We now have five Baptist homes for the aging in North Carolina: **Resthaven,** in Winston-Salem, can care for 16 residents; **Hayes Home** and the **Nursing Care Unit**, in Winston-Salem, with space for 46 residents and 79 patients. (the nursing care unit serves all of our homes); A duplex apartment complex connected to the Hayes Home, with space for 30 residents; **The Hamilton Home,** in Hamilton, with space for 28 residents; **The Yanceyville Home,** in Yanceyville, with space for 31 residents.

A sixth, **The Western North Carolina Baptist Home,** in Asheville, is now under construction, will have space for 50 residents when it opens next February. This will give us a total capacity of 300 people in all of the homes, apartment complex and nursing care unit. It is estimated that we will need an additional $100,000 to operate this new home.

A new wing for the Hayes Home in Winston-Salem, which will house an additional 51 patients and residents, is in the planning stages.

The percentage of our population that is 65 years of age and over continues to increase. We must, with the Lord's help, continue to provide more facilities and care for those who will need our help in future years. North Carolina Methodists are already caring for five or six times as many elderly as we are. We rejoice that they are and hope that we might some day do as much.

Only a few of our residents and patients are able to pay the full cost of their care. We must look to the 3,400 churches in the Baptist State Convention to provide additional resources. The Cooperative Program supplies about 8% of our needs and the Special Offering has been supplying about 16%. Beginning next year (1979), Our share of the 1979 State Missions Offering, if the goal of $2,000,000 is reached, will be $300,000. Since no Special Offering for the Homes for the Aging will be available until after September, the result will be that we will have to wait 7 or 8 months longer than usual for this support. This means that we will continue to need the loyal support of the churches and individual members if we are to bridge this gap without financial difficulties and to meet the growing needs for facilities and care for our older adults.

We are grateful for all that North Carolina Baptists have done and are doing to provide for this ministry. We shall try to be good stewards of your gifts! Thank you.

Mrs. A. A. Williams, Representative of the NORTH CAROLINA BAPTIST FOUNDATION, submitted the following report for information. Mrs. Williams expressed encouragement that all review their wills to determine what they could set aside to the Foundation's purposes in the years ahead.

A survey in several counties, representative of the cross-section of our state has provided interesting information regarding the attitude of the average person in the disposition of their estates after their death. Court records and wills were carefully studied for a specific time and the facts revealed were:

1. 30% of the descendants died without a written will.
2. Only six-tenths of one percent of the total value of the estates covered by wills was given to **all** charitable causes and only 65/1000 of 1% was left to all Baptist causes.
3. 45% of all assets were left either to husbands or wives. 37% of all assests were left to children by parents, and 27% was left to grandchildren or other persons.
4. There is an estimated 666 million dollars left in estates each year in North Carolina.
5. It is estimated that a tithe of the estates of Baptists that die each year in this state would provide over $10,000,000 additional support annually for Christian missions and ministries through our churches and denomination.

Baptists who believe in Bold Mission endeavors will:

1. Prepare a will or have their will updated.
2. Provide for their church pledges and commitments to be fulfilled through their will.
3. Seriously consider designating a tithe of their estate to a Christian cause.

An excellent example was set by two members of a church in the mountain area of North Carolina. They have willed their possessions to the North Carolina Baptist Foundation as Trustee. 10% of each estate will go back to their church and 90% in trust will be paid annually to the Cooperative Program through their church. The amount will be equal to the total amount given by their church to the Cooperative Program in 1977 (and this was a substantial amount!).

During 1977-1978 fiscal year, the Foundation has received $198,139 in additions to the trust funds being held. Twenty-Seven new trusts were established. Our staff is available to assist any individual who wishes to have a will prepared or updated. Anyone using Foundation services and who designated through their will a bequest to any Baptist Institution or Baptist mission cause can have their will prepared at no cost. Assistance in cost can also be provided for those who desire to have their wills prepared or reviewed by a local attorney.

The CHRISTIAN HIGHER EDUCATION REPORT was given by Wayne Tuttle as a matter of information. Dr. Rivers brought greetings from the Gardner Webb College; Dr. Brooks from Meredith College; Scott Turner from Cambell College and Carl Lewis from Wingate. Each of these schools are experiencing growth.

Baptists of North Carolina support and operate, through elected trustees six colleges and one university: Cambell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wingate and Wake Forest University. The histories of these colleges and the Baptist State Convention have been intersected and intertwined since 1834. While not all of the colleges were begun by the Convention per se, all were begun by Baptist, with strong convictions about the need for Christian higher education. The seven colleges have been in operation for a total of 729 years. Currently, faculty and staff number 1,441. During the 1977-78 academic year, the full-time enrollment of the colleges was 13,000. The total enrollment, including summer school and special students, was more than 19,000.

Baptist colleges serve Christ and Baptist people best when they are truest to their primary mission, Christian education. Christian education is education under Christian auspices for Christian ends. Christian education is Christianity operating in the field of enlightenment. A Christian college is a college founded and maintained and conducted by Christian people in the service of the Kingdom of God.

Because Christians affirm the doctrine of creation, there is no subject of investigation which is inappropriate for Christian education, from Art to Zoology. The telescope becomes the tool of the Kingdom for those who believe that "The heavens declare the glory of God." The historian's pen and the biologist's microscope are welcome allies to those whose quest is "That at the name of Jesus, every knee should bow, of things in heaven, and things in earth, and things under the earth."

Churches are urged to encourage their youth to attend a Baptist college. Most of the students attending a North Carolina Baptist college receive some form of financial assistance. Each of the colleges pledges to assist needy students with financial aid. Students who need to apply for financial aid should make application to college early in the senior year of high school. Grants, loans and work scholarships are available for those who need them.

North Carolina Baptist colleges continue to be grateful for generous financial support through the Cooperative Program. The colleges reaffirm their support and partnership in missions with the churches, and offer the services of faculty, students and other campus resources to make the Bold Missions emphasis of Southern Baptists a vital and successful ministry.

The REPORT ON THE ANNUITY BOARD was presented as information by Clarence Collier, Representative. Mr. Collier urged leaders of the seventeen churches who do not participate in this program to protect their pastors and staff members looking forward to their retirement years. He introduced Mr. Sam O'Neal, Annuity Board Representative of the N.C. State Convention who spoke on the benefits of participation in the Annuity Board Program.

The Annuity Board serves the churches and the denomination by providing a means of protection against disability and death and needed support for retirement years for pastors and other staff members.

The new Southern Baptist Protection Program offers much more adequate protection for these days of inflation. It calls for monthly premiums of 10% of total income (excluding car allowances and honorariums). Young ministers who enroll in this program from the beginning of their ministry can look forward to retirement income comparable to that available in government and industry.

1977 was a year of contrasts for the Annuity Board. While the Board has a sharp increase in the number of new retirement and insurance accounts, investment earnings suffered due to poor stock market performance. It was also a year of strong demands from servicing needs of new accounts, a complex allocation process, implementation of a new church retirement program and accounting responsibilities of new investment funds.

Key statistics for 1977 were:

1. A permanent 8.33% increase in most annuitants' checks.
2. $19,085,316 paid in retirement and protection benefits. Insurance benefits through church, agency and seminarian programs exceeded $12,000,000.
3. 545 new churches enrolled in the basic retirement plan. New pastors and church employees in Plan A numbered 2,169, and 3,000 upgraded their program.-
4. Plan A members increased from 27,598 in 1976 to 29,142 in 1977, Plan B rose from 25,412 to 33,062, but Plan C membership dropped from 5,987 to 4,885.
5. Total premium income for 1977 was $45,603,942 - including relief. Total assets climbed to $498,977,661, compared to $473,142,631 a year earlier.

In North Carolina as of March 31, 1978, 3,387 staff members of 2,257 churches and associations are participating in the Southern Baptist Retirement Program.

In the Pee Dee Baptist Association 21 churches and 33 staff members are participating in the retirement program. The Association is also participating for their staff.

Every church should provide retirement and disability protection for its staff members, not only for the sake of the pastors who serve them, but to spare the church the tragedy of guilt if a pastor or other staff member becomes disabled, dies, or reaches retirement while serving them!

Bill Caudle led the congregation in the singing of "All Hail the Power of Jesus' Name".

Dr. L. A. Faulkenbury, Pastor of the Roberdel Baptist Church, read the scripture from the fourth chapter of Philippians and led in prayer.

Mr. Lee Duncan, Organist/Choir Mastor, First Baptist Church, Laurinburg sang a very beautiful, meaningful song prior to the annual sermon by Dr. Lamar Brooks. Dr. Brooks emphasized the tragedy of insensitivity to the superlatives of life, such as the superlatives of nature, the human spirit, redemption and the committed Christian life. He challenged us to be open and alert as God speaks in and through all of these.

The second session of the Pee Dee Baptist Annual meeting was closed with prayer by John Freeman and the host pastor invited all to stay for lunch in the fellowship hall. We enjoyed a most delicious and bountiful meal, made all the better by Christian fellowship.

TUESDAY, OCTOBER 17, 1978 - 7:00 P. M.
THIRD SESSION, FIRST BAPTIST CHURCH, HAMLET

The third session was opened with the singing of "Lead On, O King Eternal", led by Bill Caudle and accompanied by Mrs. Richard Snyder. Gary Williams led in the opening prayer, asking God's blessings upon the evenings business and program.

Dr. Billy Rivers, host pastor, welcomed all to the facilities of the newly renovated and beautiful sanctuary.

The Moderator introduced Scott Turner, Jr., Chairman of the Associational Evangelism Committe, who requested that the 1978 EVANGELISM REPORT be accepted as information. He spoke to the report, suggesting that will be necessary if we are to achieve the goals of the Bold Missions Thrust, which are to share the Gospel with every person in the United States by 1982 and to every person in the world by the year 2,000. The three things are:

We must dream boldly to double our baptisms and knock on the door of every home in Richmond and Scotland counties to proclaim the message of Jesus.

We must have bold priorities - putting evangelism first in our church program and leading each church member to become a witness to what God has done for them.

We must plan boldly. God is ready to bless and we must establish a program of Evangelism year by year, using a task force made up of 8 people for every 100 members - use the Revival Plan Book - make plans for personal encountering, lay renewals, etc., to go to work because we are committed, concerned people.

A significant goal in Bold Missions is to encourage every church to double baptisms by 1982 or sooner. Christians need to lead unsaved persons to make genuine commitments to Christ and to guide them in their spiritual development. Pastors and church leaders can use the Notebook - **Bold Evangelism Through the Local Church** - to plan and develop an ongoing program of evangelism. Free notebooks will be available and training sessions will be held in associational evangelism clinic across the state.

"The Evangelistic Church on Bold Mission" was the theme of the 32nd Statewide Evangelism Conference at the War Memorial Auditoruim, Greensboro, during February 6-7, 1978. Evangelistic speakers challenged about 2,400 pastors and lay persons to involve church members in bold evangelism.

Four summer youth evangelism teams preached in one week youth revivals and directed youth witness training in many churches across the state. One of these teams led youth revivals in nine churches in Maryland in a joint Bold Mission effort. Genuine decisions for Christ were made by many youth.

Over 900 youth and adults attended the largest Youth Ministry Week during July 3-8 at Caswell. All persons participated in specific witness training sessions.

The emphasis also included vocational guidance and recreation. About 12,500 youth, pastors, and adult leaders attended the 8th Statewide Youth Evangelism Night - August 18 - at Greensboro. Bill Hogue, Director, Evangelism, Home Missions Board, Atlanta, was the preacher: Richard and Judy Bradford, New Mexico, were the soloists, and other youth shared on the program. Follow-up work has been assigned to pastors with all youth who make decisions.

Churches are encouraged to become more involved in Renewal Evangelism. The Division of Evangelism cooperates with the Brotherhood Department in this phase of the work. Sixty-eight associations have participated in one week Lay Evangelism Schools in recent years with 15,000 youth and adults receiving lay witness training from 1,245 churches. Consistent witnessing to non-Christians is essential. Youth Evangelism Strategy can help associations and churches train their youth in witnessing to the unsaved and in personal discipleship. Also, YES equips adults to work with youth in evangelism.

Excellent report on revival meetings, city-wide crusades, and associational evangelism clinics have been received. There has been a good response to associational youth evangelism emphases.

The 33rd Statewide Evangelism Conference will be held at Cumberland County Memorial Auditorium, Fayetteville, on February 5-6, 1979.

In the Pee Dee Association there has been some discussion about three areas of effort. A meeting was held with a representative of the James Robinson Evangelistic Assoc. The possibility of having Mr. Robinson in our area was discussed. It is the view of your evangelism chairman that there has not been enough interest in this venture to make it a present possibility.

Some discussions have been held relative to the need for personal witness training. Pastors have expressed an interest in this. It is expected that we will share the material in the "Revival Planbook For The Local Church" with our pastors in the near future. Three of our pastors shared in this study with the Sandhills Assoc. In addition, some interest has been expressed in simultaneous revival. Since no associational program is effective without pastoral and church support and interest, your input into our planning is greatly appreciated.

Dr. Faulkenbury brought the following resolutions from the Committee:

Be it resolved that we, the messengers present at the One Hundred Sixty-third annual meeting of the Pee Dee Baptist Association express our profound gratitude to the following:

1. The pastor and people of the Stewartsville Baptist Church, Larinburg for the use of their facilities and the delicious luncheon so efficiently served to us.
2. The pastor and people of the First Baptist Church, Hamlet, for the use of their facilities and every courtesy so abundantly extended to us.
3. The Committee on Order of Business for a well planned program. Also, to all persons taking part on the program from our Association and State Convention.
4. The Moderator, Clerk and all the officers of the Association for their valuable contributions toward making this a most meaningful meeting.
5. The Director of Missions for the years of faithful, dedicated service so unselfishly rendered among us. We commend him for his gracious, warm and friendly spirit shown in working with all the churches in our Association. We wish for him a most meaningful and rewarding retirement. Also, our most grateful thanks to the office secretary, Mrs. Joyce Rivers, for the tremendous job she has done during the illness and subsequent operation of our Director of Missions.
6. That we ask the clerk to write a letter of appreciation to Mr. Claude Smith for making the office facilities available to the Association without charge.

Dr. Faulkenbury moved the adoption of this report, Mrs. George McGowan seconded the motion and it was carried.

The Moderator called for the election of officers for the year 1978 - 1979.

Dr. Rivers nominated Wayne Tuttle to serve a second year as Moderator. Dr. Brooks seconded the motion and Scott Turner moved that nominations cease and Mr. Tuttle be elected by acclamation. So ordered.

Bob Rea nominated Jerry Townsend to serve a second year as Vice-Moderator. Mrs. A. A. Williams seconded the nomination and Mr. Fred Nordan asked that the nominations cease, seconded by John Strickland that Mr. Townsend be elected by acclamation. Motion carried.

The Registration report was submitted by Mr. John Strickland as follows:

The Moderator submitted the following report of the Constitution Committee for 1978:

> In keeping with the action taken by the Association in its 1977 annual sesssion, we recommend that the Constitution be amended by adding at the end of ARTICLE X, SECTION 1, the following:
>
> (12) Committee on Campus Ministries
> (By-Law IV, Section 15)
>
> We further recommend that the By-Laws be amended by adding at the end of Article IV the following:
>
> Section 15. The Committee on Campus Ministries, composed of six members, shall work with the churches and Baptist State Convention resource persons to provide a ministry to college age people.

Jerry Townsend moved the adoption of the report, Dr. Brooks seconded the motion and the motion carried.

Mr. Tuttle called for any miscellaneous business that should be taken care of at this time.

Mr. Turner recommended that the minutes show that we met at the First Baptist Church, Hamlet during the year of their 100th anniversary. The many ministers of this church through the years as well as the congregations have made a tremendous impact on the lives of many as well as on the efforts of the Pee Dee Baptist Association through the years.

The motion was made by Mr. Turner, seconded by Dr. Faulkenbury and carried.

Dr. Rivers expressed deep appreciation of what Mr. Tuttle and Mr. Townsend have done during the time of Mr. Lovin's illness. These men carried full loads as pastors and double duty accomplishing the many tasks of the Associational office.

Mr. Lovin suggested that a standing vote of appreciation be shown these men. Mrs. E. L. Jones made the motion and D. C. Brown seconded the motion. The entire congregation stood in appreciation and honor for and of these two servants of God.

Bill Caudle led the session in the singing of "Amazing Grace." Mrs. Robert Ritter sang a beautiful selection accompanied by Mrs. Snyder.

Mrs. Frank Ligertwood, Representative, brought the following report of the STEWARDSHIP AND COOPERATIVE PROGRAM, offering it for information only. She challenged the churches to elect Stewardship Committees, increase the giving to the Cooperative and Associational programs to take care of the needs at home and around the world.

This is an exciting time to be alive - especially if you are a Christian and a Southern Baptist. We have, for the first time, set ourselves a deadline for carrying out the Great Commission by carrying the gospel to every person on the earth by the year 2000. This is BOLD MISSION THRUST indeed!

Achieving this goal will call for BOLD praying, preaching, witnessing and sacrificial giving by all of us. In North Carolina, we are being challenged to double our gifts to our churches, the associations and through the Cooperative Program by 1982. We can do this if we increase our giving at least 15% each year. Every one of our churches has a large percentage of its members who give little or nothing and even those who are already giving generously might consider giving sacrificially.

During the past year, our churches gave **$135,352** through the Cooperative Program and **$27,782.70** to the Association. Some suggested goals for the coming year are:

1. Every church in the Association giving something through the Cooperative Program to support Bold Mission Thrust.
2. Every church in the Association increasing the percentage given through the Cooperative Program.
3. Every church giving at least 3% for Associational Missions.

Churches must do more than just "meet the budget." They should also seek constantly to develop Christian stewards. The Stewardship Commission has suggestions and materials available to assist churches in doing this. Consider the followng recommendations related to Stewardship Development:

1. Every church adopt a unified budget and conduct a stewardship emphasis this year.
2. That every church challenge every member to seriously consider their need to give to God through their church.

3. Every church accept the responsibility of teaching the doctrine of Christian Stewardship, through studies, activities, goals.

4. Every church elect and train a Stewardship Committee to assist the church in developing Christian stewards.

5. That the Association provide programs and resources to help the churches accomplish the above goals.

Growing churches will need additional building and inflation has caused the cost of new construction to soar. The Stewardship Commission offers two programs designed to help churches raise as much as possible to reduce long-term financing. One is called "Building for Today's Challenge" (a do-it -yourself program) and the other is "Together we Build (a consultant led program with a tailor-made emphasis designed for each church.) Churches all over the SBC are using these programs with tremendous success. 66 churches and 2 institutions raised 23 million dollars in 1977!

Help for any church is available by contacting the Church and Institutional Fund Raising Section of the Stewardship Commission, 460 James Robertson Parkway, Nashville, Tenn. 37219.

Mrs. Ligertwood introduced Mr. E. C. Wilkie, Field Promotion of the Baptist State Convention who spoke on the matter of life commitment - bold commitment to reach out to win the world for Christ. His message was inspirational and challenging to each who heard him as he spoke of selling out to Christ in full commitment, going out, sending out and watching out that we do what we are supposed to do as Southern Baptists in winning the world by 1982. He emphasized that if we do not, God will place the mantle of blessing on others who will accomplish His purpose in winning the lost to Christ.

The final session of the 163rd annual meeting was closed with prayer by Wayne VunCannon. TO GOD BE THE GLORY FOR THE SWEET SPIRIT SO PREVALENT DURING THE ENTIRE ANNUAL MEETING.

One additional messenger shall be allowed for each additional 50 members or major fraction thereof, provided no church shall be entitled to more than 10 messengers. These shall constitute the voting body of the Association.

Each church is entitled to have its pastor and two lay representatives (elected by the church) on the Associational Executive Committee.

B. BAPTIST STATE CONVENTION - Each cooperating church is entitled to be represented at the North Carolina Baptist State Convention by 2 messengers. For each 100 members or major fraction thereof beyond 100 members the church can can have an additional messenger. No church shall have more than 10 messengers. A church with a membership of 150 can have 3 messengers, etc. Each messenger must have a registration card signed by the church moderator stating he is a messenger. These cards can be obtained either from the Associational office or from the Baptist State Convention office in Raleigh.

C. SOUTHERN BAPTIST CONVENTION - Each cooperating church is entitled to one messenger to the Southern Baptist Convention. For every 250 members or for each $250.00 paid to the work of the Convention during the fiscal year preceding the annual meeting the church can add one member. No church can have more than (10) messengers. Each messenger must have a messenger Registration Card signed by the church moderator or clerk to register. These cards can be obtained from the Associational office or from the Baptist State Convention office in Raleigh.

2. PROCEDURE FOR ADMISSION TO THE CHILDREN'S HOME.

The piedmont area of the state is in the process of being redivided along different lines than at present. For information as to who will handle our applications, call Thomasville office of the Childern's Home (476-6183).

When either a pastor, relative, friend or social service agency contacts the Home, a professionally trained caseworker will make a thorough study of each situation to determine the extent of need and the best possible plan for the child and his family.

*Pre-school children are normally cared for in Foster Homes.

*School age children are cared for through one of a variety of services according to need. Usually this will be either the use of a Foster Home or placement in one of the Children's Homes.

*Children are accepted from pre-school age up to and including (special cases) high school seniors.

*The stay at the home is for as long as necessary; usually until the development of some other plan; or to the completion of high school. In cases of special need, even beyond high school.

*At the present time the program is not able to care for the physically handicapped, the mentally retarded, or the severely emotionally disturbed.

3. PROCEDURE FOR ADMISSION TO THE HOME FOR THE AGING.

(1) The pastor should write: Dr. William A. Poole, Supt., N. C. Baptist Homes, Inc., Reynolds Park Rd., Winston-Salem, N. C, 27107, for application forms, giving as much information on the applicant as possible. An applicant must be at least 65 years of age, in reasonably good mental and physical health. The homes lack the staff and equipment to take persons directly into the nursing care facility, but once they are admitted to one of the homes, they will be given nursing care for the rest of their life, if it becomes needful.

(2) Mail the completed application to Dr. Poole. The applicant will then be contacted and a visit arranged with Dr. Poole and with the Head Nurse in Winston-Salem. Mr Polle explains the ministry of the homes and the Head Nurse

reviews the applicant's medical history. If the applicant's health permits, the applicant is approved very shortly.

(3) The applicant is notified of approval and he or she is received into one of the homes as soon as there is a vacancy, to receive tender loving care for the rest of life.

(4) During the applicant's visit to Dr. Poole office in Winston-Salem financial arrangements are discussed and counsel is given concerning any assistace program that is available and how the homes are supported in part through the love gifts from Baptist churches. Before the arrival of the resident, a letter will be sent explaining in detail the financial arrangements. No one is ever excluded from a Baptist Home for lack of funds!

4. PROCEDURE FOR ADMISSION TO THE MATERNITY HOME.

Contact Dr. W. R. Wagoner, Children's Home, in Thomasville (1-476-6183). He will put you in touch with a professionally trained caseworker who will call upon the girl and her parents to determine the needs of a particular case.

The average stay in the Home is 3⅓ months. Exceptions are made to this both longer and shorter periods of time.

There is some cost involved. Some are able to cover the entire cost of their stay, others are not. Money is not important concern - the girl is.

Estate Maternity Home Funds are available through the Dept. of Social Services for every girl who uses the services of a maternity home. These funds are requested through the Dept. of Social Services.

The girls, if they are in school, have a special program whereby they are able to continue their studies while at the home. Grades are transferred through the Asheville school system without reference to the Maternity Home.

5. PROCEDURE FOR ADMISSION TO THE BAPTIST HOSPITAL.

(1) The patient's local physicial contacts one of the Baptist Hospital's physicians or clinics to make an appointment for medical referral. If you have a question about scheduling an appointment, call the Outpatient Dept. Appointment Section (1-727-5375).

(2) If the Baptist Hospital physician considers it necessary or advisable to admit the patient to the hospital, he contacts the pre-admitting office and requests a bed. On the basis of the physician's diagnosis and prescribed treatment, the length and cost of hospitalization are estimated.

(3) The pre-admitting office contact the patient, or patient's family to obtain necessary date, including financial data. This information indicates patient's hospital insurance and/or personal resources; eligibility for third party sponsorship.

(4) The patient is told the estimated hospital bill, how much is expected from insurance or sponsoring agency, and the "out-of-pocket" difference, if any, for which he is responsible. This difference is due upon admission. (Exceptions to the pre-payment plan are made for emergency and continuing care patients).

Our business office has trained, sympathetic financial counselors whose services are available to any patient who needs them and desires them. They are familiar with various sources of financial aid, qualifications for obtaining them, and the procedures to follow in making application. Almost any patient who will cooperate with them can find financial help with hospital expenses, if his need is genuine.

6. LOANS FOR BAPTIST COLLEGE STUDENTS.

Many of our Baptist Colleges make scholarships available to Baptist students. Write directly to the College for information on these scholarships.

There is a fund available through which loans are made available to Baptist Students whose residence is Virginia or North Carolina and the student is attending a Baptist college in Virginia. Write: The Charles B. Keesee Fund, Martinsville, Va., for information and loan forms.

7. PASTORS LIBRARY SERVICES.

John Louis Kesler Library

A special service is offered to Rural Ministers. The John Louis Kesler Circulating Library make available 50,000 volumes on a leading basis to ministers.

Who May Borrow?-any minister in the South, irrespective of denominational affiliations, who sign the application card is eligible for this service. Annotated books lists are mailed regularly to all ministers who are active borrowers. This service is not available to students in colleges or seminaries. It is expressly designed to benefit ministers who cannot find needed material in the local library.

How to Borrow - Each borrower is asked to submit a list of several books he desires, arranged in order of his preference. He will be sent the first book (or books) available from this list. When these are returned others will be mailed.

Books may be kept for three weeks and are subject to one renewal upon request, if not in demand elsewhere. The only expense to the borrower is return postage. This is a nominal fee since the books are sent by library rate.

THIS YEAR'S ANNUAL MINUTES ARE DEDICATED IN MEMORY OF REV. JOHN NICELY

John Niceley

Rev. John Niceley was born in Wilmore, Kentucky on August 13, 1923. He is survived by his wife, the former Miss Martha Shirley of Harrodsburg, Kentucky, and two daughers.

Mr. Niceley served pastorates in Tennessee, Virginia, South and North Carolina. He became pastor of Norman Baptist Church in 1970 and taught Comuter Programming at Richmond Technical Institute. Stricken with blindness in June 1971, he was forced to give up the pulpit ministry. Accepting his blindness as a challenge, he began graduate study at N.C. State University.

The remainder of his life, he focused on improving the lot of the blind in North Carolina. He served as rehabilitation counselor with the North Carolina Department of Social Services until his death in July, 1979.

Mr. Niceley served as First Vice-President of the National Federation of the Blind of North Carolina and President of the Tri-City Federation of the Blind in Rockingham, N.C.

We dedicate the minutes of the One Hundred Sixty-Fourth session of the Pee Dee Baptist Association as a memorial to him in recognition of his indomitable spirit and Christian life.

The One Hundred Sixty-Fourth Annual Meeting of the Pee Dee Baptist Association convened at the Cobb Memorial Baptist Church, Rockingham, Monday at 4:15 P.M., October 22nd, 1979. The motion was seconded by Fred Nordan, pastor of Cobb Memorial, and carried.

The Order of Business report was given by the Rev. Alton Coble, pastor of Spring Hill Baptist Church, Wagram, N.C. Rev. Coble made the motion that the printed order of business with necessary changes constitute the program of the annual meeting. The motion was seconded by the Rev. Reports were submitted at this time as follows:

The Youth Committee Report was red by Rev. George Hollifield as information to the Association. This committee has been newly organized and is planning several activities for the coming year. It's members are reported in the Committee on Committees Report.

The Samaritan Colony Report was given by Mac Willingham, Director of Samaritan Colony as information. He personally thanked the churches of the Pee Dee Association, and especially those named in his report, for their support to this ministry.

The Prison Ministry Report was presented as information by Elwin Eaddy, chairman of the Associational Prison Committee.

The Campus Ministry Report was given verbally by Winston Hardman, Chaplain at Pembroke University. He reported that sixteen summer missionaries minsitered this past year from Pembroke University. Further, ministry teams are available from Pembroke to serve at the request of area churches. This report was presented as information.

The Evangelism Committee Report was presented by William Caudle in the absence of Rev. Scott Turner, pastor of Second Baptist, Hamlet and chairman of the committee. Mr. Caudle emphasized the five suggestions for local plans:

1. A study by our pastors of **The Revival Planbook For the Local Church** next spring.
2. An emphasis on personal soul-winning with a training session Monday, August 25, 1980.
3. Study the feasibility of an area-wide crusade in 1981.
4. Participation in the State-wide Evangelistic Crusade in 1982.
5. Look into the possibilities of some exchange of pulpits and lay persons with some churches in the Spruce Pines area.

This report was received as information.

The Baptist Hospital Report was presented by Rev. Alton Coble, pastor of Spring Hill in Wagram, N.C. in the absence of Baptist Hospital representative, Mrs. D. T. Memory. This report was received as information.

The Moderator mad the following committee appointments:

Place and Preacher Committee
Rev. Eugene McNair, Chairman
Rev. Jimmy Pulliam
Rev. Wayne Vuncannon

Committee on Committees
Dr. Billy Rivers, Chairman
Mrs. Margaret Lamb
Rev. Doran Cook
Rev. Roby Leach
Mr. Cecil Bowyer
Mrs. Lanell Suggs

Rev. Gary Williams, pastor of McDonald, Rockingham and clerk of the Association, presented the Executive Committee Report as information.

Rev. Jerry Townsend, pastor of Beverly Hills, Rockingham and chairman of the Missions Committee, presented the Missions Committee report. Mr. Townsend emphasized that the Missions Committee encourages the churches of the Pee Dee Baptist Association to contribute 3 or 4 percent of their church budget to the Association, so that the ministries in our Association may be enhanced.

Rev. Cass Vincent brought a message in song, "Thou My Everlasting Portion," which he dedicated to the Moderator. The Moderator was introduced by Rev. Jerry Townsend, Vice Moderator of the Association.

Before Rev. Tuttle brought the Moderator's Message, he told the congregation that Rev. Austin Lovin, former Director of Missions for the Pee Dee Association, was to undergo tests on his heart function in Baptist Hospital. The Moderator led in prayer for Mr.Lovin.

In his message, Rev. Tuttle said he had seen God bless the Pee Dee Association during the two years he had served as Moderator, yet much remained to be done. Our continuing drop in vital statistics suc as baptisms reflected three things from Acts 1:1-14 that we must do:

1. Pray -- that God might manifest His power.
2. Start something for God that only God can finish.
3. Be in one accord.

Following this challenging message, Rev. Ken Wright closed the first session with prayer.

REPORTS PRESENTED AT THE FIRST SESSION

1979 SAMARITAN COLONY ALCHOHOL REHABILITATION CENTER REPORT

Alcoholism is a community problem. We cite a few of the grim statistics that prove this to be true:

Over 95% of alcoholics are family oriented and they average touching the lives of 4 other people with their drinking -- It is the third highest health problem in the U.S., causing 100,000 deaths a year -- It costs industry 33 billion dollars a year and each alcoholic employees costs his company 25% of his gross salary -- 50% of all traffic accidents and deaths are alcohol related and 51% of all drivers killed in single car accidents are caused by alcohol -- 50% of all arrests are related to alcohol, 40% of admissions to mental hospitals are due to alcoholism and 25% of all general hospital beds are occupied by alcoholic beverages -- 45% of alcoholics are professional or managerial persons and half of them have either attended or graduated from college. 70% are males, but the percentage that are females is rising rapidly.

Since coming to this mission field and service February 15 of this year, my eyes have been opened. I find that people have a living problem before they have a drinking problem. Christians and churches have a tremendous responsibility to help alcoholics find victory over their problems through faith in and committal to our Lord Jesus Christ. He came "That they might have life and have it more abundantly". Alcoholics need the strength and encouragement that being a part of a Christian fellowship as members of our churches once they have accepted Christ.

We have served many men and assisted many of their family members through prayer, counseling and understanding. On behalf of all of them, I want to thank all who have made this ministry possible through your support. I particularly want to express appreciation to the churches of the Pee Dee Baptist Association that have gone the second mile in their giving and support of this ministry. These churches are:

Beverly Hills Baptist
Cartledge Creek Baptist
Cordova Baptist
Crestview Baptist
East Rockingham Bapitst
First Baptist, Rockingham
Mt. Olive Baptist

Pee Dee Baptist
Pine Grove Baptist
Roberdel Baptist
Calvary Baptist, Hamlet
Cobb Memorial Baptist
Saron Baptist
First Baptist, Hamlet

We ask for you continued prayers, support and visits as we attempt to share the Good News of the Gospel of Jesus Christ to our alcoholic brothers and sisters.

Mac Willingham
Pastor of Samaritan Colony

1979 ASSOCIATIONAL PRISON COMMITTEE REPORT

The Associational Prison Committee has met nine times during the year. We helped plan and promote a Christmas party at the Richmond County Prison Unit. Mr. Luke Garner served as Prison Chaplain until July 15th. Mr. Garner did a tremendous job as chaplain. Under his leadership we set up worship services every Tuesday night with four of our churches participating. He also set up Bible study on Thursday night and a Sunday morning worshp service. Mr. Garner spent an average of 25 hours a week at the prison unit.

Rev. Robert Green, pastor of the Gibson Baptist Church, became the Chaplain on July 15th. He is continuing the good work that Mr. Garner started.

We would like to express our appreciation to the Pine Grove, Beverly Hills, Faith, Bethel and Calvary Baptist Churches for taking an active part in our ministry. We also wish to express appreciation to all of our churches for their financial support. Keep praying for us!

Elwin Eaddy,
Chairman

1979 ASSOCIATIONAL EVANGELISM REPORT

Baptists in search of unsaved and unchurched persons, are joining together in a Statewide Evangelistic Crusade scheduled for 1982. It is expected that the effort will include Simultaneous Revivals with dates and other activities to be announced soon. The Joint Evangelistic Crusade Committee, composed of both white and black Baptists, is chaired by Mark Corts, of Winston-Salem, and co-chaired by C. W. Ward of Raleigh. The Committee requests the prayers of the churches for this effort to reach every person in North Carolina with the gospel by the end of 1982.

The 33rd Statewide Evangelism Conference was held at the Cumberland County Memorial Auditorium, Fayetteville, February 5-6, 1979. Over 2,500 pastors and lay persons were challenged by evangelistic preachers to involve church members more directly in witnessing for Christ to the unsaved.

Many churches from different associations across the state have already participated in Bold Evangelism Clinics, using the notebook -BOLD EVANGELISM THROUGH THE LOCAL CHURCH - with the emphasis on on-going programs of evangelism in the local church. Other associations need to plan a Bold Evangelism Clinic, aimed at doubling baptisms by 1982.

Pastors and lay persons participated in an important seminar on GROWING AN EVANGELISTIC CHURCH during March 26-29 at Caraway Conference Center. It was co-sponsored by the Division of Evangelism of the Home Mission Board. Emphasis was on long-range planning to develop an evangelistic church.

The Division of Evangelism now has the TELLset and training cartridges to train small groups in direct witnessing. There will be renewed emphasis on Lay Evangelism Schools with the use of new materials and TELL witness training.

Decisions for Christ are being made by youth and adults as a result of the Youth Revivals led by four Summer Youth Evangelism Teams in one-week efforts in 36 churches across our state.

The 34th Statewide Evangelism Conference will be held in Greensboro February 4-5, 1980.

Our local plans include the following suggestions:

1. A study by our pastors of THE REVIVAL PLANBOOK FOR THE LOCAL CHURCH next spring.
2. An emphasis on personal soul-winning with a training session Monday, August 25, 1980.
3. Study the feasibility of an area-wide evangelistic crusade in 1981.
4. Participation in the State-wide Evangelistic Crusade in 1982.
5. Look into the possibilities of some exchange of pulpits and lay persons with some churches in the Spruce Pines area.

Scott Turner, Jr.
Chairman, Evangelism Committee

1979 BAPTIST HOSPITAL REPORT

Although the bed capacity remains just under 700, there is a continuing expansion of the hospital's services. This expansion results from new discoveries made through medical research, in response to the health care needs of people.

During the past year a 38-bed rehabilitation unit has opened to offer short-term services and family instruction to the disabled. The chief beneficiaries of this program are patients with strokes, arthritis, burns, long-term casts, joint replacement surgery, brain tumors, spinal cord injuries, and some cardiac problems.

A new six-bed unit is scheduled to open soon. This unit will permit the isolation of burn patients in a location where all required services are immediately available.

An automatic clinical analyzer, the first of its kind in the state, has been acquired and put into operation. This fully automated analyzer, which uses computer technology, can perform more than 200 tests. It analyzes blood serum and body fluids and provides results in less than 8 minutes. These prompt and accurate results are of particular importance in critical care areas, such as the emergency room.

Another new ministry is a program of home visitation for children with cancer and their families. A team consisting of physicians, nurses, a psychologist and chaplains ministers to families during three critical periods: when a child develops cancer, is terminally ill and when a child has recently died.

Our chaplains lead worship services in Davis Chapel, which are relayed to all patient rooms by closed-circuit TV. They also provide a pastoral ministry to patients, their families and to staff members; provide more than 15,000 hours of personal counselling annually; offer personal growth and enrichment events to hundreds of clergy and lay persons each year; and conduct the largest program of clinical pastoral education in the world. Ministries of the Pastoral Care Department are made accessible to people across the state through satellites in Fayetteville, Raleigh, Morganton and Charlotte.

Baptist Hospital has actively participated in the Voluntary Effort to keep hospital costs as low as possible. Our hospital and several of its employees have been recognized and received awards for their cost-saving ideas and efforts. The result has been an increase of only 5% in the room rates - despite inflation - as compared to an annual increase of 6% in recent years.

In recent months the hospital's oldest building - "Old Main" - has been torn down and a new 6-story Focus Building is now rising on this site.

Our hospital staff members have been working with representatives from other denominational agencies and State Convention leaders to promote the North Carolina Missions Offering. The hospital looks forward to receiving its share (15%) of this offering, as gifts from the churches this past year were only about 52% of what they had been the previous year. All such moneys help pay for the care of those who cannot pay.

MISSIONS COMMITTEE REPORT

The Missions Committee met on February 8, 1979 to draw up some guidelines for the summer worker. Below is a list of the guidelines.

1. The summer worker shall be under the supervision of the Director of Missions.
2. The summer worker shall assist any pastor who requests his services.

9. The summer worker shall turn in a weekly report.

The Missions Committee met on April 17, and recommended to the Finance Committee that the housing and utilities allowance for the Director of Missions be increased to $450.00 per month and that the increase be retroactive for April 1979 continuing.

In July, the Missions Committee recommended proposed salary changes to the Finance Committee for the Director of Missions and for the Secretary. Also, $500.00 was proposed for Summer Worker.

Two mission projects were conducted which proved to be very successful and rewarding. First, the trip to Indiana. Twenty-three people made the trip to Portage, Indiana. The ladies conducted two Vacation Bible Schools and aided in the Women Missionary Union work. The men helped on the construction of the Portage Missionary Baptist Church. Also, two Backyard Bible Clubs were conducted.

Second, the new A frame roof, steeple and porch on the Scotland Acres Baptist Church. Some 85 men from 15 churches participated in the project on Saturday, August 4, 1979. The finances for the project were special offerings from the churches of the Pee Dee Baptist Association, which amounted to $3,126.02, and $2,500.00 dollars financial support came from the North Carolina Baptist State Convention. Truly, these are two examples of the Bold Mission Thrust conducted by our Association.

The Missions Committee encourages the Baptist Churches of the Pee Dee Baptist Association to contribute 3 or 4 percent of their church budget to the Association, so that the ministries in our Association may be enhanced.

The Missions Committee expresses words of appreciation to the volunteers who worked in the associational office during the past year.

The Missions Committee approved the request of $2400.00 for financial aid from the North Carolina Baptist State Convention.

Respectfully submitted,
Jerry W. Townsend, Chairman

1979 REPORT OF ORDINATION ADIVISORY COMMITTEE

The Ordination Advisory Committee of the Pee Dee Baptist Association met July 30, 1979, at the Second Baptist Church, Hamlet, for the purpose of examining Mr. Algie Flake Martin, Jr., who had requested ordination to the Gospel Ministry. The request came to the Committee from the Second Baptist Church, Hamlet, of which Mr. Martin was a member. A prior request to Second Baptist Church had come from a church in Virginia to which Mr. Martin had been called as pastor.

Member of the Committee met with Mr. Martin and with Rev.Scott Turner, Jr. and carefully questioned Mr. Martin as to his conversion experience, his call to the ministry, his attitudes toward the denomination, and other vital issues relating to the Gospel Ministry.

It was the unanimous opinion of the Committee that Mr. Martin gave an excellent account of all matters in question. The Committee enthusiastically and unanimously recommended to the Second Baptist Church that Mr. Martin be ordained.

1979 CHURCH TRAINING REPORT

The Church Training Department believes that it is essential for all church members to continually be trained in the processes of how to worship, witness, educate, minister and apply their faith. The children of God are never full-grown, completely trained, or fully mature. This is why Christian discipleship is a process of becoming rather than a state of being. It is the effort to "press toward the mark for the prize of the high calling of God in Christ Jesus". (Phil. 3:14)

It is not the intention of "Church Training" to simply give people a place or a cause for another meeting. Since most of our Baptist churches depend heavily upon volunteers there is a continuing need for an ongoing training program for those who wish to serve.

This year there is great variety in the materials available to help the local church in training its membership. The Association and State Church Training Department stand ready to assist you and your church in this vital area.

If we are to be " . . . workers who are not ashamed of our work, correctly teaching the message of God's truth" (II Tim. 2:15 TEV) -- then we must TRAIN, TRAIN, TRAIN!

Associational Church Training Director

1979 ASSOCIATIONAL ANNUITY BOARD REPORT

1978 was a "banner year" for the Annuity Board, as well as a challenge, as we tried to serve the churches and agencies of the Southern Baptist Convention.

Among the challenges were extreme variations in the stock market, staggering pressures from escalating costs, changes in personnel and organization and the eroding presence of governmental regulations.

Highlights of the year includes:

1. A "13th Check", equalling an additional full month's benefits and amounting to $1,036,914, was mailed to almost 10,000 annuitants in the Board's retirement programs.
2. A total of $25,558,637 was paid in retirement and protection benefits. Insurance benefits through church, agency and seminarian programs topped $13,000,000.
3. An Endowment Department, designed to seek funds for undergirding protection programs, was established. A goal for $25,000,000 by 1988 was set.
4. A record 630 new churches were added to the retirement programs enrollments. New pastors and church employees totaled 2,545, with 3,721 members upgrading programs.
5. Participants in the new Southern Baptist Retirement Program grew to 6,066. Family Benefit Section (Plan A) total 23,986 members and Age Security Section (Plan B) had a marked increase from 33,062 in 1977 to 44,324. Variable Benefit Section (Plan C) membership declined from 4,885 to 4,217.
6. Premium income reached $51,797,996 (including relief). Total Assets climbed to $569,734,471, compared with $498,977,661 a year earlier.

1979 WOMAN'S MISSIONARY UNION REPORT

The following ministries done by one or more church WMU's this year:

- Provided food and clothing to needy families, contributed to World Hunger Fund, provided coffee, juices, candy for Samaritan Colony.
- Visited nursing homes in Richmond and Scotland Counties, conducted services, furnished gifts and entertainment for a monthly Birthday Party at Care Inn, and BW and GAs adopted residents as "Pals" and "Gradparents".
- Visited Richmond County Correctional Unit monthly and gave Christmas gifts and other personal needs.
- Ministered to both male and female inmates at the Cameron Morison Youth Complex. Organized and directed the world's first BYW in a

prison, wrote letters to inmates, served Thanksgiving Dinner to the girls and gave personal items and Christmas gifts for the girls.

* One Scotland County BW works with the inmates at McCain.

Some women have completed the N.C. State prison volunteers' training. The Associatinal WMU has received a Certificate of Appreciation from the N.C. Department of Corrections and CMYC for their work. The Associational WMU Director was invited to tell about the WMU prison ministries on a Raleigh TV station and the Associatinal BYW Director shared it with the State WMU Convention.

Several WMU leaders went with the associational mission group to Portage, Ind. last summer. En route, they distributed tracts at stopovers and taught VBS and Backyard Bible Clubs, led 2 persons to the Lord and witnessed at Seamen's and Truckers' Centers in Indiana. One WMU sent money for foreign language Bibles for the Seamens' Center.

One WMU witnesses weekly at a local mission located in a Rockingham housing project. Most WMU organizations contributed to the new roof for the Scotland Acres Baptist Church.

Associational WMU meetings included: An Associational WMU Leadership Conference, 2 age-level manual studies, foreign and home mission studies, A GA Leadership Study, Spiritual Development Studies, Church WMU Studies, an Acteens Annual Meeting and a GAs Day Camp.

Miss Nancy Curtis, State WMU Director, spoke on the Great Commission at the Association WMU Annual Meeting and Miss Laura Frye, HMB Evangelism Consultant, taught about evangelism to BW and BYW.

The Associatinal WMU officers visited several churches to discuss WMU work with pastors and other church leaders. The result was the creation of 13 new WMU organizations during the year!

We express appreciation to Mrs. Mattie Hudson for her 15 years service as an associational WMU officer.

The Pee Dee Baptist Woman's Missionary Union recieved recognition at both the N.C. State WMU Convention and the SBC WMU Convention in Houston for having qualified as a Distinguished Organization!

Associational WMU Director

TASK FORCE ON PRAYER

The Executive Board of the N.C. Baptist Convention voted in December, 1978 to establish a Task Force on Prayer. The chief purpose is to encourage and lead Baptists in prayer for Bold Missions. Prayer is essential if Bold Missions is to be life-changing experience.

Each of the 80 Associations have been asked to select a Prayer Chairman for the Task Force on Prayer, whose responsibility is to challenge churches in the Associatin to attempt BOLD PRAYING.

The State Task Force on Prayer stated, "Claiming the promise Jeremiah 33:3: 'Call unto me and I will answer thee and show thee great and mighty things which thou knowest not.' "

N. C. Baptist will provide an Around-The-Clock-Bold Praying Prayer Chain for the N.C. Baptist Convention beginning Sunday, Nov. 11, 1979. All Pee Dee Baptists are asked to pray from 8 to 9 a.m. on Tuesday, Nov. 13. Those attending the convention are requested to go to the Prayer Room at the Winston Salem Coliseum at 5:15 p.m. on Tuesday, Nov. 13 for a 15 minute prayer session. These are our links in the State Prayer Chain; don't break them. Pastors, please announce this in your bulletins and from your pulpit. WMU, Sunday School, Brotherhood, Music Dept., Church Training officers and other officers, please, alert your groups to our important assignment and get a commitment from members to be in BOLD PRAYER for our responsibility in the Bold Missions Thrust and for the convention.

The State Task Force on Prayer has designated February 3, 1980 as N.C. BAPTIST DAY OF PRAYER. All churches and church departments are requested to observe this day in prayer for Bold Missions and life-changing commitments. There is POWER IN PRAYER. We can do great things for our Lord through Bold Praying and following through in the Bold Missions Thrust.

Juanita M. McGowan
Associational Chairman
Of Task Force On Prayer

After the presentation of these reports, Mrs. Beth McDonald from McDonald Church, Rockingham, brought a message in song entitled "Lonely People." Rev. Cass Vincent then came to bring the annual Missionary's Report and Message. He asked us, "Is Goal Setting Biblical?" His text was John 4:4, 28-42. He reminded us that Jesus set goals. Paul set goals. It is Biblical to set goals. The first step in goal-setting ought to be prayer. Then we ought to define our goals. The Association needs goals; the churches need goals. Next we should plan the steps for achieving our goals. Lastly, we must measure the results.

Following the Missionary's Report, the floor was opened to business. None was reported. Mrs. Joyce Rivers presented the Registration Report. There were 163 messengers registered and a total of 239 on record for the second session.

Mr. Jimmy Maske, chairman of Budget Committee, presented the Treasurer's report and 1979-1980 budget for the Association and moved its adoption. Mr. William Caudle seconded the motion.

Ron Long, Brotherhood Director for the Association, asked that the budget be increased from $100.00 to $500.00 for his department. Mrs. Juanita McGowan seconded this amendment to the budget. The amendment carried and the messengers voted to approve the budget as amended.

The Auditor's Report and Budget, as amended, are printed below.

1979 DIRECTOR OF MISSIONS REPORT

This has been a busy year for us and our Association. Our greatest blessing was the **Bold Mission Thrust** project which provided a new roof for the Scotland Acres church. An undertaking of such dimensions usually has its problems, but God blessed us all in every phase of this one and it was accomplished in a great way.

We rejoice in the fellowship that exists among the churches of our Association. We regret that the Derby church withdrew from our fellowship shortly after we arrived on the field, but it is our prayer that God's will be done in this church and also in all of our churches.

I want to give a personal word of appreciation to Mrs. Joyce Rivers, our Associational Office Secretary. She is a most vital member of our staff and, due to her ability, many necessary things were accomplished.

We also give thanks to God for the fine group of pastors we have in the Association, including several new ones. We are grateful for the leadership of our Moderator, Wayne Tuttle, and to all of our Associational leaders. Our work has been strengthened by their efforts.

I am encouraged by the stability of our Association and to see us becoming more aware of its potential in God's vinyard. Let's continue to make the foundation strong so that a more effective work for our Master can be done!

Some brief statistics of my work for this year are:

Miles traveled on associational business	21,240
Visits to the churches	225
Sermons preached	85
Prayer services conducted	30
Conferences with individuals	360

Gentlemen:

We have examined the balance sheet of the Pee Dee Baptist Association as of September 30, 1979 and the related statements of income and expenditures for the year then ended.

The examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records as were considered necessary, consistent with previous years.

In our opinion, the accompanying balance sheet and statement of income and expenditures present fairly the financial position of the Pee Dee Baptist Association at September 30, 1979.

William Caudle presented the Music Report. This was received as information.

Mrs. Elaine Williams moved the adoption of the Committee on Committees Report. Mrs. A. A. Williams seconded the motion, which carried. The report is as follows:

1979 ASSOCIATIONAL MUSIC MINISTRY REPORT

The purpose of the Associational Music Ministry is to assist the churches in any area of music, provide music for various associational events, such as the Annual Meeting, and to provide opportunities for training for churches who need assistance in the area of Church Music.

This year, an Associational Carol Sing was held at Hamlet, First, on December 19, 1978. Mr. Lee Duncan, Minister of Music, Laurinburg, First, and Mr. Johnathan Sills, Minister of Music, Laurel Hill Presbyterian, were the director and accompanist. This being something new, a very small group enjoyed the traditional carols and songs of the season.

Realizing the need for Director training, a Music Worker's Clinic was schduled in February. Snow and ice forced a re-scheduling of the Clinic for April 26 at Hamlet, Second. Again, heavy rains came and a small but enthusiastic group of directors and choir members received excellent help from Mr. Story.

Plans for this coming year are to enlist area directors who will be assigned a few churches to assist and stay in close contact with. These area directors would make up an Associational Music Council, who will meet several times to plan needed training opportunities.

Hopefully, an Associational Music Workshop will be held in the spring with the assistance of Mr. Charles Gatwood, State Music Director, and his staff.

We seek the very best in service to Jesus Christ through the ministry of music from every church throughout the next associational year.

W. S. Caudle, Jr.
Associational Music Director

Rev. Lamar Brooks, chairman of the Seminary Extension Committee and pastor of First Church, Laurinburg, presented his committee's report. He urged all present both to attend the study courses being offered, and also to encourage friends to attend. His report is printed below:

1979 SEMINARY EXTENSION COMMITTEE REPORT

The Seminary Extension Department is an agency of the Southern Baptist Convention and a cooperative ministry of the six SBC seminaries. It has been called "The largest program of continuing education for ministry in the world today", by Dr. Conally Gamble, Executive Secretary of the Society for the Advancement of Continuing Education for Ministry. North Carolina Baptists have more people enrolled in Seminary Extension than any other state (23% of SBC total in '78) and we have 61 Centers.

It offers three levels of study: (1) The Basic Curriculum for pastors and lay leaders with limited reading skills; (2) The College Level Curriculum for pastors and lay leaders with readiness to study on a college level; and (3) a new program, called Continuing Education, for seminary graduates which provides continuing challenges for persons who already have excellent academic preparation for ministry.

In our own association, a beginning was made in the fall of 1978, with the Rev. G. Carl Lewis, retired former pastor of the First Baptist Church, Rockingham, serving as the Director. One course n the study of the Gospel of Mark was taught by Dr. Byrns Coleman, Professor of Religion, Wingate College, primarily to prepare pastors for teaching the 1979 Januray Bible Study.

Since then, there has been a rapid development of the program. Our Center has been officially certified by the Seminary Extension Dept., under the name "Pee Dee Baptist Seminary Extension Center". The Rev. Ken Wright, Minister of Education, First Baptist, Rockingham, has been elected as the new Director. The first classes were held Oct. 15, 1979, in Laurinburg and Oct. 16 in Rockingham, with two courses being offered in each location.

Dr. Walter Woodson, Professor at Wingate College, is teaching Ephesians - Philippians at the Laurinburg Center, primarily to prepare pastors for teaching the 1980 January Bible Study; and the Rev. Richard E. Hodges, Minister of Education, First Baptist, Laurinburg, is teaching "Dynamics of Teaching" for persons working in Sunday School or elsewhere in church education.

Dr. Lamar J. Brooks, pastor of the First Baptist Church, Laurinburg, is teaching Ephesians - Philippians at the Rockingham Center, and the Rev. Ken Wright is teaching "Life and Faith of Baptist". All four courses are part of the College Level Curriculum and all four teachers have been certified to teach at this level.

Beginning in February, 1980, it is anticipated that the two courses taught by Mr. Wright and Mr. Hodges will be repeated, reversing the location, and that two additional courses of special interest to pastors will be added.

Our Seminary Extension Center offers its ministry to our churches as a means of enabling pastors and other church leaders to continually sharpen their skills. It will bear fruit in direct proportion to the number who take advantage of its, to the glory of God and the growth and development of our churches.

Lamar J. Brooks, Chairman
Seminary Extension Committee

The Moderator asked all present to stand and shake hands with their neighbors. After a brief time of fellowship, Mrs. Elaine Williams sang, "Share His Love."

Robert Stewart from the Sunday School Department of the Baptist State Convention brought the inspirational message. He urged us, if we are serious about Bold Missions, to get back to basics. He reminded us that Flake's Formula was still the only valid way to build a growing Sunday School program. He preached from Exodus 34:4-29 warning that blessing awaited the aggressive, but some would find themselves "rotting on the wrong side of Jordan."

The second session was adjourned with prayer by Rev. Jimmy Pulliam, pastor of South Laurinburg.

Third Session, Tuesday, October 23, 1979
First Baptist Church, Laurinburg, N.C.

A mini-concert performed by the host church's childrens choir opened the third session of the Annual Meeting of the Pee Dee Baptist Association at First Baptist Church, Laurinburg, at 4:15 P.M., October 23rd, 1979. Mr. William Caudle led the congregation in singing "The Solid Rock". Rev. Dan Freeman, pastor of North Laurinburg Church, led in prayer.

Dr. Lamar Brooks, pastor of the host church for the third and fourth session, welcomed the congregation.

Rev. Eugene McNair brought the Place and Preacher Committee Report. The places will be Cartledge Creek Baptist Church, Rockingham, and Spring Hill Baptist, Wagram, N.C. Rev. Gordon Shaw, pastor of Mt. Olive Baptist Church, Rockingham, N.C. will be the preacher with Rev. Alton

Coble, pastor of Spring Hill Baptist Church the alternate. Dr. Lamar Brooks seconded this motion and it carried.

The floor was opened for business. Rev. Gary Williams moved that the 1979 Annual be dedicated to the late Rev. John B. Nicely. Rev. J. C. McQueen seconded the motion and it carried. No further business was offered.

The Associational Clerk, Rev. Gary Williams, presented the Digest of Church Letters. He emphasized the need for the churches to provide accurate statistics and to return their church letters at the earliest date possible so that their churches can receive credit for their work for the year. The Moderator noted that these figures continued a six-year decline in our vital statistics. This report is found at the end of the Annual in the statistical tables.

Mrs. Ruby Ligertwood presented the 1979 Stewardship and Co-operative Program Report. She emphasized the four steps found in the middle of the report which follows:

1979 STEWARDSHIP AND COOPERATIVE PROGRAM REPORT

Bold Mission Thrust began as a dream for Southern Baptists in 1976 and its goals were officially adopted in 1977. They call for us to carry the gospel to and provide a New Testament church withing reach of every person in America by 1982 and to do the same thing worldwide by the year 2,000. These goals are awesome in their magnificence, but they are completely in harmony with God's marching orders to His people and are attainable, with His help!

As we approach 1980 it becomes increasingly clear that making this dream a reality will require that we advance in our support of world missions far more rapidly than we have since 1977. Our present rate will not do it!

We have the money. God has already given it to us. A tithe of 13 million Southern Baptists would enable us to allocate a BILLION DOLLARS a year for Bold Mission Thrust and still more than **double** the amount available for local expenses. The problem is not lack of money, but a lack of committment to the principles of Christian stewardship by most of our members.

Committment to faithful stewardship of possessions will come only as our churches do a better job of teaching and preaching what the Scriptures say about it. We need to do this, not only in order to raise more money for missions, but to enable our people to come to know the joy of giving at least a tithe through their church!

We suggest the following steps toward achieving our Bold Mission Thrust goals:

1. Each church undertake a long-term program of educating its members in what the Scriptures teach about the stewardship of possessions.
2. Challenge each member to begin giving at least a tithe through the church and be willing to make the adjustments in their lifestyle necessary to make this possible.
3. Each church adopt a challenging goal for advance in the percentages of the church budget given to associational missions and the cooperative program.
4. Churches become willing to explore the possibility of helping to finance a new mission or church in a pioneer area, or near at hand, if needed.

The Stewardship Commission of the SBC stands ready to help churches do these things. It provides leadership and materials for the development of Christian stewards. They have tracts, study course books, visual aids, budget programs and money management materials for this purpose. Your State Stewardship Department can tell you where to secure them, or write directly to Nashville.

Help is also available to churches in raising funds for new buildings. **Building for Today's Challenge** is a "do-it-yourself" program for a church to use in raising as much money as possible to reduce the amount that must be borrowed. **Together We Build** is a consultant-led program with a tailor-made emphasis designed for each church. It has been proven by many churches in the past few years. Please call on us if we can help you.

Mr. Lewis then presented the Biblical Recorder Report:

1979 REPORT OF THE BIBLICAL RECORDER TO THE ASSOCIATION

In its 146th year of serving North Carolina Baptists, the **Recorder**, like old man river, keeps rolling along. The **Recorder** faced the same problems as everyone in the past year because of inflation. The cost of postage continues rise at a rate of over 30% a year. It is now four times higher than it was five years ago.

Paper and printing also have gone up, but despite these increases. the **Recorder** is still about the most reasonable publication available. By keeping the staff small and cutting corners wherever we can, the **Recorder** can still go into every home in a church for only 7½¢ per week. A stamp for a first class letter costs twice as much!

This has been a newsworthy year and the **Recorder** has tried to keep you informed. Wake Forest University and its relationship to the Baptist State Convention continues to be in the news and you can depend on the

Recorder to strive for fairness and responsible coverage. Action will be taken at the State Convention in November on a proposal that has been worked out by a special committee.

The Southern Baptist Convention in Houston was another important story this year and, as always, the **Recorder** was there.

Even though the **Recorder** takes pride in its coverage of denominational news and events, it devotes more space to the local churches than any other state paper in the Southern Baptist Convention. The **Recorder** believes in the local church as the foundation stone of what we are trying to do together as Southern Baptists. Strong churches result in a strong denomination!

Marse Grant is completing 20 years as editor of the **Recorder** and he is still striving to make the **Recorder** better each week. Your support of the **Recorder** will not only mean much to it, but will also make you a stronger and better informed Christian. If you and your church do no receive the **Recorder**, please take steps immediately to see that this is done.

Carl Lewis
Biblical Recorder Representative

Larry Sawyer, Resident Director of Odum Chrildren's Home, Pembroke, N.C. presented the 1979 Baptist Children's Homes Report. He emphasized the Homes as family services centers and invited those present to visit Odum Home. His report follows:

1979 BAPTIST CHILDREN'S HOME REPORT TO THE ASSOCIATION

Children in the care of the Baptist Children's Homes are like children everywhere. They are looking to and receiving guidance from caring adults, their minds are being enriched in appropriate educational development, their spiritual needs are being attended, they are happily at play and they are contributing to the lives of the people close to them. Many are finding it possible to become a part of a re-established family because the important relatives in their lives are served by the Children's Homes while the child is in care.

This is a continuing need in our society for existing programs of service. Flexibility and change are the order of the day for the Baptist Children's Homes to meet whatever human need is expressed as the family confronts societal pressures. This is a real challenge.

North Carolian families have ready access to a variety of services offered by the Baptist Chidren's Homes. A Family Services Center has been created to serve a ten county area surrounding Pembroke with administrative offices at Odum Home. A call to that office should put families in touch with information and help when they need counseling, emergency care, maternity home services or placement of children for longer periods of care. Staff from this office also is able to worker with area pastors and denominational leaders top plan programs in family education and to offer assistance in day care and early education in churches and other family oriented interests.

Every effort is being made to be a part of and cooperate with the Bold Missions program of advance fostered by the Baptist State Conventon in cooperation with the local church.

An indepth, comprehensive self-study of every segment of the Baptist Children's Homes is just being concluded by the institution's trustees. The study has take two years and projects the future direction of the Homes over the next decades.

A major portion of the 1978-79 operating budget of the Homes comes from the local church through the Cooperative Program Special Gifts and the traditional Thanksgiving Offering. This has helped make it possible to operate thus far this year within income. We are prayerfully concerned, and optomistic, that sufficient funds will continue to come to provide needed services to families and children.

Pastors, other church leaders, and Associational leaders are asking for help in ministering to families. Services of the Homes are being localized as rapidly as possible in order to join hands with these concerned people.

Mr. Tuttle presented the Christian Life and Public Affairs Report.

Mrs. Gladys Creech presented the Homes for the Aging Report. She reminded the congregation of our prayer as an Association last year for a Home for the Aging in the area. She reported that Mr. Bill Poole, Director of Homes for the Aging, was not encouraging in this project. She is now in touch with Cecil Ray, General Secretary-Treasurer for the Baptist State Convention.

Citing the increasing proportion of elderly in our population, Mrs. Creech urged a larger percentage of the co-operative program be set aside for Homes for the Aging. She further suggested that the advisory committees for nursing homes in our two counties be utilized for more effective changes of policy affecting nursing home care.

She asked Rev. Jerry Townsend to lead in prayer for this need. The Christian Life and Public Life Report and the Homes for the Aging Report follow:

THE 1979 COUNCIL ON CHRISTIAN LIFE AND PUBLIC AFFAIRS REPORT

The Council on Christian Life and Public Affairs is made up of twenty persons selected by the Convention. Eight come from the Convention's General Board, while the remaining twelve are elected at-large. These persons give overall leadership to the Council's staff.

W. Douglas Cole has been recently named as the new Director of the Division of Christian Life and Public Affairs, to succeed Ted Williams, who had earlier been named Director of the Department of the Aging.

The Christian Life Council has been concerned with a number of moral issues during 1979. The status and health of the family is of great importance. We have sought to strengthen family relationships through marriage enrichment retreats and associational family life conferences. Also, a marriage enrichment retreat was held for ministers and their spouses. A family life poster has been printed and is being made available to churches.

More than 700 N.C. Baptists participated in the newly-formed Legislative Information Network. Members of the Network received a guidebook containing relevant information on the North Carolina General Assembly. In addition, a regular newsletter was mailed to all participants, keeping them informed on a wide variety of legislative issues of interest to Christians.

Work by the Department of Aging was begun this year. Under the leadership of Ted Williams, the Council has sponsored a Senior Adult Conference and a Senior Adult Retreat. Efforts are being made to get associations and churches to have senior adult co-ordinators. As the number of senior adults in our society grows, it will be increasingly important for us to find creative ways to minister to senior adults and to help them deal with the problems of growing old.

The plight of millions of hungry and starving people around the world has continued to hold the attention of Baptists. A packet of materials was prepared by the Christian Life Council to aid the churches in the observance of World Hunger Day in August. Many churches have participated through special services, offerings, study groups and other means, in helping hungry peole around the world. Many more need to become active in feeding the hungry in Jesus' Name.

Applying the teachings of our Lord to our day-by-day lives is not easy. It may call for a radical change in life styles to really take up our crosses and follow Him. The task of the Christian Life Council is to help N.C. Baptists to live life as Christ would have us to live it.

1979 NORTH CAROLINA BAPTIST HOMES FOR THE AGING REPORT

This has been a year of great significance and celebration in the life of our North Carolina Baptist Homes for the Aging! We give praise and thanksgiving to God especially, and to our Baptist pastors and churches throughout North Carolina for the victories we have experienced!

Of outstanding importance has been the completion, dedication, and occupancy of our new Western North Carolina Baptist Home in Asheville. It will care for 50 residents and is already filled.

The new apartment complex in Winston-Salem, accommodating 16, has been completed and all of the apartments have either been filled or assigned.

Homes are located in the following places: Resthaven, The Hayes Home, Apartments and the Skilled Nursing Home Unit, in Winston-Salem; The Albermarle Home, in Albermarle; The Hamilton Home, in Hamilton; the Yanceyville Home, in Yanceyville; and the Western North Carolina Baptist Home, in Asheville. They have a total capacity of 300 persons.

Support through the Cooperative Program for our Homes supplies about 8% of our total budget and it has been 1.2% of the Baptist State Convention Cooperative Program dollar throughout the 28 years history of the ministry of Baptist Homes. We will receive 15% of the new North Carolina Missions Offering this year. We, along with other agencies which depend upon this offering for a good part of their income, hope that the goal of $2,000,000 will be reached.

Ministry to an older person is a ministry as unto Christ Himself. We trust that you will keep this vital ministry close to your heart and in your prayers, and that your gifts will enable us not only to minister to those in our care, but will make it possible for us to expand this desperately needed ministry in our Convention.

Mrs. E. D. Creech,
North Carolina Baptist Home
Representative

Mrs. A. A. Williams presented the Baptist Foundation Report. She challenged those present to provide for a witness beyond the grave by including Baptist causes in their wills.

Mrs. Anna Lee Hayes presented the Christian Higher Education Report. She noted that Wingate graduated its first senior class this year and Campbell attain university status. Campbell also graduated its first class from their new Law School.

The Baptist Foundation and Christian Higher Education reports follow:

1979 NORTH CAROLINA BAPTIST FOUNDATION REPORT TO THE ASSOCIATION

Since January 1, 1979, the Foundation staff has made an intensive effort to familiarize as many pastors as possible with the helpful services provided by the Foundation. This has been done through conferences over the state and Rev.James B. McQuere, retired Director of Missions for the South Fork Baptist Association assisted us with these conferences.

The Foundation is available to assist individual Baptists with their estate planning, regardless of the size of the estate. Many of the most significant and meaningful gifts to the ministries of our denomination have been directed through the Foundation as trustee. These services are available from the trained staff and their professional support (accounting and legal services), employed for this purpose without cost to individual participants. Where an individual desires to help share the gospel beyond his or her lifetime, a trust established with the Foundation provides the means of doing so.

A ruling by the North Carolina Bar Association has said that the Foundation cannot use its own legal counsel to draft a will for any person, nor can they pay any other attorney to do so, or direct a potential donor to a select group of attorneys who would prepare wills. We can pay the individual making a will up to $25 toward the cost. Many Christian attorneys will draft a will for the clergy without charge.

The Foundation has been actively engaged in assisting individuals in having their will revised and in the preparation and setting up of annuity trusts. Through such a trust, an individual or couple can place in trust assets (such as property, cash or securities) and receive income for the remainder of their lives. After death, the income from the trust will be paid to donor's choice of Baptist missions work and/or institution. This gives the satisfaction of being a faithful steward of the resources given you for the Lord's work, while taking advantage of the laws of our land in reducing taxation on resources - both income and estates.

In 1978 over one million dollars was added to the funds of the Foundation for the first in our 58 year history. Much of this came through many relatively small gifts.

A personal and private appointment with a Foundation staff member can be arranged either through your pastor, associational Director of Missions, or by writing or calling the Foundation office. The address is:

1979 CHRISTIAN HIGHER EDUCATION REPORT

When North Carolina Baptists call the college/university roll, there are seven reasons to be grateful and proud: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate. These are seven of 53 colleges and universities supported and nurtured by state conventions within the Southern Baptist Convention.

According to the latest figures printed by the Education Commission, SBC, of the 134,000 students attending the 53 SBC colleges, almost 20,000 are enrolled in North Carolina schools. Thus, 15% of all Baptist college enrollments are located in this state.

The 1978-79 year witnessed change and progress. Enrollments were stable; budgets were balanced; Wingate College made history by graduating the first senior class; Campbell, once know as a senior college, announced a name change to Campbell University; the Campbell Law School graduated its first class; and churches all across the state answered the Council's request for names and addresses of prospective college students. In the main, it was a very good year for our Baptist colleges.

All North Carolina Baptists are now aware of the current discussions between Wake Forest and the Council Committee to Study the Wake Forest University Proposal. Many hours of study and work have been given by that committee, and this work will continue at least until the Convention meets in Winston-Salem on November 13-14, 1979. The Council will make its recommendation to the General Board and the General Board will report and recommend to the Convention.

The Council on Christian Higher Education joins in encouraging the churches to elect responsible and informed messengers to the Convention. Decisions made concerning the continuation of the Wake Forest/Convention relationship will affect the life and work of the Convention and Wake Forest for many years to come.

We thank you for supporting the colleges. We call upon the churches to pray for all of our Baptist work, including the colleges. We look toward the crucial decisions in the fall with confidence in North Carolina Baptists, who have been supporting Christian higher education for almost 150 years!

Anna Lee Hayes

Dr. John Freeman, Minister of Education at First Baptist, Hamlet, and Brotherhood Director, presented the Brotherhood Report. He noted that missions led to the first association of Baptist churches in 1814. Women, and particularly the WMU, have led the way in missions. But men have done a poor job. He urged us men to turn the trend around and asked the ladies to encourage the men in their lives to get involved in Brotherhood, R.A's, and mission. The Brotherhood Report follows:

1979 ASSOCIATIONAL BROTHERHOOD REPORT

The Brotherhood is the missions organization for men and boys in Southern Baptist Churches. It includes Baptist Men, for all men 18 years and over, and Royal Ambassadors for boys 6 through 17. The RA's is divided into the Crusaders, for boys in the 1st through the 6th grades and Pioneers, for boys in the 7th through the 12th grades. If a church has any one of these age level organizations, it has a Brotherhood!

The purpose of the Brotherhood is to teach men and boys about the World Missions Program of Southern Baptists, to encourage them to support missions through their churches with their tithtes and offerings and to become personally involved in missions as volunteers for mission ministries in their communities, state, nation and abroad. It parallels the purpose of the W.M.U. for women and girls in our churches.

This has been a busy year for the Brotherhood, both in the Association and in the churches. Men have served as volunteer workers at the Richmond County Prison Unit, the Cameron Morrison Prison and the Samaritan Colony home for the rehabilitation of alcoholics.

Men attended the Associational Foreign Mission Studies at the Second Baptist Church, Hamlet and the First Baptist Church, Laurinburg. They also attended the Home Mission Studies at the Pine Grove Baptist Church and the Stewartsville Baptist Church.

Men were involved in an Associational Missions Project this past July when they traveled to Portage, Indiana to help erect a church building there. Many men also turned out to help reroof the Scotland Acres Baptist Church's building, which had a flat roof badly in need of repairs. They replaced it with an attractive new roof. The trusses, sheathing and shingles were all installed in one day!

The Brotherhood sponsored a Workshop for leaders of Baptist Men and Royal Ambassadors. A Crusader Car Competition was held, with the winners qualifying for the State RA finals.

The Southern Baptist Convention Brotherhood Commission suffered a tragic loss when its Executive Director, Glendon McCullough, was killed in an auto accident. Plans are underway to undergird the Bold Mission Thrust by pushing the involvement of thousands of men in volunteer missions projects. Both the Home and Foreign Mission Boards are set up to use men with a wide range of skills on a volunteer basis to help our career missionaries on their fields of service.

The year 1978-79 has been a good one and with your continued help and support, 1979-80 can be even better!

John Freeman
Associational Brotherhood
Director

Mrs. Shirley Tuttle sang a medley on the friendship of Jesus. George Shores, Director of Associational Development for the Baptist State Convention, brought a message from I Peter 2:9,10 on "Discovering Who We Are." He said that as God's people, we must:

1. change our attitude toward church growth and evangelism
2. better disciple our lay people
3. develop in the Association a bold strategy of missions

Dr. Lamar Brooks, host pastor, informed us of the 101st year of ministry of First Baptist, Laurinburg. They celebrated their centennial this year, calling it "The Celebration of a Century--And One to Grow On." He invited the congregation to visit their history room and study their time line during the dinner hour. He also presented a copy of the church's history to Director of Missions Cass Vincent, to be placed in the Associational Office. The History was accepted by Mr. Vincent on behalf of the Association with congratulations and gratitude.

The third session was closed with prayer by Mr. Rick Hodges.

Fourth Session of the Pee Dee Baptist Associational Annual Meeting at First Baptist Church, Laurinburg, 6:45 P.M., October 23, 1979

During registration time, those who were present for the fourth session of the Pee Dee Associational Annual Meeting were treated to a mini-concert on the organ console. Lee Duncan, Organist and Minister of Music for host church, First Baptist of Laurinburg, demonstrated the four voices of the organ, the range of the instrument, and concluded with a variation on the Doxology at full volumn.

Following the mini-concert, Rev. William Caudle, director of music for all four sessions, led the congregation in singing "Love Lifted Me." Rev. Jimmy Pulliam, pastor of South Laurinburg Baptist Church, led with prayer. Dr. Lamar Brooks, pastor of the host church, again welcomed the congregation.

D. P. McFarland, editor of "Tomorrow" published by the Christian Action League, presented and spoke to the 1979 Christian Action League. He informed the congregation that Dr. Tom Freeman had been elected this year to serve as president of the Christian Action League. He urged us to write our senators to oppose Senate Bill No. 943, which would further relax controls against the liquor flooding our state. He reminded us that as terrible as the Jonestown Massacre was, its results were almost trivial compared to the continuing slaughter and social ills resulting from the abuse of our nation's worst drug problem--alcohol. His report follows:

1979 CHRISTIAN ACTION LEAGUE REPORT

The League is pleased to make this report, grateful for the support which you have given and happy to mention some decisions which affect the social climate of our state and the moral fiber of our people.

The Supreme Court of the State of North Carolina has ruled the anti-pornography bill constitutional. Better known as the Lake Bill, it is ready to be enforced by sheriffs, police chiefs and district attorneys.

The Court of Appeals of the State of North Carolina will hand down a ruling soon on the challenge of the liquor-by-the-drink legislation passed by the 1978 session of the General Assembly. This suit was filed in Wake Superior Court in January and the decision by Judge Pou Bailey has been appealed to the Appeals Court. A brief has been filed and the next step is to present arguments before the court. Our attorney feels that we had a good chance of winning the case, but the only thing to do now is to wait. The League has discovered that law suits are time-consuming and expensive. We need your prayers and your financial support in this matter.

The North Carolina Senate, in a last-day move, passed a bill which under certain conditions will give cities and towns a chance to vote after the county has voted to turn down liquor-by-the-drink. This will undermine the basic philosophy underlying the original L-B-D bill. Since this bill has passed the Senate, it can be considered by the House in the short session to be held in June, 1980. We need to secure commitments from our Representatives that they will oppose the bill, which is Senate Bill No. 943.

A decision (vote) by the members of the Senate of North Carolina killed a bill which would have relaxed the penalties for the possession of up to four ounces of marijuana. We rejoice in this victory!

On May 1 of this year, Brother Coy Privette became the full-time Associate Executive Director of the League. Continue to pray for the Directors, the officers and trustees and give us your increased financial support.

D. P. McFarland

Following the Christian Action League Report, the floor was opened for nominations and election of Moderator of the Association for the coming year. Dr. Billy Rivers, pastor of First Baptist, Hamlet, nominated Rev. Jerry Townsend, pastor of Beverly Hills, Rockingham. Dr. Lamar Brooks moved that this nomination be by acclamation. Rev. Ronald Long, pastor of Roberdel, Rockingham, seconded the motion. The vote was unanimously in favor of Rev. Jerry Townsend.

Dr. John Freeman, Minister of Education and Associate Pastor for First Baptist, Hamlet, nominated Dr. Lamar Brooks, pastor of First Baptist, Laurinburg, to serve as Vice-Moderator of the Pee Dee Baptist Association. Mrs. A. A. Williams moved that this vote be by acclamation. Rev. Jerry Townsend seconded the motion. The vote was unanimously in favor of Dr. Lamar Brooks.

Rev. Eugene McNair presented the Resolutions Committee Report and moved its adoption. Mr. A. C. Corder seconded the motion and it passed. This report follows.

REPORT OF THE RESOLUTIONS COMMITTEE

The Resolutions Committee of the Pee Dee Baptist Association recommend that we, the messengers and visitors to the 164th annual meeting of the Association express:

First; our profound gratitude to God for His blessings upon us through the cooperative spirit of our churches in the task of taking the ministry of Christ to every individual in the community and around the world.

Second; our sincere appreciation to the pastors and members of Cobb Memorial Baptist Church and First Baptist Church of Laurinburg for their gracious entertainment of messengers and guests at the sessions of the Association.

Third; our sincere appreciation to the Program Committee for arranging informative and inspiring programs and those who have participated in them, particularly to the visiting speakers who have come to us from beyond our Association who have brough us helpful messages.

Fourth; we express our gratitude to our retiring officers for their faithful and efficient service to the Association during the past year: we recommend our officers to you as they lead us through another year filled with new responsibilities and opportunities for effective service.

Fifth; that we call upon all the churches in the Association and their members to rededicate themselves to the work of the ministry of the gospel of Jesus Christ our Lord during 1979-1980 to the end that God may be glorified through our continued service together.

Respectfully submitted,
Rev. Jerry Townsend

The final registration is as follows:

The floor was opened for business. Dr. John Freeman made a motion that the Association recognize First Baptist, Laurinburg on their 101st Anniversary. Dr. Billy Rivers amended this motion, with Dr. Freeman's approval, that "the Pee Dee Association recognizes First Baptist, Rockingham, on their 100th Anniversary and First Baptist, Laurinburg, on their 101st Anniversary.

Prior to the Annual Sermon. Mrs. Jo Harde brought a message in song, "Let the Church Be the Church." Rev. Robert Rea, pastor of Stewartsville Church, Laurinburg, brought a message based on II Chronicles 7:12-22. He said that Christians need to express the resurrected life of Christ. To get this life, we need to:

1. humble ourselves
2. pray
3. seek God's face
4. turn from our wicked ways

Following this challenge, Rev. Alton Coble presented the Sunday School Report. Beside the written report, which follows, he asked the churches of the Association to complete the survey and Sunday School mail-outs from his office and return them. He promised good stewardship of our time in completing them.

1979 SUNDAY SCHOOL REPORT

The two key words in Sunday School work are REACHING and TEACHING. Related tasks are: Lead all church members to worship, witness, learn and minister daily; provide organization and leadership for special projects of the church; and provide and interpret information regarding the work of the church and denomination.

The Association Sunday School Department plans its activities to help the churches perform their Sunday School tasks. This coming year your Sunday School Dept. has planned the following activities:

1. Sent a form to churches for a list of their Sunday School workers.
2. A Seminary Extension course on the 1980 January Bible Study for pastors (Ephesians-Philippians).
3. Promote High Attendance Day in the Sunday School Oct. 28, 1979.
4. A Training School
5. A survey of needs (a form for this will be sent to churches)
6. A Sunday School Growth Spiral Clinic.
7. Vacation Bible School Clinics.
8. The Sunday School part of the Key Leadership Conference.
9. Promoting the "Read the Bible through in 1980" emphasis.
10. Pastor-Director Workshop.

This past year there were two VBS Clinics held, one each in Richmond and Scotland Counties (see VBS Report in book). Your Sunday School Director was involved in recruiting the faculty and finding the sites for these Clinics. The VBS faculty attended the State Clinics.

A summer worker, Jimmy Loftis, was employed to organize Backyard

Bible Clubs in the churches. Jimmy's work was supervised by the Director of Missions, Cass Vincent.

Much time and effort has been put to recruiting an Associational Sunday School Team of age-level workers. Those recruited thus far are: Preschool Director, Crystal Leathers; Youth Director, Richard Hodges; Adult Director, Jerry Townsend; and Sunday School Director, Alton Coble.

This team, in varying degrees of completion, has held two meetings to plan the budget and activities for the year 1979-80.

The Director attended the State Key Leadership Conferenct at Ridgecrest and led the S.S. portion of our own Key Leadership Conference at Hamlet, First. A program report meeting by the State Task Force on Sunday School was held at the Second, Hamlet church in September, jointly with our Pastors' Conference. Cecil Sherman, Task Force Chairman, and Bill Byrd, State S.S. Dept., led this meeting. Richard Hodges led the Pastor-Director Workshop held at Calvary, Hamlet, in September.

Our S.S. Team members have committed themselves to periodic team meetings, promotion of S.S. emphases and meetings, and attending a State S.S. Training Session at Ridgecrest, April 17-19, 1980.

We express our deepest gratitude to Cass Vincent and Joyce Rivers for their help. Your S.S. Team could not function without their untiring support and assistance. We want the Associational S.S. Program to be of maximum benefit to the Sunday Schools of our churches. Please let us know how we may help!

Alton Coble
Associational Sunday School Director

Rev. William Caudle led the congregation in singing "I Stand Amazed in the Presence." Mrs. Frances Caudle brought a message in song, "His Eye is on the Sparrow." Rev. Wayne Tuttle introduced Jerry Wallace, former pastor in the Pee Dee Association and presently Director of the Department of Religion, Campbell University who brought the final message.

Mr. Wallace preached from Luke 15, "Jesus Response to Religious Mumbo-Jumbo". He said:

1. We must recover a sense of lostness in our world.
2. We must devise unique strategies of recovering those who are lost.
3. We must learn how to celebrate coming home again.

Following this tremendous message, the new officers for the Association were installed:

Rev. Jerry Townsend, Moderator
Dr. Lamar Brooks, Vice-Moderator

The final session of the 164th Annual Meeting was closed with prayer by Rev. Wayne Tuttle.

THANKS BE TO GOD FOR HIS SWEET PRESENCE DURING THESE MEETINGS.

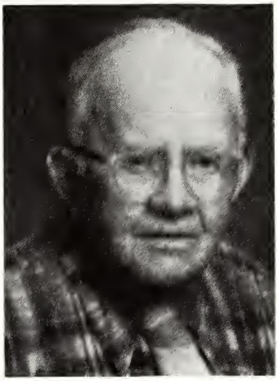
THIS YEAR'S ANNUAL MINUTES ARE DEDICATED IN MEMORY OF MR. JOHN DOUGLAS WHITE



Mr. John Douglas White was born near Bladenboro, N.C. September, 1893 to John Archibald and Elmire Caroline Covington Sessoms White. He was the youngest in a family of twelve children, all of whom are deceased. He was married on January 30, 1960 to the former Bessie Jane Howle, now deceased.

Mr. White attended Bladenboro Academy, and at the age of 18 went to work for Atlantic Coastline Railroad in Wadesboro as telegraph operator and as a relief agent traveling to N.C., S.C., Georgia and Alabama until 1932. He served as a clerk at Camp Mackall and Postmaster of East Rockingham Post Office until his retirement. Later served as salesman for Acron Refining Co., retiring again in 1959.

He joined the East Rockingham Baptist Church on October 18, 1942, later transferring his membership to the Pine Grove Baptist Church. He served as a messenger to the Pee Dee Baptist Associational Annual meeting each year since 1952 until his death June 10, 1980. Mr. White served in the Association as Historian and Brotherhood Director for 10 years.

We dedicate the minutes of the One Hundred Sixty-Fifth session of the Pee Dee Baptist Association as a memorial to him in recognition of his love for Christian fellowship and his upright dignified Christian life which he lived to its fullest.

2. Go - and carry the Word unto all the world.
3. Witness - Tell what you have experienced; what Jesus has done for you.
4. Ye - plural. It means **you all.**
5. Are - connecting verb; you **are** a witness whether negative or positive.
6. Holy Spirit - God's source of power. Results come only through His power.
7. Now - fields are ready for harvesting now. Now is the day of salvation. Now is the accepted hour.

REPORTS PRESENTED AT THE FIRST SESSION

ANNUAL REPORT FROM SAMARITAN COLONY - 1980

Positive results are coming from the seed planted by the Baptist Churches in their local mission efforts. Since the last report continued Christian ministry is ongoing in the ways it has in the good work of the past.

Down and out alcoholics are served in mission efforts as follows:

Sunday Worship 9:00 A.M.
Wednesday night Song Service 8:00 P.M.
Daily Bible Study 9:00 A.M.
Church outings and group participation.
Special guests and groups during other days.
Bibles are presented to each Graduate.
Religious counseling to each man.

Other rehabilitation services continue with the staff providing education, information, and alcoholism counseling. Rev. Arvel Crawford, Baptist Minister, has joined me in a team ministry to the alcoholic in this mission outreach. The combined efforts will provide greater service to the increased out-patient counseling, church programs, and services to the recovering alcoholic.

We continue to serve as a right arm to your local Church. We are continuously in need of the support you give financially, prayerfully, and spiritually through the faith you put into action.

I especially appreciate the Good News About Jesus Christ you bring to us through food, clothing, snacks, visits and love.

We know what the Good News is—yet the Bad News is that many of our churches are missing out in this local mission project by misunderstanding what Samaritan Colony is about. Many confuse it as a place where people are drinking on premises—not so—we ask a man to be sober two days before coming in and that he simply have a desire to get help with his problem. Others think they just come to sober up and then go back out and drink again—not so—It is a place of rehabilitation that gives a man the opportunity to use Jesus Christ as the love and forgiveness in his life that is so often lacking. Others have pointed to disheveled vagrants and refer to them as residents of Samaritan Colony—not so—we would love to help these people too; however, we help those who help themselves.

The greatest mission effort is at our own doorstep—unless you the church get involved increased numbers will suffer needlessly from alcoholism because of our own lack of involvement in getting the message of love and recovery to these men.

The four of us working in this ministry (2 Baptists & 2 Methodists) urgently request your financial support.

Rev. Mac Willingham
Rev. Arvel Crawford
Margaret Johnson, Counselor
Nancy Smith, Bookkeeper

Tracts and periodicals	423
N.T. and Bibles	99

Other visits:
41 visits to hospitals, funerals, and homes of inmates' families.

This past year has been a blessing to me as Chaplain at the Rockingham Prison Unit. Praise our Wonderful Lord that 35 professions of faith have been made.

The Bible class set up last year by Luke Garner is continuing and an additional Bible class has been started on Fridays. Many of the men are enjoying the use of a Matthew Henry's Commentary and a Strong's Concordance donated by the Pee Dee Baptist Pastor's Association at their June meeting.

Everyone especially enjoyed the Christmas Banquet planned and promoted by the churches.

Continued thanks to Pine Grove, Beverly Hills, Faith, Calvary, and Second Baptist for taking an active part in this ministry. We also wish to express appreciation to all of the churches for their financial support. We covet your prayers for the prison ministry.

Liberty Koontz
Chaplain

1980 SEMINARY EXTENSION COMMITTEE REPORT

People who work with Seminary Extension believe that learning is something which should take place throughout life. Learning is also something which should prepare individuals for life's significant tasks.

Seminary Extension is a movement born out of an expressed need within Southern Baptist life for ministry training opportunities beyond the college or seminary campus. Its goal is to bring continuing theological education within reach of ministers and lay church leaders, regardless of age, geographical location, or level of formal educational background.

More than 10,000 persons currently are enrolled in one or more courses. Seminary Extension students are in all fifty states and a number of foreign countries. Eighty percent of these attend classes in one of the approximately 400 Seminary Extension centers.

North Carolina Baptists help underwrite the cost of study with Seminary Extension through the Cooperative Program budget. This subsidy helps keep the cost per course within a range every student can afford. This is a major reason why our state has had the largest statewide Seminary Extension program in the United States for the sixth consecutive year.

During the past year 78 Seminary Extension centers have been active throughout North Carolina. These include 16 centers among General Baptists established in connection with Shaw Divinity School in Raleigh.

Pee Dee Baptist Seminary Extension sponsored three courses taught in four classes during the fall and winter. Dynamics of Teaching was taught by Rick Hodges, Minister of Education with the First Baptist Church in Laurinburg. Life and Faith of Baptists was taught by Ken Wright, Minister of Education with the First Baptist Church in Rockingham. Sunday School co-sponsored studies in Ephesians/Philippians. One class was taught by Lamar Brooks, Pastor of First Baptist Church in Laurinburg; another class was taught by Walter Woodson, a professor at Wingate College.

There was a total enrollment of 24 students for these classes. College-level credit was earned by 13 students.

1980 BAPTIST TASK FORCE ON PRAYER REPORT

"It just took a miracle to bring us together," said Mark Corts, outgoing N.C. Baptist Convention President. He was discussing N.C. Baptists' approval of a new relationship with Wake Forest University.

The N.C. Baptist Task Force On Prayer expected a miracle at the 1979 State Convention. Baptists formed an Around-the-Clock Prayer Chain for the convention. Pee Dee Association Baptists prayed on Tuesday, November 13 at home from 8 to 9 a.m. and messengers went to the Convention Prayer Room to pray from 5:15 until 5:30 p.m. We will be asked to join a prayer chain again November 10-12 for the 1980 Convention at Greensboro.

On December 1-2 Associational and State Prayer Leaders attended a Pray-Think-Act Seminar at Caraway Conference Center led by Glen Sheppard from the Home Mission Board. We made a synopsis of this study and sent it to our pastors with the recommendation that they challenge their church members to make commitments to become prayer warriors and to pray daily that a Spiritual Awakening would sweep across America beginning with them. Glen Sheppard will lead a Pray-Think-Act Seminar in our association September 21-22, 1981.

Many churches in our association observed the N.C. Baptist Day of Prayer on February 3. Some had prayer studies in preparation. Dr. Billy Rivers taught from the Prayer Guide 2959 several Wednesdays to prepare his church for the numerous commitments made on February 3. Cordova Baptist Men, WMU, Deacons and others heard the Associational Task Force on Prayer Chairman on an icy Wednesday night before the N.C. Day of Prayer. Rev. Wayne VunCannon led his people to a meaningful commitment on the Day of Prayer. The men and women meet separately each Sunday morning at the Roberdel Church to pray. Baptists are experiencing spiritual renewal and growth through the power of prayer.

The Associational Prayer Chairman, Director of Missions and several others attended the Baptist World Alliance Congress in Toronto, Canada where they heard Baptist World Leaders speak about the Spiritual Awakening sweeping across the world. They were challenged to return to their churches and begin prayer groups that would pray fervently for the coming of a third great world-wide spiritual awakening. A speaker said, “There has never been a spiritual awakening and revival that did not start with prayer and confession. If everyone in this room would return to their homes and get thoroughly right with God and confess his sins and become part of a thoroughly committed prayer group, revival could spread around this world starting here.”

An Associational Task Force on Prayer Committee will assist churches in organizing a Task Force on Prayer (prayer groups) in their churches. We hope every church and every Christian in the Pee Dee Association will make commitments to join other Baptists throughout the world to become a praying, thinking (Bible study) and acting force to combat evil and to obey Jesus' command (Acts 1:8) that he has assigned to Baptists in the Bold Missions Thrust.

Assoc. Task Force on Prayer

SECOND SESSION, MONDAY, OCTOBER 20, 1980
Cartledge Creek Baptist Church, Rockingham, N.C.

As messengers, visitors, and non-messengers to the Association registered and were seated, they were welcomed with a mini concert by Rev. Don Bearfield, Minister of Music, First Baptist Church, Rockingham, N.C. He was accompanied by his wife on the piano. Following mini concert, William Caudle opened the second session by leading the congregation in “Love Lifted Me”. Rev. Bearfield led in prayer. Rev. David Blanton, pastor of host church, welcomed those newly registered for this session.

Dr. Lamar Brooks, moderator, called for the following reports: Sunday School, Church Training, Youth, Brotherhood, WMU, and Music. These reports are printed below:

1980 SUNDAY SCHOOL REPORT

The two key words in Sunday School work are Reaching and Teaching. Related tasks are: Lead all church members to worship, witness, learn, and minister daily; Provide organization and leadership for special projects of the church; and provide and interpret information regarding the work of the church and denomination.

The Associational Sunday School Department plans its activities to help the churches perform their Sunday School tasks. To determine the Sunday School needs of the churches a “Sunday School Needs,” survey form was mailed out. The returned surveys indicated that outreach was a primary concern in many churches. This emphasis on outreach coincides with the general trend in our denomination at the present time and with the programs of other departments in our Association. Consequently, the 1980-81 Associational Sunday School Program is heavy on Outreach opportunities:

1. Continuation of Growth Spiral Visits. This program has been extended another year with a goal of all 38 of our churches participating.

2. Central School on the Reaching series of books.
3. January Bible Study Workshop for pastors.
4. Enlargement Campaign in February of 1981.
5. VBS Clinics.
6. Key Leadership Conference.
7. Pastor-Director Planning Workshop.
8. Preparation Week materials taught on Associational level.
9. ASSIST team members working in individual churches when feasible.

This past year there were (3) VBS clinics. These clinics are reported elsewhere in the VBS report. The VBS faculty attended the state clinic.

Three members of your Sunday School Team along with Cass Vincent attended ASSIST (Associational Sunday School Improvement Support Team) training at Ridgecrest last April.

Your Sunday School Director attended the Key Leadership Conference at Ridgecrest in May and held a similar conference in the association later in May.

Last October a Central School was held on the Teaching/Guiding series of books with 16 churches represented and 118 attending.

The High Attendance Day goal of 3600 for our Association was exceeded with a total of 4087 for our 37 churches last October.

A course was offered jointly with Seminary Extension entitled, Ephesians-Philippians for pastors. The book of Ephesians was the JBS book in January of 1980.

On February 28 & 29 a Growth Spiral Seminar was held with 12 churches represented and 32 attending. Out of this meeting came the two Growth Spiral visits, one in May and the other in August.

In August the 1980 Pastor-Director Planning Workshop was held with 7 churches represented and 11 attending.

A workshop for Outreach Director/Leaders and Secretaries was held in September with 4 churches represented and 12 attending.

Your Director made three consultation visits with some of the Sunday School workers of one of our churches.

We are making an honest effort to provide the kind of Associational Sunday School program,that will be of maximum benefit to the Sunday School workers in our churches. Please let us know how we are doing and share your needs with us.

Alton Coble, Assoc. S.S. Director

1980 CHURCH TRAINING REPORT

There are many metaphors used in the Bible to describe the Church of Jesus Christ. One that is especially meaningful to me is the "body of Christ." The Bible teaches us that every born-again believer as a member has a function to perform in the body of Christ on earth. We all are aware that Jesus has given us the Great Commission to "go into all the world and make disciples." We cannot do what he said do unless we are willing to be equipped for the work of the ministry. Church Training is not optional—it is a divine imperative. The congregation that does not train its membership is destined for extinction. Without proper and adequate training the Church cannot survive. However, I thank God that many people in the North Carolina Baptist Convention have caught the vision of Church Training. State-wide enrollment is up for two (2) consecutive years; this increase has happened after eighteen (18) years of decline. The churches of our state are beginning to turn again to the tried and proven values of Church Training.

There are several reasons for this increase in Church Training enrollment. First of all, the churches with existing Church Training programs have strengthened and expanded them. Secondly, new work has been started and old ones revived. The third reason for an over-all increase is that there has been better reporting of Church Training activities. I have attended three (3) major conferences on Church Training since January of this year and I have heard again and again that many churches are in fact training its people, but are not reporting such. Think about your church and the training taking place, then report this in your annual uniform church letter. There have been some recent changes on the reporting forms that will be of help to us all. Study the forms carefully and report all training activities. This will help us to get a more accurate picture of what is really happening in our churches.

In our association we reported an increase of 216 people during the 1978-79 church year which is very good. However, of the thirty-seven churches in our association, twenty-one do not have a Church Training program, leaving only fifteen churches reporting a Church Training enrollment. These statistics indicate a real need for much work. It is my prayer that we will work together to build up our training programs.

The leaders of the Reformation saw the Church as the "Mighty army of God." May we have the same vision, "For without a vision the people perish"—without training an army cannot gain decisive victories.

Paul Fowler, Director
Assoc. Church Training

1980 ASSOCIATIONAL YOUTH REPORT

The Young People of our Association have been provided excellent opportunities this past year. I personally feel that the best efforts were made. I also feel that the Youth of our Association were of great support to our efforts. I strongly feel in the coming year we should all be prayerful and helpful as we plan activities for our Youth in the Pee Dee Association.

Now let's review last year:

On March 27, 1980 we had the Annual Youth Evangelism Night. Music was furnished by the Associational Youth Choir. Made up of about 70 voices, the choir did an excellent job. Some of the Youth sang specials and gave testimonies. The main event of the meeting was our guest speaker, Rev. Cleve Wilkie, who gave a challenging message to our Youth. An invitation was given and a great number of Youth made decisions at the altar.

On May 27, 1980 the Youth of our Association conducted a Youth Missions Fair. The event was held at the Beverly Hills Baptist Church in Rockingham. Each church was assigned a country in which there is a Southern Baptist Mission work. All kinds of materials and articles were compiled and then displayed at the Church for the people to see. Several churches took part in the event and did a great job. After we had the fair we moved to the sanctuary of the church and listened to our guest missionary, Rev. Ralph Harrell, a missionary to Kenya. Rev. Harrell did an excellent job of challenging us all to be mission minded.

During the days of September 14, 15, 16 and 17 the David Stockwell Evangelism Team from Forth Worth, Texas was in our Association. David the Evangelist, spoke to all Youth in Richmond County in assembly programs in the Jr. High and the Senior High. The Youth enjoyed the programs greatly. David also spoke to the biggest part of the Youth in Scotland County. Each night an Evangelistic meeting was held. The first 3 nights were at First Baptist Church, Hamlet; the last meeting was held at the First Baptist Church in Laurinburg. Over 900 Youth in our Association made a commitment and signed a decision card. We are thankful to God to have the privilege of doing a small part of the work with our Youth. May I suggest that each of us find a place in our daily devotion to lift the Youth of the Pee Dee Association to God in prayer.

Rev. George Hollifield,
Assoc. Youth Director

1980 BROTHERHOOD REPORT

The Brotherhood is the missions organization for men and boys in Southern Baptist Churches. It includes Baptist Men, for all men 18 years and over, and Royal Ambassadors for boys 6 through 17. The RA's is divided into the Crusaders, for boys in the 1st through the 6th grades and Pioneers, for boys in the 7th through the 12th grades. If a church has any one of these age level organizations, it has a Brotherhood.

The purpose of the Brotherhood is to teach men and boys about the World Missions Program of Southern Baptists, to encourage them to support missions through their churches with their tithes and offerings and to become personally involved in missions as volunteers for mission ministries in their communities, state, nation and abroad. It parallels the purpose of the WMU for women and girls in our churches.

This year has been a very active year in Brotherhood work in the Pee Dee Baptist Association. Many men of our churches have served their Lord as volunteers. Work in our Richmond County Prison Unit, and the Cameron Morrison Unit have progressed this year. New organizations of Baptist Men and R.A.'s have been formed.

The Brotherhood sponsored a workshop for leaders of Baptist men and R.A.'s. This workshop was held at Pine Grove Baptist Church led by our State Brotherhood and R.A. Directors. The Bold Mission Challenge was emphasized to our men at the Key-Leadership conference.

Our Royal Ambassador work had a good year with special events for our boys. The R.A. Focus week was observed with service held at East Rockingham Baptist Church and was a blessing for all who attended. Also a Crusader car competition was held at Second Baptist Church, Hamlet with winners qualifying for the State R.A. finals. I would personally like to thank our Associational R.A. Director, Jerry Frye, for the job he is doing.

This year 1979-80 has been exciting and a good one and with your help and prayerful support, 1980-81 can be even greater.

Ronald Long, Director
Associational Brotherhood

1980 WMU REPORT

LIFE-CHANGING COMMITMENTS—Much of what we have done in WMU this past year and plans and goals for 1980-81 have been based on this theme. We cannot give more or do more for Jesus if we do not make some "Life-changing commitments" in our personal lives.

Much of our purpose is to train and strengthen churches in the work and we have tried to do that with training sessions on different aspects of the work. We had the leadership conference in September with approximately 100 present to receive information and instruction for the new year. Many of our training sessions have been concerned with Mission Action and how we can minister to the whole person. We have had studies on Grief and Persons Not Things. A workshop on Literacy was held and a number attended and are using this knowledge to teach persons to read and write thereby showing them that we do this because Jesus loves them through us.

The annual BYW meeting was held at Cameron Morrison Female Facility. Many of our churches helped as the BYW sponsored the choir from South Carolina who ministered to the prisons in music. We feel even though we did not sing that we all had a part in the numbers who professed Christ through his ministry.

We participated in the Foreign & Home Missions Studies held association wide. The Council gave a party for the pastors and their wives in February showing appreciation for them and letting them know that our work in WMU is to back up their ministry.

An Association Acteens Council has been organized and activities have been and will continue to be planned for youth in our association.

We had a Big A Club clinic and we hope to hear that new clubs have been started in our association reaching children that do not attend church anywhere. Many of us attended the state WMU Convention in Winston-Salem and thrilled to hear Robert Tremaine speak of his work in Beverly Hills, Calif., and to hear the musical "Lottie D".

The associational WMU annual meeting was held in April with our speaker Mrs. Bea McRae, First Vice-President of the state WMU.

Much of our work is to help churches start new work and this year we have had 3 Mission Friends organized; 2 Girl's in Action; 2 Acteens; 3 Baptist Young Women and possibly more that have not been reported as yet.

Many of you have written about Mission Action activities in your church Christmas gifts to Raleigh and Cameron Morrison, gifts to rest homes, Bibles sent to the jails in our county, gifts and materials sent to Max Furr in Peru, Christmas cards sent to service men, and many more.

Again the Pee Dee Woman's Missionary Union received recognition as a Distinguished organization.

Many plans have been made for the year 1980-81. Included are Mini-conferences, foreign and home mission study participation, Hands Across to West Va., participation in adopting a missionary family for the association, Acteens-Carolyn Hopkins-state acteens leaders -Mrs. Helen Fling-former SBC WMU President speaker in March; Betty Gilreath, state WMU President, speaker at annual meeting in April; district G. Activity in April etc. As we plan and work keeping in mind that all we do is to glorify Jesus Christ.

ASSOCIATIONAL MUSIC REPORT

If Church Music is a Church organization then this is one area that is on the increase. Accompaning every successful Christian movement is great music. The Associational music committee seeks to aid Churches to improve their music for worship and give aid to those who lead in the music ministry of the various churches. There is much excellent musical talent in our churches. The Mini Concerts at these meetings are examples of this talent.

The Associational Music Committee would like very much to help you with your ministry of music. Some time ago an attempt was made, by survey, to discover needs of the various churches in the area of music. Only two survey forms were ever returned. There seems to be a defense thrown up, many times, when help is offered. At least we must conclude this to be true since help is so seldom requested, or our music is so well developed that we need no help. If this last sentence is true we say "Praise the Lord."

It's been a joy to serve you as Associational Music Director these last two years. Lee Duncan, Minister of Music at Laurinburg First, will be Music Director for this next year. He's excited about it, and I am excited for him. I'll be assisting him in any way I can. I hope you will use his talent and willingness to serve you by calling on him and his committee in any way he can serve you.

W.S. Caudle, Jr.
Asso. Music Director

After the presentation of these reports, Rev. Don Bearfield brought a special message in song entitled "When I Survey the Wondrous Cross". Rev. Cass Vincent brought the annual Missionary's Report and Message. He urged us to be united in our efforts as an Association. We need to continue our support to the cooperative program; but we also need to remember missions right here at home. We have missions and missionaries in the Pee Dee Association. God has not changed our marching orders. Win the lost. Seek out the lost. God has blessed the Pee Dee Baptist Association. Everything that is within us should be given to the Lord and this is our place of service. Let us work together.

Following the Missionary's message, the floor was opened to business. There is to be a joint Bold Mission Thrust with West Virginia. Meeting will be held November 13, 1980 at Heritage Baptist Church, Rockingham, N.C. Speaker will be Ms. Maxine Bumgarner. She will share how we can join hands together with West Virginia to start 100 new churches in West Virginia. Also, there will be a Bold Mission project for at least 1 week next summer in West Virginia. This was given as information.

Rev. Wayne Tuttle presented the Treasurer's report, Auditor's report, and 1980-1981 budget for the Association. Budget reflects one change. $200.00 was added to budget for Task Force on Prayer. Motion made by Rev. Tuttle to accept budget with the correction. Rev. Ronald Long, pastor Roberdel Baptist Church, Rockingham, N.C. seconded and it carried. As additional information, Rev. Long asked that we consider purchasing some new equipment for use by Associational office secretary in the near future.

Committee on Committee Report was presented by Dr. Billy Rivers, pastor of First Baptist Church, Hamlet, N.C. and chairman of committee who made the motion to elect committee members as listed on report. Mr. J.T. Strickland seconded the motion and it carried.

In the absence of Mr. Leroy Yates, chairman of the **Nominating Committee,** Dr. Rivers made the motion to accept nominations as listed on the report. Seconded by Mr. J.T. Strickland and carried.

Vacation Bible School report was presented by Mrs. Margaret Vincent as information. She added that this year's clinic will be on March 6, 1980, First Baptist Church, Rockingham, N.C.

Evangelism Report was received as information as presented by Rev. Eugene McNair, chairman.

These reports are printed below:

1980 DIRECTOR OF MISSIONS REPORT

This year has indeed been a very busy one for the Pee Dee Baptist Association. Everyone of our Associational leaders has been actively involved in their area of responsibility. Many goals have been set and much has been attained through the labors and efforts of our people working as a team together. The program of the association and the calendar of events for 1981 is geared towards Spiritual growth and numerical growth in every area of Church life. The co-operation and patience of our Associational Council, is highly commendable and as your Director of Missions, I am grateful for your commitment to the great task of leadership that is before us.

I want to express my love and appreciation to our associational moderator, Dr. Lamar Brooks, who in spite of a heavy schedule as a pastor, took the reins of leadership to safely bring us through another year of service to the Lord.

We thank God for the enthusiasm and the fellowship that exists among the finest pastors I know here in our association and we welcome those that recently joined our ranks during the past year.

I again want to thank our Associational office secretary, Mrs. Joyce Rivers, for her faithfulness and labor during the year.

Gentlemen:

We have examined the balance sheet of the Pee Dee Baptist Association as of September 30, 1980 and the related statements of income and expenditures for the year then ended.

The examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records as were considered necessary, consistent with previous years.

In our opinion, the accompanying balance sheet and statement of income and expenditures present fairly the financial position of the Pee Dee Baptist Association at September 30, 1980.

1980 EVANGELISM REPORT

And Jesus came and spoke unto them, saying all power is given unto me in heaven and in earth. Go therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and lo, I am with you alway, even unto the end of the world. Amen (Matt. 28:18-20)

Realizing the Great Commission to be Christ's imperative for all who name his name, we offer the following report.

The following plans were presented by the Evangelism Committee and a unanimous yes vote was given by the Executive Board of our Association.

1. That we plan and have an area wide crusade inviting all denominations to participate during 1981.
2. In 1981 we will sponsor a witnessing school in our association. This training is needed and every church will be encouraged to participate.
3. In March of 1982 one month before the joint simultaneous effort we will have an evangelistic rally. A rally will be held in Richmond County and the following night a rally will be held in Scotland County. A well known Evangelistic Preacher will be invited to lead us in these two rallies.
4. That we join with all the Baptist churches in our State for a Joint Simultaneous Evangelistic Crusade in 1982. The theme will be "Here's Hope." Interpretation Meetings will be scheduled across the state to share suggested plans and basic thrusts for the 1982 Joint Crusade effort, which is co-sponsored by the Baptist State Convention. The Simultaneous Revival dates for the three areas of our state are: Coastal - March 14-28; Piedmont - April 4-18; and Mountain - April 25-May 9, 1982. Every church is encouraged to plan a revival meeting during one of these suggested dates. Let us pray daily that every unsaved person in N.C. will have the opportunity to hear the gospel of Christ by the end of 1982.

Recently the Executive Committee of the General Board approved the department name change from Department of Youth and Renewal Evangelism to Department of Personal Evangelism. Richard W. Everett is director of this department. His department work now includes various phases of witnessing training for youth and adults.

The 35th Statewide Evangelism Conference will be held in Asheville during February 2-3, 1981.

Following these reports, Mrs. Frances Caudle brought a special message in song entitled "Then Jesus Came".

Richard Everett, Director of Personal Evangelism, Baptist State Convention brought the inspirational message at the evening session. Scripture text Judges 6:1-2, 11-17 and Judges 7:1-7 tells of Gideon and his army of 300 men who won the victory over the Midianites. Opportunities of missions, evangelism, and the victory God can bring today was the central theme of his message. But a very serious question closed his message. After God had brought victory to Gideon, he made an ephod of all the golden earrings of the Midianites and put it in his city. His closing question was, "Do you bring golden ephods to God?"

Second session adjourned with prayer by Rev. Dan Freeman, pastor of North Laurinburg Baptist Church, Laurinburg, N.C.

THIRD SESSION, TUESDAY, OCTOBER 21, 1980

Moderator called for the following reports which were received as information: Homes for the Aging, Baptist Hospital, Christian Higher Education, Children's Homes, Baptist Foundation, Stewardship & Co-op Program, Biblical Recorder, and Annuity Board.

It was brought to our attention that Mrs. Hugh Queen, member of First Baptist Church, Hamlet, N.C. is a Baptist Hospital trustee. Mr. Jerry McGee, Vice-President, Meredith College was present to represent Christian Higher Education. Representing Children's Homes was Mr. Bruce Atkins from Odum Home, Pembroke, N.C. Mr. Jim Sauls was also present representing Baptist Homes.

Lee Duncan, Minister of Music and organist of First Baptist Church, Laurinburg, N.C. brought a special message in song entitled "Jesus Keep Me Near the Cross".

Dr. Brooks, moderator, introduced the speaker, Rev. Robert C. Bratcher, representative from the American Bible Society and translator of Good News for Modern Man. His message, based on Acts 8:, was "The Work of Translation".

Philip, on the road to Gaza, met an Ethiopian who understood not what he was reading. Philip explained the Scripture to him; thus, the work of translation took place and the Ethiopian was able to be saved. This is the work of translation today. It is to enable everyone to read and understand God's Word in his own language and know what God has done for him/her through Jesus Christ.

Third session closed in prayer by Rev. Ben Broadway, Sr. Meal served by host church at 6:00 P.M.

1980 ORDINATION-ADVISORY COMMITTEE REPORT

The Ordination Advisory Committee of the Pee Dee Baptist Association met October 13, 1980, at the First Baptist Church, Rockingham, for the purpose of examining Mr. Don Bearfield and Mr. Michael Collier to the Gospel Ministry. The request came to the Committee for Mr. Bearfield from the First Baptist Church, Rockingham, and the request for Mr. Collier came from the First Baptist Church, Laurinburg.

Members of the Committee met first with Mr. Bearfield and Dr. William Leathers, III, pastor of the First Baptist Church, Rockingham, and carefully questioned Mr. Bearfield as to his conversion experience, his call to the ministry, his Doctrinal stance, his attitude toward the denomination. The committee followed the same procedure with Mr. Collier. The pastor of the First Baptist Church, Laurinburg, who is also the moderator of the Pee Dee Baptist Association was present as the committee met with both candidates. The Director of Missions also met with them.

It was the unanimous opinion of the Committee that Mr. Bearfield and Mr. Collier gave an excellent account of all matters in question. The Committee highly recommends to the First Baptist Church, Rockingham, that Mr. Bearfield be ordained, and to the First Baptist Church, Laurinburg, that Mr. Collier be ordained.

1980 N.C. BAPTIST HOMES, INC., REPORT

Ministry to an older person is a ministry as unto Christ Himself, and it is people like **Mrs. Tillie Crabtree** who make it all worth it. Mrs. Crabtree, a resident at Hayes Home who finds it very painful to walk, came recently all the way from her room to the office of the Executive Director, Bill Poole, to say, "Thank You" for all the blessings of the Baptist Homes to her as a resident and to give a personal gift of money to the Homes from her limited personal spending money, as an expression of her gratitude to the Lord and to North Carolina Baptists.

The ministry to older persons through our Baptist Homes is the youngest of all our social service ministries. We have just completed our 29th year of ministry, and are moving with faith and with gratitude into our 30th year and into the new decade of the eighties. God has blessed us through all of these years in marvelous ways and has given to us the privilege of moving into five areas of our state with this special ministry—Resthaven, the Hayes Home, the Apartment Complex, and the Nursing Unit all in Winston-Salem, and Homes in Albemarle, Hamilton, Yanceyville, and Asheville! The past year has been filled with excitement and accomplishment. A dream was fulfilled when we moved into the new Western North Carolina Baptist Home in Asheville in March (1979), and have filled this beautiful new Home to the brim with 49 new residents who are a most welcome addition to our Baptist Homes family.

Gifts from our Baptist Churches, though encouraging, have fallen behind previous years' gifts through the two vital sources of income for the Homes—through the Cooperative Program, and through the new North Carolina Missions Offering. Through these two sources of support, we will continue to supplement needy residents who cannot pay the full cost of care and who are very dependent on these love gifts from North Carolina Baptists. Those who are supplemented at some time during their residence in our Baptist Homes family are in the majority.

We are excited over the possibility of starting the construction of additional nursing beds in Winston-Salem to care for residents in the new Western North Carolina Home and the Apartment complex, when nursing care is needed for them. Hopefully, construction of these beds can be underway within this year, along with the construction of an urgently needed enlargement and renovation of the Hayes Home, and the building of a new administration building.

Each of our residents would have me thank you as North Carolina Baptists for all that you are, and for all that you do for them.

W.A. Poole, Executive Director

1980 NORTH CAROLINA BAPTIST HOSPITAL REPORT

During the past year, our hospital has again received accreditation for two years, by the Joint Commission on Accreditation of Hospitals.

In recent months, a carbon dioxide surgical laser has been added. It is used now for delicate surgery of the larynx, upper respiratory tract, and lung. It has potential for surgery of other internal organs.

New ultrasound equipment provides improved accuracy in determining location and degree of blocked arteries. The department of dentistry is being expanded to meet an increasing need for specialty dental services. An occupational therapist has been added to the staff, and a new instrument has been acquired for testing infants with suspected hearing loss.

The financial counseling section is better prepared to assist those who need its services. Through an arrangement with the Forsyth County Social Services Department, social workers and a counselor for the state's Crippled Children's Program are now stationed in the hospital.

Our hospital recently became a charter member of the Sun Alliance, an organization of 22 large hospitals in nine southeastern states. A primary purpose of the alliance is to keep operating costs as low as possible through group purchasing of capital equipment, and the development and sharing of comparative data and management information.

The department of Pastoral Care continues to provide a pastoral ministry to patients and their families. During the past year, the department has begun a Minister's Care Plan, in which the Baptist State Convention provides financial assistance for ministers and/or their families who seek pastoral counseling through one of the department's regional centers. Also, the position of Chaplain to Medical Students has been elevated to a staff/faculty position.

Construction on the Focus Building is almost complete. It will house several departments of the Medical Center.

The hospital staff is grateful to the Baptists of North Carolina for continuing financial support. During 1979, the hospital received $400,500 through the Cooperative Program, and $357,517 through the North Carolina Missions Offering and designated gifts.

1980 CHRISTIAN HIGHER EDUCATION REPORT

There are seven North Carolina Baptist colleges and universities: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate. Baptist in their roots and their affections, these schools are Baptists' educational mission in our state. There are 53 such colleges, including these seven, related to state conventions within the Southern Baptist Convention.

The highest priority of your Baptist colleges is to serve God and man through Christian higher education. Ours is a secular world which views life and history, and even man himself, as having no overarching purpose.

To this hopeless view of the world, the Christian church through its colleges and universities has an essential message. The message is that creation has purpose, life has meaning and direction and persons created in the image of God have eternal significance.

The task of the Christian college is large and complex: searching for answers to perplexing problems; guiding the lives of youth who have been greatly influenced by the values of a secular society; and interpreting this task in love and with reason to those who do not always understand the difficulty of the college task.

Your North Carolina Baptist colleges see themselves as you see them, as a valuable part of Christian missions. They operate out of the conviction that God's Holy Spirit leads persons in the discovery of truth, that through the Bible God has given us a sufficient guide for faith and practice, and that man is a sinner by nature who cannot save himself or redeem the world in which he lives.

Baptist young people are sought and welcomed by Baptist colleges. We call upon the churches, through pastors and other leaders, to encourage Baptist youth to apply for admission to Baptist colleges. When they do, a creative blending of Christian education, financial assistance and spiritual guidance will help to shape them as tomorrow's leaders in the church, community, state and nation.

We thank you for your support of the colleges. We request your earnest prayers for each of them.

1980 BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC. REPORT

The Baptist Children's Homes of North Carolina, Incorporated is an institution of the Baptist State Convention and provides a Christian ministry of child care and family services.

During the past three years, members of the Board of Trustees and members of the administrative staff of the Homes completed an indepth evaluation of the institution's total program of services. We share three significant statements from that report.

"The advancement of this mission and ministry requires (1) wise and resourceful leadership, (2) a well trained and highly skilled staff who really care for children, (3) a carefully planned program of child care and family services, (4) appropriate physical facilities, (5) adequate funds and sound fiscal policy, and (6) the confidence and support of an informed and devoted constituency."

"At this time the Baptist Children's Homes of North Carolina, Incorporated is in a position of strength. This strength comes ultimately from God and is discoverable in the commitment, the competence, and the faithful work of His people engaged in this ministry."

"This is not a time for complacency in child care and family services in North Carolina. It is a time for rigorous study, reflective planning, earnest prayer, and courageous action."

Progress is being made in implementing recommendations from the Trustee Evaluation more adequately to make all services of the Baptist Children's Homes of North Carolina readily available to people who need our help anywhere in the State. Nine Family Services areas are being designated as follows: Asheville, Charlotte, Thomasville, Kinston, Pembroke, Raleigh, Hickory, Jacksonville and Ahoskie.

The lives of more than forty-five hundred people were affected in a significant way by the services of the Children's Homes during the past year. Fifteen hundred of these were children for whom you helped to provide care and related services. While serving children and young people, work was being done with important adults in their lives.

Necessary to the fulfillment of the mission of the Children's Homes are "people" resources, financial resources and spiritual resources. We are blessed with all of these. You, along with many other friends, assure us of your continuing concern for the well-being of neglected and dependent children through your prayers, through your giving and through various types of involvement. Members of our Board of Trustees and members of our staff, with your assistance, are dedicated to a continuing Christian ministry to children and members of their families.

Assoc. Representative

1980 BAPTIST FOUNDATION, INC. REPORT

This is the 60th birthday for the North Carolina Baptist Foundation.

Chartered in 1920, it was born out of a need to provide a channel for gifts and bequests which would be held in trust. Thus Baptist people were enabled to have a continuing part in support of every mission effort, every ministry of Baptists, even after their own deaths. Through these sixty years, your Baptist Foundation has received, administered, and distributed gifts to Baptist Colleges, Children's Homes, Homes for the Aging, foreign and home missions, state missions, Baptist Hospital, churches, associations, the Cooperative Program. The Foundation receives no money for its own use—it only serves as trustee for all these Baptist causes.

Born of a bold idea, it fulfills its mission today giving each Baptist the opportunity to be part of Bold Missions now - and forever!

The Foundation accepts gifts for Baptist causes in a variety of ways. The most frequently used method is a testamentary gift. This is simply a transfer of assets through a Will. During the past year, the Foundation Staff has attempted through Pastors' Conferences, senior citizens groups, Baptist Women and Baptist Men groups and through personal conferences with individuals to enable the people to extend their stewardship beyond life through the use of a Will. A touching and dramatic film, "A Better Way" depicting the necessity for every adult to have a Will, has been made available by the Foundation for distribution to any church or group requesting it from the Film Library Department of the Baptist State Convention.

A second way the Foundation receives gifts to support Baptist causes is through charitable trusts. Trusts have been established through Will, through purchase of gift annuities and through establishment of annuity trusts.

The Foundation has received Memorial gifts to deceased loved ones. A fund to assist Fruitland Bible Institute has been created. Gifts of real estate for the support of Southeastern Seminary, local churches and foreign missions have been received. One annuity trust was established with the income, after the death of the annuitants, to be used by the Foreign Mission Board in its effort to assist in the fight against world hunger.

During the past year, through the many ways it is able to accept gifts, New trusts have been established with combined assets of $650,000. Additions to existing trusts, providing for scholarships, missions offerings, memorials and many other causes, were more than $370,000. The audit of Foundation records for the year ending December 31, 1979 revealed total increase of assets for the year was $1,018,681.00 with total assets of the Foundation being $5,115,000. This is exciting when we remember it is all designated for Kingdom work through Baptist institutions and causes.

In the coming year, the Foundation will continue to emphasize stewardship and commitment. Among major plans is the conducting of several seminars on estate planning for women. The Foundation Staff, its three consultants, board members and legal and fiscal consultants are available for leading worship services, speaking to special groups or for special occasions and for private consultation and counsel.

Assoc. Representative

1980 REPORT FROM THE STEWARDSHIP CHAIRMAN

I. COOPERATIVE PROGRAM—A dream is only a dream until someone makes it come true. Bold Mission Thrust began as a dream for Southern Baptists in 1976-77—a dream of greater mission support and church growth. Many are committed to making this dream a reality. In order for Bold Mission Thrust to succeed, more people must adopt this commitment.

Two important questions must be asked and answered:

1. Do we have the will and commitment to persist in achieving Bold Mission Thrust goals?
2. Can we learn to live with our commitments?

Officially, Southern Baptists claimed their Bold Mission Thrust dream in 1977. Looking at the years ahead we have mixed reactions of excitement and anxiety. The introduction is over; in 1981 we must demonstrate our willingness to make our Bold Mission Thrust dream come true through our Bold Giving.

II. STEWARDSHIP DEVELOPMENT

Developing Christian stewards is imperative in light of biblical teaching and the Bold Mission Thrust objective to give every person in the world an opportunity to hear and respond to the gospel of Jesus Christ by the year 2000. This calls for faithful stewardship and growth in Christian giving.

The Stewardship Commission of the Southern Baptist Convention provides leadership, practical aids, and biblically-based materials for assisting churches in developing individual Christian stewards. The current stewardship theme is "Witness to the World Through Christian Stewardship."

WE RECOMMEND:

1. That every church accept the responsibility of teaching its members the principles of stewardship and provide studies and activities throughout the year to accomplish this goal.
2. That every church encourage its members to grow in the grace of giving, and in light of our Bold Mission Thrust goals, to give greater percentage of their income through their church.
3. That every church seek to increase its budget income during the year by at least 15 percent.
4. That the association assist churches in accomplishing their task of developing Christian stewards by providing information or conferences on stewardship resources available to the churches.

III. YOUR BAPTIST FOUNDATION—(A) The work of your Baptist Foundation continues to serve the churches and their agencies by promoting eternal stewardship responsibilities.

To assist we recommend:

1. That each church have a Money Management Seminar with emphasis given to wills and trusts.
2. That a year-round emphasis be made upon the stewardship of accumulated possessions and resources.

(B) Church Fund Raising The need to build buildings in an expanding local ministry causes the congregation to be faced with the securing of funds. Many congregations are torn between local ministry needs and world mission needs. The Stewardship Commission offers assistance to the congregation.

Together We Build is a consultant-led program with a tailor-made emphasis designed for each church.

WE RECOMMEND: 1. That every church anticipating a building program, contact the Stewardship Commission for assistance in financial planning.
2. The Stewardship Commission is a service agency ready to help in meeting their local needs. Please call on them.

Clarence Collier, Rep.

1980 BIBLICAL RECORDER REPORT

Faced with the same inflationary pressures that every family has these days, the *Recorder* has managed to get through another year without an increase in subscription rates. A church can still send the *Recorder* to resident families for only 7¢ a week per family, less than half the cost of a first class stamp and the best bargain in Christian literature to be found anywhere. Thus the *Recorder* is doing its best to hold the line by getting out a good paper at reasonable cost.

It has been another newsworthy year for Baptists and the Recorder has stayed on top of all that's happening. At the State Convention last November in Winston-Salem, a new relationship between the convention and Wake Forest University was approved. Messengers who attended were well informed and the issue was settled without serious division or controversy. This is just one illustration of how the *Recorder* informs North Carolina Baptists on vital matters affecting them. Nothing can take its place, certainly not the secular press which has so many denominations to cover.

Even though it was not a Baptist issue, the Recorder was able to set the record straight on an anonymous petition being circulated about a film supposedly about "the sex life of Jesus." Not only did the Recorder run news stories and editorials on this matter, it responded to numerous telephone calls. It was able to tell people the truth about something that never did take place—and the story was at least four years old anyhow.

Never has there been more misinformation circulated among our Baptist people. Those who do not receive the Recorder are easy victims for all types of misleading stories and rumors. Add to this the deliberate efforts of some groups to siphon off the loyalties and money of Baptist people and there's a strong case for sending the Recorder to every church family. See that your church makes this move in the coming year.

Assoc. Representative

1980 ANNUITY BOARD REPORT

While serving Southern Baptist churches and agencies in 1979, the Annuity Board marked a period of "achievement, ministry and growth in practically every phase of its work", according to Dr. Darold H. Morgan, president.

Key statistical highlights in 1979 included:

1. A 13th check amounting to 10 per cent of a year's benefit was mailed to most annuitants in December 1979.
2. A total of $19,131,539 in retirement benefits was paid.

3. Insurance benefits through the Board's church, agency and seminary programs amounted to $13,067,338.

4. Total assets held in trust at the close of the year equaled $667,521,987. This figure represented a growth of $97,787,516 over 1978's total.

5. Premium income totaled $69,548,849, including contributions and relief receipts. A total of $35,348,300 was designated for the Fixed Fund Investment plan. $2,332,869 was earmarked for the Balanced Fund and $12,121,729 went into Plan A. Insurance premiums totaled $14,291,178.

6. At the close of 1979, the Board counted 22,879 church and agency member accounts in Plan A, 43,927 in the Fixed Fund investment plan, 4,934 in the Balanced Fund and 3,941 in the Variable Fund.

In North Carolina as of March 31, 1980, 3,046 staff members of 2,316 churches and associations are participating in the Southern Baptist Retirement Program.

Through March 31, 1980, we had processed the following:

77 - Southern Baptist Retirement Program applications
14 - applications for age retirement benefits
3 - applications for disability benefits
6 - widow's claims

In Pee Dee Association 24 churches and 32 staff members are participating in the retirement program. Of this number 8 are still participating on the minimum of $33.34 per month. There is a great need to upgrade this to 10% of total salary for staff members.

FOURTH SESSION OF THE PEE DEE BAPTIST ASSOCIATIONAL ANNUAL MEETING AT SPRING HILL BAPTIST CHURCH, WAGRAM
6:45 P.M., OCTOBER 21, 1980

During registration, those present for the fourth session were treated to a mini concert in song and guitar by Mr. Robert Wood from Second Baptist Church, Hamlet, N.C.

Following the mini concert, Mr. Caudle led in singing of the hymn, "Stand Up, Stand Up for Jesus". Rev. Don Malpas, pastor of Laurel Hill Baptist Church, Laurel Hill, N.C. led in prayer. Rev. Alton Coble, host pastor, again welcomed the congregation.

Special music was presented by Mr. William Caudle, director of music for all four sessions. He sang "Follow Close To Me". The annual sermon was delivered by Rev. Gordan Shaw, pastor Mount Olive Baptist Church, Rockingham, N.C. His theme was "Bold Missions - Growing, Going, Giving". Scripture text was II Chronicles 7:14. He said to accomplish Bold Missions in the way we say we believe, we need to:

1. humble ourselves
2. pray
3. seek God's face
4. turn from our wicked ways

He concluded, after we, as Christians, have done this then God will hear from Heaven and heal our land.

Following this challenging message, came the election of officers. Rev. David Blanton, pastor of Cartledge Creek, Rockingham, N.C. nominated Dr. Lamar Brooks as Moderator. Rev. Scott Turner, Jr., pastor of Second Baptist, Hamlet, N.C. made motion nominations cease. Seconded by Dr. Billy Rivers, pastor First Baptist, Hamlet, N.C. Dr. Brooks was elected unanimously as Moderator. Rev. Wayne Tuttle, pastor of Pine Grove, Rockingham, N.C. nominated Rev. Eugene McNair, pastor of Calvary, Hamlet, N.C. for Vice-Moderator. Mrs. A.A. Williams motioned that nominations cease. Seconded by Mrs. Pat Peele. Rev. McNair was unanimously elected as Vice-Moderator.

Resolutions Committee Report was as follows: The Resolutions Committee of the Pee Dee Baptist Association recommend that we, the messengers and visitors to the 165th annual meeting of the Association express:

First; our profound gratitude to God for his blessings upon us through these sessions.

Second; our appreciation to the pastors and members of the historical churches of Cartledge Creek and Spring Hill Baptist Churches for their hospitality and co-operation.

Third; our sincere appreciation to the Program Committee for the inspirational programs and outstanding speakers, which have included special guests Richard Everett from the N.C. Evangelism Department; Robert C. Bratcher of the American Bible Society, who is known for his labor in the translation of the Good News for Modern Man, and to Maurice Cooper of our state Church Training Department.

Fourth; our gratitude to the officers, leaders, committee members and representatives who have served us so faithfully this past year.

Fifth; our special thanks and appreciation to our Director of Missions, Cass Vincent and our Associational secretary, Joyce Rivers, for the work throughout the year and especially in making this Associational meeting the smooth, transcending success it has been.

Sixth; that we accept the challenge to be a prayer warrior to such Bold Mission goals obtained. Recommendations presented by Wayne VunCannon, chairman.

Motion made to accept resolutions by Mrs. Gladys Creech. Mrs. Juanita McGowan seconded and it carried.

Registration report was 248 total for both days. Motion was made by Dr. Billy Rivers to accept the amendment to the Constitution as presented during first session. Motion seconded by Mr. J.T. Strickland and carried.

Following the action on the Constitution, floor was opened for business. Mr. Clarence Collier motioned that Pee Dee Baptist Association purchase a video-tape communications system to be used by any church in the Association. He gave information that the first $50 will be paid by the State Baptist Convention. Motion seconded by Billy Rivers who noted that much of the future literature will be in form of video equipment. The motion carried.

Billy Rivers then motioned that the moderator appoint a committee of three by next Executive Committee meeting to work out a plan to purchase the video system. Motion seconded by Wayne Tuttle and carried.

Rev. Ronald Long, Brotherhood Director, gave information concerning Brotherhood and asked each pastor to get a poster in the foyer.

Rev. Tuttle made a motion to dedicate this year's annual in memory of Mr. John D. White. Seconded by David Simmons and carried.

A special feature of the meeting this year was a video presentation of various speakers from the Southern Baptist Convention. Emphasis was on Bold Missions and how twe can accomplish greater work for our Lord through a greater commitment to Him.

Prior to the sermon, Mr. Robert Wood brought a message in song, "He Touched Me". Moderator introduced the guest speaker, Rev. Maurice Cooper, Church Training Director, N.C. Baptist State Convention, who brought the final message.

Rev. Cooper read Matthew 28:19-20. The title of his message was "Conserving the Results of Evangelism". He said our mandate is to:

1. Go
2. Teach
3. Multiply

In conclusion, he said, if we do this the Lord promised "And lo, I am with thee ALWAY".

Following this tremendous message, the Moderator called for all council officers and pastors to come forward to install new officers for the Association. Rev. Cass Vincent led in closing prayer of commitment and dedication.
